**Special Assembly Presentation on World Nutrition Day by Grade II**

***"Our food should be our medicine and our medicine should be our food now."***

A special assembly on the topic of "World Nutrition Day" was organized by Grade II students on 1st of September 2021.

Students joined the assembly with a virtual background matching the theme. I and Varun led the assembly with zeal. The special assembly started with Prayer followed by the school song. Vivaan led us with the pledge. Word and thought for the day were articulated by Bhumika and Gayathri respectively. Word for the day was very well explained with the help of a sentence related to the theme. Pranay elaborately explained how we are damaging our health because of our sedentary lifestyle and casual approach towards it. The poem on the nutritional value of food by Hamsika was praised by all. Deekshith danced to the tunes of Nutrition Song, which added happiness by creating a lively ambience. The real fun was cracking riddles. This activity was conducted by Parinithi which was highly informative. Quotes and drawings related to the theme were very well presented in PowerPoint Presentation. The assembly concluded with the National Anthem.

The students, as well as their parents, gave an overwhelming response to the interactive assembly presentation. Nowadays, everybody is conscious about their health and well-being. The program was a combined effort of our teachers and students and received a huge appreciation from everyone present.

## Shloka Recitation Competition for Grade I & II

'ॐ भूर्भुवः स्वः तत्सवितुर्वरेण्यं भर्गो देवस्य धीमहि धियो यो नः प्रचोदयात्।'

बच्चों को श्लोकों के महत्व को समझने में मदद करने के लिए 1 सितंबर, 2021 को श्लोक जप प्रतियोगिता का आयोजन किया गया था। श्लोक/प्रार्थना जप के दौरान जो अपार शांति का अनुभव होता है, वह अवर्णनीय है।

प्रतियोगिता में कक्षा पहली, दूसरी के विद्यार्थियों ने पूरी निष्ठा के साथ श्लोकों का जाप कर सक्रिय रूप से भाग लिया। कठिन श्लोकों को सहजता से जपने में उन्होंने बहुत आत्मविश्वास दिखाया। नन्हे-मुन्नों को इतने जोश के साथ भाग लेते हुए देखकर खुशी हुई। कक्षा दूसरी से बहुत से बच्चों ने भगवत गीता के श्लोकों का जप किया। कार्तिकेय ने शंकर भगवान के

लिंगाष्टकम श्लोक का सस्वर पाठ किया। पूजिता ने रामायण का श्लोक सुनाया। पहली कक्षा से विहान ने हनुमान चालीसा का जाप किया इसी तरह पहली और दूसरी कक्षा के सभी बच्चों ने जोर-शोर से श्लोक जप प्रतियोगिता में बढ़ चढ़कर हिस्सा लिया।

प्रतियोगिता में छात्रों को

- 1) आत्मविश्वास और प्रस्तुति क्षमता
- 2) उच्चारण में स्पष्टता
- 3) मेमोरी के आधार पर निर्णय लिया गया था।

## Greeting Card Making Activity for Grade I to V

A blend of exceptional creativity and imagination was displayed by the students of Grade I to V during the Greeting Card Making Activity held on 3rd of September 2021. The theme for the activity was Teachers' Day. All the students participated with great enthusiasm. The students were very excited about making greeting cards for their teachers. The activity was conducted under the supervision of teacher in-charges.

The teachers explained the guidelines for preparing a greeting card through a PowerPoint presentation. The students were asked to design, draw, colour, cut, and paste to decorate the greeting card using any material and finish the work in a stipulated time frame. The students made beautiful greeting cards to express their love and gratitude towards their teachers using various materials like coloured papers, coloured sequins, glittery stickers, coloured beads, and paints. A few students used the pop-up cards making technique to give the card a 3D effect.

The creative work of students in preparing greeting cards impressed everyone. This kind of activity promotes creativity and builds self-confidence among students. The bright splash of colours on papers symbolized the spirit of festivity and excitement.

