**Assembly Presentation By Grade VII**  
**Topic: World Civil Defence Day**

अपने जीवन के साथ-साथ अन्य नागरिकों के जीवन की रक्षा करना मानव धर्म है। विश्व नागरिक सुरक्षा दिवस हर साल 1 मार्च को मनाया जाता है। यह दिन दुनिया भर में सुरक्षा और सुरक्षा सम्बंधित सेवाओं के लिए समर्पित होता है। इस दिन को मनाकर हम अपने समुदायों, शहरों और देशों की सुरक्षा बढ़ाने का वचन लेते हैं।

विश्व नागरिक सुरक्षा दिवस का महत्व बढ़ता जा रहा है। आज हम सभी यह जानते हैं कि सुरक्षा एक अति आवश्यक विषय है और हमारे जीवन के लिए बेहद महत्वपूर्ण है। इस दिन को मनाकर हम सुरक्षा की जिम्मेदारी को स्वीकार करते हैं और यह सुनिश्चित करते हैं कि हम समुदाय की सुरक्षा को बढ़ाने के लिए एकजुट हो जाएं। विद्यार्थियों ने सभा में उत्साहपूर्वक भाग लिया।

जैन हेरिटेज ए कैंब्रिज विद्यालय में 1 मार्च को विश्व नागरिक सुरक्षा दिवस पर विशेष सभा का आयोजन किया गया। अनुतारा ने सभा का संचालन किया, प्रीतम ने शपथ दिलाई, रोहिता ने नागरिक सुरक्षा दिवस पर सुंदर विचार के साथ अपने विचार व्यक्त किए। जेसिका ने शब्दावली में एक नया शब्द जोड़ा। विद्यार्थियों ने विश्व नागरिक सुरक्षा दिवस के माध्यम से सुरक्षा और सुरक्षा सम्बंधित सेवाओं के बारे में जागरूकता फैलाई। इस दिन को मनाने के माध्यम से अपने शहरों और समुदायों को जोखिमों से बचाने के लिए उन्हें समुचित तैयारी करने और सुरक्षा के संबंध में जागरूक किया।

अंत में, विश्व नागरिक सुरक्षा दिवस राष्ट्रीय सुरक्षा सुनिश्चित करने और आपात स्थितियों को कम करने में नागरिक सुरक्षा संगठनों की महत्वपूर्ण भूमिका की याद दिलाता है। यह दिन लचीलेपन और तैयारियों की संस्कृति का निर्माण करने का अवसर प्रदान करता है और दुनिया भर में नागरिक सुरक्षा कर्मियों की उपलब्धियों और बलिदानों को उजागर करता है। आइए हम इस दिन नागरिक सुरक्षा संगठनों के प्रयासों का सम्मान करें और उनकी गतिविधियों में समर्थन और भाग लेने का संकल्प लें। विश्व नागरिक सुरक्षा दिवस हमें सिखाता है कि हर एक का जीवन अनमोल है।

## Assembly Presentation By Grade V B Topic: Success

**Success is Not Final, Failure is Not Fatal: it is the Courage to Continue that Counts.**

Success is a term that is often associated with achievement, accomplishment, and the attainment of goals. It is a concept that is highly valued in our society and is something that many people strive for throughout their lives. However, success can mean different things to different people, and what one person considers success may not be the same as another person's definition of success.

At its core, success is about setting goals and working towards achieving them. It requires dedication, hard work, and perseverance, as well as a willingness to learn from mistakes and setbacks. Success is not something that is handed to you on a silver platter - it is something that you have to work for and earn.

To put an emphasis on importance of success, students of Grade V B conducted an assembly on 02/03/2023 & 04/03/2023 on the topic "Success". The assembly started with the prayer followed by the school song. Students shared motivational thoughts, words and articles to make everyone realize the real meaning of success. Then the students updated everyone on what is happening around the world with the news. Students realized that there is no shortcut to success, only hardwork will help us to achieve their goal. The assembly was concluded by singing the national anthem.

