

THE MONTH IT WAZ.... (October 2023)

Quotable quote: "Strength does not come from physical capacity. It comes from indomitable will" -Mahatma Gandhi

Assembly Presentation by Grade II B Topic: World Vegetarian Day

"You don't become a vegetarian by force, you become one by choice.... So always make a better choice for a healthier and happier life ahead"

World Vegetarian Day is celebrated to emphasize environmental considerations, animal welfare and rights issues and personal health benefits to encourage people to stop animal killings. A vegetarian diet focuses on vegetables, seeds, legumes, fruits, nuts and grains and also includes animal products such as eggs, dairy and honey, that are obtained without involving the death of an animal or the

consumption of its meat. World Vegetarian Day is the perfect occasion to learn about the health benefits of following a vegetarian diet. The Students of Grade II B at Jain Heritage a Cambridge School, Kondapur, presented an Assembly on the occasion of "World Vegetarian Day". Saadhvi Guptha, the anchor, initiated the assembly by stating the significance of the day. The assembly started with prayer followed by the school song. The pledge to become responsible citizens of India was administered with conviction by Aaryaman.J. An enriching thought was shared by Jhansi.M . Ridaya Sree delivered the word of the day enhancing the vocabulary of the students by sharing the meaning of the word "Vegan". Trishika.M shared an article on health benefits of following vegetarianism. To mark the culmination of the morning assembly, everyone sang the national anthem reminding us to uphold our country's pride.

Assembly Presentation by Grade VIII A Topic: World Teachers' Day

“Good teachers are the reason why ordinary students dream to do extraordinary things.”
World Teachers' Day is celebrated on 5th October every year to honor and appreciate the contributions made by teachers worldwide. This day is a reminder of the critical role that teachers play in shaping the future of generations. Teachers are the backbone of the education system; their commitment and dedication have a significant impact on the lives and future of their students. Through their guidance, they help young minds develop and prepare them for the challenges that lie ahead. To mark this day, the students of Grade VIII conducted a special assembly, for it's a moment to celebrate, honor and appreciate our educators who enabled us to reach our full potential. Rohitha lead the morning assembly. The day started enthusiastically with the prayer followed by the school song. The pledge was administered by Nakshatra followed by an enlightening thought

by Mahita. To enhance vocabulary, the word of the day was shared by Vyshnavi. Sanvi presented a poem to highlight the significance of the day. Everyone sung the National Anthem to close the day's thankful assembly. We thank our teachers for their hard work, dedication, and commitment to the students' success and also for ensuring a bright future for generations to come.

Ms Rohitha - Grade VIII A

Assembly Presentation by Grade VI A Topic: Indian Airforce Day

“The Indian Air Force is a symbol of our country's strength and power. It is a force that is to be reckoned with.”

The Indian Air Force is a strong and formidable air force. Our Air Force is the fourth-largest in the world. It is celebrated on October 8 every year as National Air Force Day, to commemorate the founding of the Indian Air Force. The air arm of the Indian military is known as the Indian Air Force or Bhartiya Vayu Sena. Their main responsibility is to defend Indian airspace in the event of a conflict. Every year, Air Force Day is observed to raise public awareness of the Indian Air Force. The Indian armed forces' motto, "Touch the Sky with Glory," was adopted from Srimad Bhagavadgita's eleventh chapter. The day serves as inspiration for many youngsters to join the force, it is one of the main reasons it is celebrated as IAF day. On this day everyone comes together to pay tribute to the Air Force, regardless of their social class or gender. Students of Grade VI A from JHCS Kondapur held an assembly on Indian Air Force Day on October 7th, 2023 to raise awareness about its importance. The assembly started with the prayer followed by the school song. Reyansh and Veda were the anchors of the day and pledge was administered by Venkat. To increase our vocabulary, we had Aaron with the new word of the day. Everyone says that beautiful thoughts build a beautiful soul, so we had Veer Shiva Reddy with us to tell the thought of the day. An article was presented by Kunwar. Updating us with every news in the reality is very interesting and can be used in the future. To update us, we had Jeevana Shruti with the news. The assembly was then concluded with the national anthem.