## Teachers' Day Celebration

“Teachers don't just teach how to count; they teach what counts in life.” On the 4th of September 2021, the students of all grades from JHCS Kondapur pompously celebrated the grand occasion of teachers' day in advance. The members of the Apex Body along with zealous volunteers from grade X conducted the celebrations with great éclat. The pageantry had it all- from powerful poems and soul stirring speeches to wonderful videos of

appreciation and splendid skits. Starting the grand celebration with blessings from God, the students took the national pledge and shared inspirational words and thoughts with their peers. After this, the token of appreciation was presented as a compilation of videos. Many students thanked and shared their love for the teachers, a skit about the importance of teachers was also exhibited and a vote of thanks was delivered by Kartik Dixit after a stirring speech by Arya Rajput. After this, the students took responsibility and took the teachers' hot seats- joining other classes and teaching concepts. The students and the teachers truly enjoyed the experience, and it was an awakening for the students as they realized how much hard work is put into even attempting to fill in the role of a teacher. It had truly been a remarkable experience.

## Assembly Presentation by Grade VII Topic: Teachers- Ladders of Society

The role of a teacher is just like that of the proverbial 'ladder'. A ladder is used by everyone to climb up in life; but the ladder stays in its place, and it feels proud to take others to the top by staying at its original place. It is the teacher only who can bring unlimited fortunes in the lives of the students.

Teachers play a major role in making their students responsible citizens of tomorrow and good human beings. It is impossible to imagine our lives without teachers.

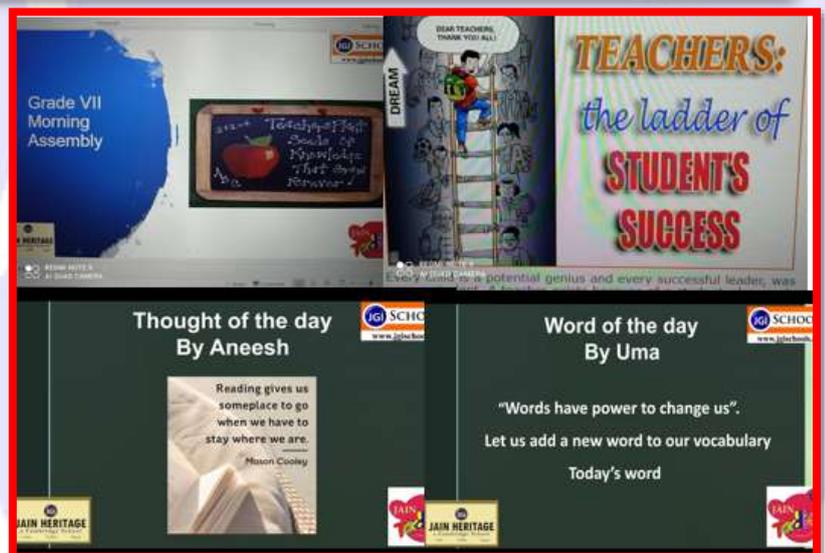

Students of Grade VII to show their acknowledgement and recognition of the hard work put in by teachers towards their development and with the view to show respect to their teachers conducted the assembly on topic – “Teacher are ladders of Society” from 1st to 4th of September.

The assembly was carried forward by Guru Vandana followed by the school song. Pledge was taken with pride by the students. Inspiring thoughts and informative articles explained the importance of teachers in the life of students. Students also threw light on life of many famous teachers. They exhibited their talents as a treat to the teachers. Poems recited and songs made the day explicable.

The event in assembly was most memorable as student gifted their teachers greeting cards to show their love and affection. Teachers were reminded of their school days and felt nostalgic. All in all, it was celebration mode for everyone!

“A teacher is a compass that activates the magnets of curiosity, knowledge and wisdom in the pupils”.

-Ever Garrison.

## Assembly Presentation by Grade V Topic: Teachers- Ladders of Society

**"Education is the key to success in life, and teachers make a lasting impact in the lives of their students."**

**—Solomon Ortiz**

Teachers are the most important members of our society. They give children purpose, set them up for success as citizens of our world, and inspire in them a drive to do well and succeed in life. The children of today are the leaders of tomorrow, and

teachers make a child ready for their future. The students of Grade-V conducted the morning assembly on the topic "Teachers- Ladders of Society" from 1st to 4th of September 2021. Different days of the week were allotted to each student to present their talents in the assembly. The day started enthusiastically with prayer followed by a school song. Pledge was administered by Ayesha, Vivek, Tejasree, Muqtadir, and Prabhav. To enhance the vocabulary, word of the day was presented by Akshara, P.Siri, Manya, Shaanyu, and Mervin. The students understood the importance of teachers and education, through enriching thoughts and words. Daily News was read by Ashrith, Mervin, Eeshaan, Shourya, and Nathan. We celebrated Teachers' Day Virtually on 4th of September in the assembly. We thanked and wished our teachers on this special day. We shared our teachers' day cards with our favourite teachers. It was a fun-loving week of assembly for the students as well as for the teachers.