-Ms. Nishita

## Assembly Presentation By Grade VI A

### Topic: World Wildlife Day

**Our actions today will determine the future of wildlife tomorrow.**

World Wildlife Day is celebrated annually on March 3rd to raise awareness about the importance of protecting and conserving the world's wildlife. The day was established by the United Nations General Assembly in 2013, and each year, it focuses on a particular theme related to wildlife conservation. This year's theme highlights the importance of forests in supporting both wildlife and human communities. Forests provide habitats for thousands of species, and they also play a vital role in mitigating climate change by absorbing carbon dioxide from the atmosphere. Emphasizing on this students of grade VI A conducted a special assembly on 3rd March, on the topic "World Wildlife Day".

Prayer is necessary if we are to comprehend God and recognize His existence with our bodies, minds, and intellects. The assembly began with the prayer followed by the school song. Pledge was administered by the students with pride followed by a new word and thought. The article emphasized on how we can contribute to the conservation of world life, reduce our consumption of products that contribute to deforestation. Students also mentioned about a few major threats faced by wildlife populations around, such as- habitat loss, climate change, poaching and illegal wildlife trade etc. The assembly was concluded by singing the most prestigious song, our national anthem. Overall the assembly on world wildlife day highlighted the critical role that wildlife plays in our planet's health and sustainability. It is an opportunity for individuals and organizations to come together to raise awareness about the threats facing wildlife and to take action to protect them.

Grade VI A

## Assembly Presentation By Grade X and IX Topic: Reflections

**“The present changes the past. Looking back you do not find what you left behind.”  
— Kiran Desai**

Reflecting on the past year at school, I can say that it has been a challenging but ultimately rewarding experience. Students and teachers, returning to a physical school environment after a prolonged period of remote learning posed unique challenges. Many students struggled with readjusting to the rigors of the traditional classroom setting, many students were excited to return to a physical school environment and reconnect with their classmates and teachers. The socialization and peer-to-peer interactions that physical schools provide were sorely missed during the remote learning period.

To remember and reflect on significant events in one's life, reminiscence involves sharing thoughts and emotions of one's experiences. The past's tales serve as a source of encouragement, optimism, and faith that our heritage will be upheld. From 6th to 10th of March 2023, students of Grade IX and X conducted the morning assembly on the topic “Impressions of the previous year”.The assembly was initiated by praying to the Almighty and singing the renowned school song. It was followed by the national pledge, inspirational thought and glorifying words. Looking back, reminiscing about happy moments is not optional, it's a choice. In order to define our identity in the present, we must be able to reflect and recall who we were in the past. The assembly concluded on this very note.

-Arunima  
Grade X

# Holi Celebration

The student assembly performance of Grade VI on 7th March for Holi festival was an exuberant and colorful event that left the audience mesmerized. Holi is a popular festival in India that signifies the victory of good over evil, and is celebrated by people of all ages and backgrounds. It is a vibrant and colourful celebration of the festival of colours.

The students shared thought, word for the day and article highlighting the cultural significance of the festival.

Students of grade VI dressed in traditional Indian attire and performed a dance on a beautiful melody. The dancers' movements were perfectly synchronized, and their expressions conveyed the emotions of the song. The audience was captivated by the graceful movements of the performers.

Following the dance, the stage was transformed into a colorful and vibrant setting, with students dressed in bright and festive clothing for a song performance. The audience joined in, creating a joyous atmosphere.

Overall, the student assembly performance for Holi festival was a huge success. The students showcased their talent, and the audience had a great time celebrating the festival. The event was a perfect representation of the inclusivity and diversity in India.

The assembly concluded with students putting colors on teachers' foreheads. Principal Dr. Mona Mehdi addressed the gathering and wished all the teachers and students a blissful and a colorful holi.

Ms. Anunidhi Sharma

# Women's Day Celebration Mother & Child Competition

International Women's Day is an annual occasion celebrated annually on March 8. This day brings many things for women – a cause for celebration, a reason to pause and re-evaluate a remembrance, an inspiration and a time to honour, loved and admired. To honor womanhood, Zeal JHCS Kondapur has celebrated the International Women's Day on Thursday, 9th March, 2023. The day started with a special assembly presentation by students of Grade IX & VI. The students presented a beautiful goodie pack for all the female staff members.