Master Kunwar – Grade VI A

Assembly Presentation by Grade III B Topic: Failure to Success

“ Failure is the key to success. Each mistake teaches us something”

Failure is life's greatest teacher. It builds your character and humbles you. Failure is suspended success until the right moment, but in the meantime, you must work hard, think hard and be consistent. In every process of reaching a goal, you will encounter challenges. Sometimes, not all challenges lead to success, but when you accept failure as part of the process, you will be encouraged to never give up. Try again and again and again until you reach your goal. Failure is a part of life. You get knocked down by life sometimes, but how you react is what matters. Every failed attempt gives you an idea of what doesn't work and what should work. Don't think that every successful person just had luck on their side. Many people only focus on their success, not on their many years of struggle and repeated failures.

On 9th September 2023, students of grade III B presented an assembly on the topic “Failure to Success”. The assembly started with prayer followed by the School song. Pledge was administered by Sameeksha. The word and thought for the day were beautifully articulated by Svastir and Aarush Agarwal respectively. Virat explained the success story of Dr APJ Abdul Kalam. From the success story of Dr Abdul Kalam students learned that “ winners are those who never fail but those who never quit”. Overall Assembly went well.

Ms Jyothi. G
Mathematics Department

Assembly Presentation by Grade VII B Topic: International Day of Girl Child

Girl child is the sweetest blessing and the most beautiful creation of God.

The International Day of the Girl Child is a globally recognized observance held on October 11th each year to promote the rights and well-being of girls around the world. This day aims to raise awareness about the challenges and inequalities that girls face, and also celebrates their resilience, achievements, and potential. It serves as a reminder that girls, regardless of their background or circumstances have the right to education, healthcare, safety, and equal opportunities. By highlighting the importance of empowering girls and ensuring their voices are heard, the International Day of the Girl Child contributes to creating a more just and inclusive world where every girl can thrive and reach her full potential. It is a day to advocate for gender equality and to work towards a brighter future for all girls. This was a very creative assembly conducted by the students of grade VII-B. In this assembly the students of grade- VII B explained about the importance of the life of Girl Child. Anaya Shukla presented a wonderful article about the Awareness of protecting Girl Child. Thought for the day and Word for the day was presented by Ilina and Nathan. The assembly was led by Lassya from grade VII B, and made everyone to understand the importance of gender equality and to work towards a brighter future for all girls.

Assembly Presentation by Grade IX

Topic: Dussehra Celebration

“The more you praise and celebrate your life, the more there is in life to celebrate.”
- Oprah Winfrey

On the 13th of October, 2023 the students of JHCS Kondapur conducted a special assembly on the auspicious occasion of Dussehra. The assembly commenced with the prayer, where we prayed to the almighty to bless us with a productive and enjoyable day, in mark of this momentous celebration. The prayer was followed by Vande Mataram to showcase the patriotic spirit filled within us. We were then

refreshed with a thought by Rishank to keep in mind, as the day went on and a word by Sahiti which helped us broaden our vocabulary. These were

then followed by an enlightening article about the significance of Dussehra and Batukamma by Narasimha and Sahasresh of grade IX. This was then followed by multiple enjoyable cultural events such as - melodious songs sung by the students of grade IV,V and VI; a graceful performance on “Aigiri Nandini” that lit up the stage

presented by the students of grade IX, a showcase of the traditional Batukamma dance had embraced our culture, devotional shlokas were recited and finally we all had seen the Nava Durgas. Ms. Kavitha explained to the students about the auspicious festival, with real life examples, experiences and illustrated about Batukamma festival. The assembly was finally concluded by singing the National Anthem. Later, during the afternoon session all the grades assembled in the school ground and had a gala time dancing to the tunes of Dandia music and Batukamma. This indeed educated the students about the importance of Dussehra through not only riveting articles but also cultural performances which was truly enlightening to all.