Children carry what they are taught at a young age throughout the rest of their lives. They will use what they have learned to influence society. Everyone knows that today's youth will become tomorrow's leaders, and teachers have access to educate the youth in their most impressionable years.

## Ganesh Idol Making Activity for Grade I to VII

**"Lord Ganesh is our mentor and protector. May He enrich your life by always giving you great beginnings and removing all obstacles from your life."**

The excitement of Ganesh Chaturthi settles in weeks before the festival begins. Artisans start preparing clay idols of Ganesh in different poses and sizes. On the auspicious occasion of Ganesh Chaturthi, JHCS Kondapur conducted a Ganesh Idol making activity on 9th of September 2021. Students of various grades invoked the blessings of Lord Ganesh by preparing Ganesh Idols in contrasting shapes and sizes. The festival begins on the Chaturthi when people install the statue of Lord Ganesh in their homes and temples. The students of Grade I-IX made statues and idols by using countless materials like wheat flour, turmeric, pulses, leaves, and vegetables to name a few. The students participated wholeheartedly and came forward to display their vibrant idols. The activity brought an amiable ambiance and the teachers along with everyone present cheered the participants. It was an enriching and creative event. The children participated with zeal and zest in the activity. The students made many creative and eco-friendly idols. The idols were beautiful, attractive with a fusion of modern, yet traditional style. The event was a grand success. "We pray to Lord Ganesh to leave every family with infinite opportunities of happiness and celebration. Let our pockets be filled so that we can empty them to help needy individuals and families." **Happy Ganesh Chaturthi to everyone!**

## Assembly Presentation by Grade III Topic: Importance of Punctuality

“Punctuality is not about being on time, it’s basically about respecting your commitments.”  
Punctuality means completing a task on time. Time is the most significant thing. That is why we tell children that time should be respected. Time is very strong. Time is very valuable. The person who uses time properly gets everything. One who destroys his time has great losses. We all should respect time. A successful person wakes up at the right time in the morning regularly, after breakfast, leaves the office at the right time. Such people achieve success in life.  
The students of Grade III conducted the morning assembly on the topic “Importance

of Punctuality” from 6th to 9th of September. Morning assemblies conducted in the schools every day play a vital role in inculcating good moral values among the students and it gets registered in their mind quickly. Prayers have the power of creating a pious atmosphere that helps instill certain values such as humility and discipline in the students.

The day started enthusiastically with prayer followed by the school song. Pledge was administered by Utkarsh, Viren, Aryaman, and Bhavi. Good thoughts lead to good actions. Introspective thoughts were presented by Avani, Ramsha, Sthavist, and Ayaan. Learning new words helps our brain to create more ways of retaining information. Word of the day was presented by Srikar, Shourya, and Atharv.

The topic made the students understand that punctuality is important because it makes us disciplined. It teaches us the essence of time and makes us aware of its value. Punctuality can aid us to achieve our goals faster than ever. The assembly was concluded by serene and mindful meditation.

## Assembly Presentation by Grade VIII Topic: Importance of Punctuality

“Arriving late was a way of saying that your own time was more valuable than the time of the person who waited for you.”