“ Best out of waste “ competition was organized for Mother & Child for the students of Grade I to V. The idea behind this competition was to display the bonding between mother and child and means creating something useful and innovative from items that would otherwise be thrown away. The competition focused on bringing an understanding among the children about preserving the environment by reusing and recycling waste material. Fantabulous ideas were demonstrated using material like grapes stem, old CDs, used plastic bottles, ropes, ice cream sticks, bangles, shoe boxes etc.

“No fire cooking “ competition was organized for Mother & Child for the students of Grade VI to X. The idea behind this was to provide a platform for the students to foster their creativity and decision making skills and also help them explore their hidden talents and discover new areas of interest.

Mothers along with their ward participated in the competition with full zeal and enthusiasm and pushed everyone to believe that where there is a woman, there is Magic.

Ms. Shuchita Malhotra

**Assembly Presentation By Grade IV A & B and III A**  
**Topic: Being A Good Human Being**

**“Become a good human being first, everything else will follow.”**

Part of being a good person is not being judgmental. You accept everyone, no matter what race, age, sexual orientation, gender identity, or culture they are. We should be respectful of elderly people. Being good means that you will be courageous and brave. It gives the ability to speak the truth. It helps to assess risk, spot traps, and seize opportunities to be successful.

To mark the significance and importance of “Being a Good Human Being” the students of Grade III & IV conducted the assembly from 13<sup>th</sup> to 18<sup>th</sup> March, 2023. The students came up with good thoughts, recited wonderful poems, and presented motivating articles in the assembly. They gave the tips to inculcate the values of being a good human being. The assembly was concluded by singing National Anthem. The assembly ended very smoothly with an inspiring quote.

Ms. Jyoti

**Assembly Presentation By Grade II A & B and V A**  
**Topic: Happiness**

**“Happiness is not something you postpone for the future; it is something you design for the present.”**

Happiness is basically a state of mind. It can only be achieved by being positive and avoiding any negative thought in mind. And if we look at the bright side of ourselves only then we can be happy.

Aristotle was one such philosopher who wrote at length about happiness. He believed that happiness depends on our own self. As per him, happiness is the main purpose of human life. He has presented the theory of happiness in one of his most influential works, Nicomachean Ethics. This theory of Aristotle holds relevance even in today’s scenario. As per him, happiness is the end that meets all the needs. He states that almost everything we desire, be it good relationships, money, success or power is because we believe that these will make us happy. This is to say that everything else is just a means towards attaining happiness and happiness is an end in itself.

To mark the significance and importance of “Happiness”, the students of Class II A/B and V- A of JHCS Kondapur, conducted the assembly on 20<sup>th</sup>, 23<sup>rd</sup> & 25<sup>th</sup> of March, 2023 with utmost zeal and enthusiasm. The assembly started off with the prayer followed by our inspiring school song. Students took pledge with pride to be responsible citizens. The students emphasized on the importance of “Happiness” through meaningful words, inspirational thoughts and enlightening article.

It was an informative assembly that was conducted with an objective of educating students about the importance of “Happiness.”

-Ms. Sweta

## Farewell For Grade X (2022-23)

**“Graduation is an exciting time. It’s both an ending, and a beginning; it’s warm memories of the past and big dreams for the future.”**

May the road rise up to meet you. May the wind be even at your back. May the sun shine warm upon your face and the rain fall softly on your fields. And until we meet again, may God hold you in the hollow of his hand.

JHCS KP, echoed with the blessings on the morning of 24th March, when the JHCS KP Family came together to bid adieu to the outgoing 2022-23 batch of Grade X. It was a morning of mixed emotions for everyone to witness the official send-off for the students of Grade X. The day was a fiesta devoted to the years spent together with friends and teachers to reminisce joyous moments. Students of Grade IX organized farewell party with great enthusiasm and of course endeavored to leave a trail of nostalgia behind.