Mid Term Faculty Training Programme

"An investment in knowledge pays the best interest." - Benjamin Franklin

JHCS Kondapur hosted an offline, three-day Mid Term Faculty Training Program on "Forge Ahead" for the staff members of the Kondapur, Shamirpet, Banjara Hills, and Nizampet branches. The Academic Council has embarked upon a worthy project. The goal of this FTP is to prepare instructors who can give students top-notch academic content and to strengthen individual academic strengths so that information and education can be imparted to students in a

genuine way. The FTP was created with the goal of preparing teachers to deliver top-notch academic content to students and bolstering the leadership of the council, which was headed by Dr. Chandra Shekar D P, President Academic Council, CEO JGI Schools, Secretary Academic Council, Dr. Mona Mehdi, Joint Secretary Academic Council, Ms. Lalitha Kosaraju.

Day 1 of the session started with the lighting of the lamp and Secretary Ms. Mona Mehdi's introduction. She underlined how crucial these training programs are. The next step was a meditation that Ms. Poonam lead. This had given us newfound energy. The background had been expertly established by our esteemed CEO of JGI Schools and President of the Academic Council, Dr.

Chandrashekar DP. A few key points he covered were the significance of FTP,

how these programs foster professional development, the need to acknowledge each child, the need to smile and maintain eye contact, etc. All minds were focused on the following session, which was led by Mr. Ravichandran and covered "The Art of Assertive Classroom Management." Through interesting exercises, he expertly taught educators assertive communication strategies while emphasizing the several types of communication.

Following lunch, all of the educators were able to learn about revising lesson plans in both hard copy and digital forms thanks to a session presented by Secretary Academic Council, Dr. Mona Mehdi titled "Lesson plan - The Next Level."

On the second day, Mr. Rakesh Rathode gave an enlightening talk on "First Aid" after a revitalizing meditation exercise. Getting teachers the skills and self-assurance needed to offer potentially life-saving aid is the goal of this session. These abilities are

definitely thought to be extremely valuable in people's daily lives.

Ms. Raheela

Tabassum's next session is titled "Feedback for Effective Teaching and Learning" was awe inspiring. The objective of this session is to improve instruction by highlighting the value of constructive criticism and how it affects the advancement of education.

A resource person from ECE then conducted a POC

session with the goal of ensuring children's safety by outlining guidelines and preventative measures. "Model Teaching," which

offered opportunities, was the most fascinating session of the day.

A soothing meditation exercise preceded an engaging peer learning session known as "Model Teaching" on day three.

The joint secretary of the academic council, Ms. Lalitha Kararagu, led an amazing and enlightening session on "Teamwork", which is a crucial trait that workers should possess. An awards ceremony to recognize the teachers' hard work marked the end of the day. Teachers have rejuvenated their energy by participating in bathukamma

celebrations, which indeed had filled the atmosphere with festival fervor.

Encouraging academic performance and teaching abilities in the teachers was greatly aided by this extensive training program.

Ms Shireesha
Science Department

Exploring Incredible India

"Whispers of History: JGI Kondapur's Grand Sojourn Through India's Majesty"

From 15th to 19th of October, 2023, the students of JGI Kondapur embarked on a captivating and enriching educational journey, exploring the historical wonders of India. The trip took us through the heart of the nation, encompassing Delhi, Agra, Fatehpur Sikri, and Jaipur.

Our expedition began on 15th with a panoramic tour of Delhi followed by a visit to the famous Akshardham Temple. The mandir is a humble tribute to Bhagwan Swaminarayan, the avatars,

devas and great sages of Hinduism. We saw statues of Lord Buddha, Lord Krishna, Lord Shiva and Lord Ram. Then we went to the open auditorium for a water-light-and sound show. With that our Day 1 ended.