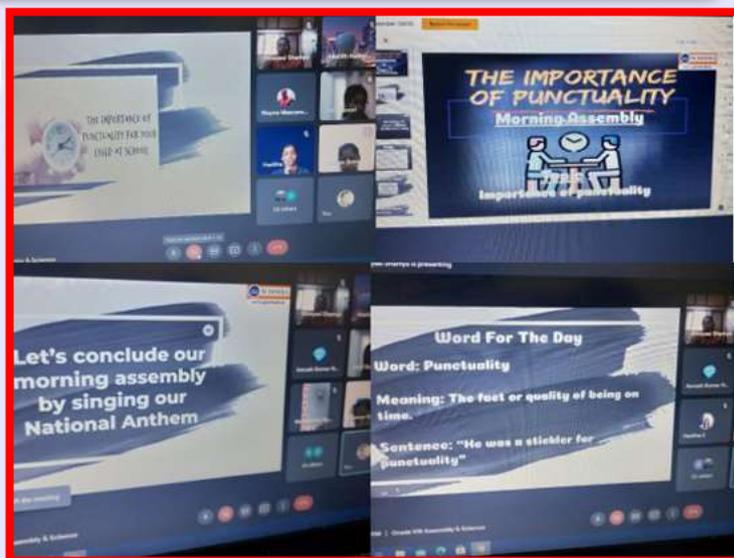

— Karen Joy Fowler

Being punctual not only makes you dependable but also helps you to build your confidence. This can make you great scholars or help you to achieve your dreams and goals. Punctuality helps us cultivate the habit of completing our tasks in due time. It makes us disciplined and adds a sense of responsibility in an individual.

Punctuality and time management allow us to complete more work in less amount of time which gives us more free time. We can invest this free time to learn new things. It also lowers stress and helps us focus, which leads to a more successful life. Punctuality helps us realize the importance of time. It is an etiquette which encourages us to complete our work in a timely fashion.

Keeping this as their motto, students of grade VIII conducted an electrifying assembly from 5th to 8th of September on the topic “Importance of Punctuality”. The assembly began by seeking the blessings from the Almighty followed by the school song. Students presented words, thoughts, quotations related to the theme. Through thought-provoking quotations and articles, students determined themselves to be punctual. A punctual person respects theirs’ and others’ time as well. Punctuality leads to fame and excellence. We should do the right things at the right time and be punctual in life.

Overall, it was an enriching and thought-provoking assembly where all the students participated with zeal and enthusiasm.

## Virtual PTM

“Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations”

– Bob Beuprez

Parent-teacher meetings are conducted to take the feedback from the parents. On 11th of September, Virtual PTM was conducted from 9.00 am to 4.30 pm. One to one video interaction was conducted for all the parents. To ensure that parents of all students are given equal opportunity to interact with the teachers, a schedule was prepared in advance.

The schedule was prepared with a unique time slot given to each student’s parents. The class in-charges shared the schedule with all the parents and the Google meet link for the Virtual PTM.

At JGI, the collaborative approach is encouraged wherein the parents can interact with the teachers and class in-charge on regular basis to discuss the academic performance of the child, challenges faced during classes, suggestions for improvements, support needed in specific subjects, and any issues that need to be discussed with either the coordinator or the headmaster. The class in-charge noted down the feedback from each parent. The issues or concerns for specific subjects were shared with the subject teachers for any corrective action needed. This interactive PTM gave an opportunity to the parents to share their feedback which would help in the continuous improvement of teaching and learning at JGI.

## Special Assembly Presentation on Hindi Diwas by Grade VI

१४ सितम्बर को छठी कक्षा के बच्चों ने सुबह की प्रार्थना सभा में हिंदी दिवस मनाया। इस खास सभा में पृथ्वी राज ने एंकरिंग की। दूर्वा ने अपने सभी साथियों को देश के प्रति निष्ठावान रहने की प्रतिज्ञा दिलवाई। मेरी जैसिका ने जो सुविचार बताया वह बहुत अच्छा था और साई कृति द्वारा बताया गया शब्द भी लाजवाब था। नवनीत और अनुतारा ने जो कविता सुनाई थी उससे हम सभी को अच्छी सीख मिली और उसी से हमारा दिन अच्छा बन गया। इस के पश्चात वान्या ने हिंदी दिवस पर हिंदी के बारे में कुछ तथ्य बताए, जो इस प्रकार हैं :-

हिंदी भाषा को देवनागरी लिपि में 1950 में अनुच्छेद 343 के अंतर्गत राष्ट्रभाषा का दर्जा दिया गया है।