The students of 2022–2023 arrived that morning, dressed to the nines, in the midst of a gorgeous sunrise. Young gals radiated in vibrant sarees, while boys conducted themselves impeccably in suits. The Farewell was an emotional roller coaster. Our Principal and all the senior teachers lit the lamp. The JHCS KP stage was set on fire as our Grade X students walked the ramp with their brio and exuberance and competed for Mr. & Ms. JGI title. Following that, our respected principal, Dr. Mona Mehdi, the coordinator, Ms. Shuchita Malhotra, and the senior-coordinator, Ms. Kavitha R, gave an address that was both inspiring and motivating. This did in fact inspire all of us. The school's head boy, Kartik Dixit, spoke about his 13 years journey at JHCS KP, including his adventures, memories, and lessons learned.

The graduates' rolls were then presented to the pupils. "Mr. and Ms. JGI" title was awarded to Nitin P. and Swara. Following Grade X students, Nitin and Ananya gave a lovely and melodious performance, Grade X student Rushil performed a medley of songs. It was really refreshing and made all of us emotional. Grade IX students performed an upbeat dance number. Towards the end of their performance, they called upon their graduating seniors to come up and dance for an open-stage performance. Few energizing games were organized for the outgoing batch. The students returned to the dance platform after regaining their energy and danced enthusiastically to the DJ.

Everyone said their goodbyes, posed for pictures, and returned gifts were given as the event came to a close. Even though it came to an intense conclusion, everyone went home happy for having met everyone and for having had a wonderful day.

Wherever you are, you will always be in our hearts.

-Ananya  
Grade IX

## View The Review

"Rodrick Rules" by Jeff Kinney is the second book in the popular "Diary of a Wimpy Kid" series, and it continues the hilarious and relatable adventures of middle-schooler Greg Heffley.

The story revolves around Greg and his older brother, Rodrick, who is the classic teenage slacker and always up to no good. Rodrick has a band and spends most of his time practicing with his bandmates, but he also enjoys tormenting his little brother, Greg.

Throughout the book, Greg navigates the ups and downs of middle school, dealing with bullies, trying to impress a girl, and trying to fit in with the popular crowd. Meanwhile, Rodrick continues to cause chaos, often leading to hilarious situations.

Overall, "Rodrick Rules" is a fun and entertaining book that will keep readers laughing from start to finish. With its relatable characters and hilarious situations, it's no wonder that the "Diary of a Wimpy Kid" series has become a beloved classic for both children and adults alike.

-Sri Vallabha  
Grade VI B

## Alumni Speaks

Hi! I'm Anasuya and I'm a dentist. Now, I'm doing my master's in public health from London School of Hygiene and Tropical Medicine. It is a very exciting field to work in, with a lot to learn and much to contribute to. I urge you guys to find out more about this field. Public Health was not something that I wanted to pursue from the very beginning. I personally was always confused about what I wanted to do. I changed my subject stream from Commerce to Science in 11<sup>th</sup> grade. I did my bachelors in dentistry and decided I didn't want to get into the clinical side of it. In midst of it all, I realized how much job satisfaction mattered to me and public health made the most sense.

There's an array of things that a public health professional can do. You can get into policy making, research, charity works, organizational management and so much more. Its important to understand that the health system in any country is not just doctors and clinicians. There are many more ways to make positive contributions to the health of the population.

I'd also love to take this opportunity and show my appreciation for Jain Heritage. I've been in many schools in my life because of the nature of my father's job and JGI was one of them. I only spent 2 years in JGI but my fondest memories of school life are from there. I made the best of friends, met the best of teachers. I truly cherish the time I spent there.

-Anasuya  
JGI Alumni

## Celebrations galore with mothers on Women's Day

International Women's Day is a cause for celebration and JHCS Kondapur honoured womanhood by conducting a special assembly presentation, and activities involving the mothers of students.

Several competitions were held including "Best out of Waste" for students of classes I to V with the students teaming up with their mothers. The idea behind this was to display the bonding between mother and child and creating something useful and innovative from items that would otherwise be thrown away. The competition focused on bringing an understanding among the children about preserving the environment by reusing and recycling waste material.

Interesting ideas were