We started our morning on Day 2 with a delightful breakfast at the hotel, enjoying tea, fresh juices, and coffee. The day's itinerary included exploring historical places in Delhi, despite many being closed due to it being a Monday. Our first stop was the bustling Red Fort, where the aroma of street food filled the air. The massive fort, preading over 255 acres, showcases a mix of architectural styles. Next, we headed to the iconic India Gate, crossing Delhi's traffic through a tunnel. It's a sandstone arch dedicated to troops of British India who served during wars from 1914 to 1919. Our journey continued to the impressive Qutub Minar, a five-storey red sandstone tower with a rich history. We couldn't resist capturing the photogenic walls and entrances before heading to Agra.

On the 17th, we saw the magnificent Taj Mahal. The Taj Mahal was designated as a UNESCO World Heritage Site in 1983 for being "the jewel of Muslim art in India and one of the universally admired masterpieces of the world's heritage". It is regarded by many as the best example of Mughal architecture

and a symbol of India's rich history. Wah Taj!
Then we headed to the Agra Fort. Agra Fort is a historical fort in the city of Agra in India. It was the main residence of the emperors of the Mughal Dynasty till 1638, when the capital was shifted from Agra to Delhi. With that Day 2 concluded.

On the 18th, we started our morning off with a short trek at Amer fort. Amer Fort is known for its artistic style elements. With its large ramparts and series of gates and cobbled paths, the fort overlooks Maota Lake, which is the main source of water for the Amer Palace. We also saw the Sheesh Mahal. Sheesh mahal, also

called the mirror palace, is one of the refined magnificent pieces of architecture built with beautiful precious stones and glass, coated with beautiful handmade paintings. We then saw the Jaipur City Palace. The City Palace, Jaipur is a royal residence and former administrative headquarters of the rulers of the Jaipur State in Jaipur, Rajasthan. Our last stop for the day was Bapu Bazaar. At the bazaar we saw many of the traditional jaipur artworks. Famous for its leather products and Mojari shoes that are made from camel leather, Bapu Bazaar also sells exclusive handicrafts, fragrance, attar, lehengas, colorful sarees and unique sandstone artifacts. We saw many unique handicrafts. We returned back to our hotel to have a DJ Night as a parting memory.

The educational tour to Delhi, Agra, Fatehpur Sikri, and Jaipur was a memorable and educational journey for the students of JGI Kondapur. It opened their eyes to the rich tapestry of India's history and culture while fostering values of teamwork, leadership, and communication. As they returned home on the 19th, they carried with them not just memories but a deeper understanding of their country's heritage.

Ms Annaya Nair
Grade IX

Assembly Presentation by Grade V B, VI B and VII A Topic: Self-Study

“Self-study, in a sense of learning by yourself without anybody teaching you anything, has an enormous value.”

— Robert Kraft

Our students from grade V-B, VI-B and VII-A presented the theme "Self-Study" during the morning assembly on October 26, 27, and 28, 2023. They gave us a chance to reflect on the value of encouraging self-study.

The assembly started with the morning prayer followed by the school song. The anchoring was done expertly by Amrutha (V B), Chaitrika (VI B) and Durga (VII A) and the pledge to be a responsible citizen of India was administered by Tanvi (V B), Anirudh (VI B) and Veekshitha (VII A) on the respective days.

Siddhi (V B), Medha (VI B) and Lakshita (VII A)

shared the thought while Tanya (V B), Ayush (VI B) and Akshara (VII A) presented word of the day during the three day “Self-Study” assembly fest.

The students emphasized that self-study is a highly individualized process, and our approach to learning may vary depending on the subject and personal learning style. They motivated their fellow mates to stay disciplined, curious, and enjoy the process of self-discovery and growth in order to achieve their goals.

The assembly concluded by singing the national anthem. Through this morning assembly presentation, students understood the importance of self-study.

Ms Kavitha M
Science Department

Assembly Presentation by Grade VIII A

Topic: Aspirations

Achievement is largely the product of steadily raising one's level of aspiration and expectation.

- Jack Nicklaus.