1977 में तत्कालीन विदेश मंत्री अटल विहारी वाजपेयी ने पहली बार संयुक्त राष्ट्र की आम सभा को हिंदी में संबोधित किया। इसके बाद कौन बनेगा हिंदी का विद्वान् प्रश्नोत्तरी खेल का आयोजन किया गया। जिसका संचालन साई कृति और दूर्वा ने किया था। ऐसा लग रहा था कि हम असल में कौन बनेगा करोड़पति खेल रहे हैं | इस खास सभा के अंत हमारे कोऑर्डिनेटर शुचिता मैडम ने सभी के कार्य की सराहना की। मैडम ने कहा कि अपनी हिंदी भाषा मत छोड़ो। जितनी भी भाषाएँ याद करनी हैं तो कर लो पर अपनी मातृभाषा को मत भुलाओ। हमें हिंदी बोलते समय गर्व करना चाहिए। ज्योति मैडम ने और अनुनीधि मैडम ने हमारी तारीफ़ की। विजयलक्ष्मी मैडम ने भी हम सबकी तारीफ़ की और कहा की हमने अच्छे से हिंदी बोली है, ऐसे ही तुम एक बड़े अफसर बन जाना। इस तरह एक खास सभा जिससे हमने बहुत कुछ सीखा उसकी समाप्ति हुई।

## Special Assembly Presentation on World Ozone Day by Grade IX

‘Earth without ozone is like a house without a roof.’ World Ozone Day is observed on 16th of September every year to spread awareness among people about the depletion of the Ozone Layer and find possible solutions to preserve it. On this day, people from all over the world hold talks and seminars about the ozone layer.

We commenced the assembly by praying to the Almighty and showed our school spirit by singing the school song. With pride, we took our oath towards the country. Right after, the students were motivated by listening to a very stimulating thought. A neoteric word was shared which helped us increase our diction. We caught up on current affairs with the news headlines. We were informed about the ozone layer with two elaborate articles in French and Telugu. Our respected Headmaster, Mr. Mahesh, enlightened us with a top-notch speech. We concluded the assembly by singing the National Anthem, showing patriotism to our country, together.

Let's take an oath to protect the ozone layer and save life on earth this ozone day!

The students put in a lot of hard work to make the assembly a grand success. All in all, the assembly was factual, illuminating, and explicative. It was a fantastic show.

## Assembly Presentation by Grade I Topic: Power of Reading

“Whenever you read a good book,  
somewhere in the world a door opens  
to allow in more light.”

—Vera Nazarian

Morning assembly undoubtedly holds the numero uno position out of all the routine activities in a school. It aids community participation as well as hones the skills of children on account of healthy competitive spirit between different groups. Probably, it's the first platform which is provided to young minds, boosting their confidence towards public speaking, and imbibing a feeling of team spirit in their nascent

minds. Keeping up with the same, the students of grade 1 conducted their class assembly from 13th to 18th of September on the topic “Power of Reading.” It started with the Morning Prayer which was followed by the school song. We should show respect towards our country. Pledge was taken by Likith, Jash, Hridhaan, Gagan, Tanviha, and Eathan. Thought for the day and word for the day were presented by Yuvan, Daksh Baid, Virat Challa, Swarith, Navya, Karthikeya, Advait. B, Alice, Siri Medha, Mahira, Ruhi, and Svasthir. They came up with insightful thoughts that were shared with all in the assembly. A robust vocabulary improves all areas of communication — listening, speaking, reading, and writing. Expanding a child's knowledge of words provides unlimited access to new information. Word for the day was explained with the help of a sentence.

Students understood that just as exercise helps our bodies to stay healthy for long, similarly, reading is also an exercise that helps keep our brain fit in the long run. Reading is a way to escape our own life and can take us to faraway lands, other times, and put you in other people's shoes. By viewing the world from a point of view that is not our own, we become more empathetic.

## Assembly Presentation by Grade X Topic: Power of Reading

“Reading is to the mind, what exercise is to the body.”

- Joseph Addison

Books really are your best friends as you can rely on them when you are bored, upset, depressed, lonely, or annoyed. They will accompany you anytime you want them and enhance your mood. They share with you information and knowledge anytime you need. Grade X had conducted an energetic and informative assembly on the topic “Power of Reading” from 13th to 18th of September. The assembly began with prayer followed by the school song. Students learnt a new word related to the topic which helped to enhance their vocabulary. Inspiring thoughts were shared along with the informative articles that gave information about the topic. Students

learned to calm down their minds and control their stress by practicing meditation every day during the assembly. Overall, students understood the benefits of reading books- like reading reduces stress, reading helps one sleep better, it also sets an example for kids, and improves one’s communication skills, and so on and so forth, through the assembly.

## Assembly Presentation by Grade IV Topic: Fit mind grows in a fit body

“Getting fit is all about mind over matter. I don’t mind, so it doesn’t matter.”

-Adam Hargreaves

Grade IV students organized a morning assembly on the topic - “Fit mind grows in a fit body”, from 20th to 23rd of September 2021 to enlighten young minds about the importance of being fit in our life.

The assembly had all the flavors starting with the prayer song followed by the school song, pledge, motivational thought, a new word, and news headlines.

Pledge was taken by Sai Pranav K, Aditi Binoop, Kunwar Baid, Gunturu Shanmukha Veda. Thought was presented by S.Mohnish Karthikeya, V. Amrutha, Y. Aishwarya. Word was delivered by Kanav Gill, Syana Panda, Sri Vardhan Reddy, K.Ciril Sekhar. Mayra Lakhanpal, Siva Srivatsa Likhith, B Amogh, Maraboina Bhavya updated us with the latest news. The class in-charge, Ms. Sweety Biswas, explained to the students how to stay fit. The importance of eating healthy food was reinforced. Junk food is very low in nutrients and triggers lifestyle diseases such as obesity, diabetes, etc. She motivated the students to take a healthy diet and do proper exercise/ yoga every day. The school’s PT instructor Mr. Koteswara Rao explained that Yoga is a way of living that aims towards a healthy mind in a healthy body. The benefits of different Asanas were elucidated. The importance of correct posture and breathing techniques was also explained in the assembly. The students were made to perform the Yoga Asanas. Children spoke on how Yoga focuses on idealizing concordance between our mind, body, and soul. The students made healthy recipes for salads that looked delicious and presented them in the assembly.

## Assembly Presentation by Grade VI Topic: Fit mind grows in a fit body

“To ensure good health: eat lightly, breathe deeply, live moderately, cultivate cheerfulness, and maintain an interest in life.”  
— William Londen

The morning sets the day and the assembly paves the way for our students to rejuvenate their spirits, remain rooted in their moral values, and unleash their vitality. Keeping up with the same, the students of Grade VI conducted their Online Assembly from 20.09.2021 to 24.09.2021. The theme of the assembly was “A fit mind grows in a fit body”. The assembly commenced with the Morning Prayer and school song. Anchoring was done

fabulously by Mary Jessica, Aarushi, and Navaneeth. Pledge was administered by Sai Kruthi, Aarya, and Ujesh. Thought for the day was presented by Vanya, Anutara, and Unnati. A new word added every day in our dictionary would increase our communication skills and the word for the day was presented by Harshith, Rohitha, and Prithvi Raj. News Reporters for the week were Harshitha and Durva. The assembly in charge Ms. Anunidhi Sharma described the importance of a fit body and health. In the pandemic when the students cannot go out, several measures were shared with the students to maintain their healthy lifestyle. They can jump a rope, play hopscotch with their siblings, meditate, and perform Surya namaskar. Go for a small walk inside the society complex keeping in view all the measures during corona. Students understood the most treasured value of human life which is health. They should eat more veggies, love themselves, and smile often. The assembly came to a fruitful end with the exercises that were done with great enthusiasm and energy. It was a pleasure to see the students performing so confidently and joyfully. Indeed, it was a special start to a delightful day!

## Special Assembly Presentation on World Rabies Day

“Do your part, educate the world about Rabies.”

September 28th is observed as World Rabies Day. This date was chosen as it is the death anniversary of Louis Pasteur – the first person to successfully create a vaccine against rabies.

The day aims to enhance knowledge about the disease and is observed in many countries. Rabies is a zoonotic disease that is transmitted from animals to humans. It is caused by the rabies virus that originates from the Lyssavirus genus of the Rhabdoviridae family.

As the rabies landscape has changed, World Rabies Day remains a general day of awareness but has also become an integral part of national, regional, and global rabies elimination strategies. In the JHCS KP calendar celebration of World Rabies Day is a regular feature, and this year on September 27th, we had an assembly conducted on this topic. This year's theme for World Rabies Day is: "Rabies: Facts, not Fear" based on ending the fear from the people and empowering them with the facts. The aim was to recognise that the health of people is connected to the health of animals and the environment. Our students learned that they need to focus on sharing facts about rabies, and not spreading fear about the disease by relying on misinformation and myths. Students also learned that World Rabies Day was created to raise awareness and advocate for rabies elimination globally and is designed to unite all people, organizations, and stakeholders against rabies.