Aspirations are dreams, hopes, or ambitions to achieve a life goal. They can be thought of, as predominant life goals, that can help provide a sense of purpose and direction. Aspirations are often deeply personal and can include goals related to career, relations, personal growth, well-being contribution to society and etc. To represent the significance of aspiration, students of grade VIII A, have conducted an assembly on aspiration on 30th of October 2023. The day started lively with spiritual prayer followed by the school song. The anchoring for the assembly was done by Vyshnavi. The pledge was executed by Jaiveer and an educational thought was read by Khushi. To enhance the vocabulary, a word was presented by Amuktha. An informational

article on aspirations was conveyed by Geethika, then the news was reported by Yadarth. As the assembly came to an end, the national anthem was sung with honor.

Ms Jessica & Unnathi

Grade VIII A

Assembly Presentation by Grade IX B

Topic: Ekta Diwas

Ekta Diwas, or National Unity Day, is a significant occasion in India that commemorates the birth anniversary of Sardar Vallabhbhai Patel, the Iron Man of India. It is celebrated on October 31st each year to promote unity, integrity, and the spirit of oneness among the diverse communities of our nation. Sardar Patel played a pivotal role in uniting the princely states to form modern India. Students of grade IX B have conducted a spectacular assembly on this special day "Ekta Diwas"

The assembly began with the prayer followed by our prestigious school song. Pledge was administered with pride by Bhavna. Spectacular word was shared by Shrinika helped us to enhance the vocabulary. A thought provoking thought shared by Aneesh had brought in a patriotic feeling amongst everyone. Article shared by Shasrad made every one understand the significance of the day. Song sung by Sudarshan filled all the hearts with pride and devotion towards the nation. The assembly ended by singing the national anthem.

On this day, we all were reminded of the importance of staying united as a nation. Just as Sardar Patel integrated the country, we must work together, regardless of our differences, to build a strong and prosperous India. Let us celebrate this day with the resolve to keep India united, strong, and harmonious.

A Pledge for a Cleaner Tomorrow: "Ek Tareekh Ek Ghanta Cleanliness Programme"

We at JHCS Kondapur encouraged students and staff to participate in the "Ek Tareekh Ek Ghanta Cleanliness Programme" in order to instill the value of a greener and cleaner future. This programme motivates each student and staff member to set aside some of their daily time to maintain the hygiene in their surroundings. We can make the world cleaner, healthier, and environment friendly by working together .Let's work towards a sustainable future.

CBSE Training Programme

As part of CBP of CBSE, faculty members of JHCS Kondapur attended workshops on " Financial literacy and use of Digital tools" at Maharishi Vidya Mandir School, Kondapur, Telangana.

Alumni Speaks

Hi everyone! Greetings!

I am Smriti Yanamadala, currently a first-year student at Osmania Medical College, Hyderabad and a proud alumna of our very own JHCS, Kondapur, Hyderabad.

I can't adult today. Please leave a message and I'll get back to you...maybe.

This should give you an idea about life after the glorious days of schooling. I remember first stepping into the campus back in 2016. 11-year-old me

didn't know what to expect or what was in store for me but went in with an open mind and inviting arms. This school has provided me and countless other fellow students with opportunities and most importantly a 'platform' to showcase our uniqueness and further excel in self-specific aspects. Skills, attitude, ethics, communicativeness etc. are inculcated in students from the very beginning of their days here, which helps them stand out and be more prominent in their respective fields. My interest in science and social service especially in the healthcare field stemmed from my time spent here. All that I am today and all that makes me 'me', I owe it to JHCS for guiding me to walk on the right trail when faced with two roads diverged in a yellow wood. From having graduated the 10th grade in 2020 to having been allotted OMC was a ride where the learnings and values I have acquired in JHCS stayed with me throughout.

As Emily Dickinson once said, *Hope is the thing with feathers –*

That perches in the soul –

And sings the tune without the words –

And never stops – at all

I hope that my juniors and students of JGI never give up on achieving what their heart desires.

All the very best!!!