## Awards & Rewards

We are pleased to share that **Shreyan Banerjee** of Grade X has developed a website <http://www.sciencereallyyours.com> and extended his best wishes on **Teacher's Day!** The students and the educators would be able to share their ideas/experiments on this site.

JHCS Kondapur proudly congratulate Ms. Sweety and Ms. Sirisha for receiving the Best Teacher Award for the year 2021 by I.I.H.M Hyderabad.

## Our Alumni Speaks...

The establishment of daily existence begins at school. It is the place where the problems are simple, but the teachings last for a lifetime. Eleanor Roosevelt once said, 'The future belongs to those who believe in the beauty of their dreams.' The realisation of this core principle has been brought about in me by the teachers at JGI. Spending such essential years of life at school certainly makes it our 'second home'. Qualities such as perseverance, sincerity, discipline and obedience are inculcated in us from the second we set foot in the institution. It is where I got to learn by exploring. The teachers here helped in shaping my outlook on the competitive aspects of life and inspired me to keep aiming high. The various extra-curricular activities brought about my desire to do my best and the spirit of teamwork in me. All these lessons have and will play a great role in my endeavours. I graduated three years ago with a widened knowledge and left with memories, experiences, curiosity and joy. I am proud to call myself an alumnus of Jain Heritage- A Cambridge School.

### BOOK REVIEW: HEIDI

Let me first introduce you to the main characters of the book.

There's Heidi, a five-year-old orphan girl, her aunt Seta, Heidi's paternal grandfather, Clara Sesemann, Clara's father Herr Sesemann, Clara's grandmother, Peter, Peter's mother Brigitta, and Peter's grandmother.

Heidi loves nature and cannot resist going to the open air where she can interact with animals and trees. When she is sent to live in the house, she becomes very ill. She is then sent to live with her paternal grandfather as her aunt Dete gets a job in Frankfurt and cannot take care of her.

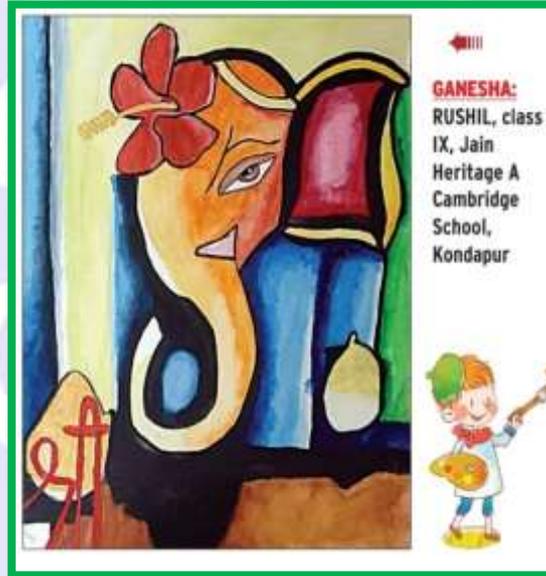

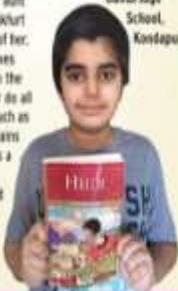

The grandfather lives away from everyone in the mountains. He lets her do all the things she likes, such as going up to the mountains with the goats. He was a soldier when he was young. After he earned a lot of money, he thought of staying in a cool, calm place. He

close Nienfeld to be the place where he would live.

This book is one of the best books I have read. This is one of those classic books that I would highly recommend to anyone. It taught me about the power of friendship and the main character of Heidi. Heidi has to cross several obstacles that shows we should be determined enough to go through tough situations and be strong.

### MY TALKING TABLE

Do you know how will a table looks like?

Do you know the sorrows of a table?  
If you want to know read this poem!

My Talking Table, My Talking Table

Don't keep on talking

Only I can understand your sorrows and no one else.

One day he told me don't keep this and one day he told me don't keep that

One day he told me please understand my sorrows

Wondering that why is this table talking.

One day I went to him and told this how can you talk my table, how can you talk

He said this I am a non-living thing but don't keep weight on me

I am not able to lift.

My Talking Table, My Talking Table

Don't keep on talking

Only I can understand your sorrows and no one else.

So can you all understand the sorrows of a table?