Thanks & regards,

Smriti Yanamadala

(smriti.yanamadala@gmail.com)

View the Review!

"The Hate U Give" by Angie Thomas is a powerful and thought-provoking novel that encounters the complex issues of racial inequality, police violence, and the solidity of the human spirit. "The Hate U Give" is a remarkable, emotionally charged novel that explores paramount themes with sensitivity and intelligence. It is a must-read for anyone who seeks to understand the ongoing struggle for racial equality and the resilience of those who fight for justice.

The story revolves around Starr Carter, a 16-year-old African-American girl who straddles two worlds: the poor neighbourhood, where she lives and the elite prep school she attends. When she becomes the sole witness to the fatal shooting of her childhood friend Khalil by a police officer, her life is irrevocably changed. Starr's journey to find her voice and stand up for her expired friend becomes the heart of the novel.

The novel excels in its portrayal of the broader issues of racial inequality and police brutality. Thomas does not shy away from difficult conversations, and the book offers an honest look at the impact of these issues on individuals and communities. She also delves into the media's role in shaping public perception. Angie Thomas's writing is not only influential but also authentic. She captures the unique voices and dialects of her characters, engrossing readers in the world she creates. The dialogue is sharp and often humorous, which balances the heaviness of the subject matter. These timely and important themes make "The Hate U Give" a crucial book for young readers and adults.

Awards & Accolades

Principal Dr Mona Mehdi congratulated Sai Saketh of Grade VIII for his outstanding artistic talent in 4th Telangana State level Cultivating Drawing Competition and receiving State level Consolation Prize of ₹ 500 Cash, Memento, Certificate of Excellence.

Principal Dr Mona Mehdi congratulated Riva Shah of Grade II for receiving grading certificate from Okinawa Martial Arts Academy

Principal Dr Mona Mehdi appreciated Sai Kruthi of Grade VIII for participating in Chandrayan-3 Maha Quiz and receiving an appreciation certificate

Principal Dr Mona Mehdi congratulated Hamsika of Grade IV for completing her three levels of Abacus and received A+ Grade

Principal Dr Mona Mehdi congratulated Trishika of Grade II for completing her two levels of Abacus and received A+ Grade.

Awards & Accolades

Durva Trivedi of Grade VIII and Bhavi Trivedi of Grade V were felicitated by the Principal Dr Mona Mehdi with a trophy for participating in Kuchipudi dance performance by Samridi School of Dance.

Principal Dr Mona Mehdi congratulated Vivaan of Grade IV for participating in Sakalakaal Sambaralu and winning the trophy and appreciation certificate.

Principal Dr Mona Mehdi felicitated Akshara Gunda of Grade VII with a shield for securing Grade 1 Piano in Graded Examination in music performance from Trinity College, London.

Principal Dr Mona Mehdi felicitated the teachers with 100% attendance badges for the month of October'23.

Jain Heritage School

Students of Jain Heritage A Cambridge

School celebrated Ganesh Chaturthi with great pomp and festivity. A special assembly was conducted which began with invoking the blessings of the Lord followed by the school song. Superb anchoring was done by Hamsika. The pledge was administered by Paarth while Keert-hana shared an illuminating thought related to the festival. The word of the day was read out by Rishinandan. A beauti-

ful article about Lord Ganesha in Telugu by Ananya and in English by Varun were read out. A melodious devotional song "Jai Ganesh" was sung by the students of classes III and IV which mesmerized the gathering. The atmosphere echoed with the hymns and was charged with festivity. Students of class III presented a fabulous dance to the song "Jai Ganesh Deva". The audience was enthralled by the captivating performances by the students.

Awareness session on World Rabies Day

Sirisha R, Jain Heritage School

Kondapur

JHCS Kondapur conducted an awareness session on World Rabies Day to make students understand about rabies, its fatality and the ways to prevent it.

Together with the teachers, students from classes V, VI, and IX conducted an educational assembly where they spoke about responsible pet ownership, vaccinations, and first aid procedures. They highlighted the topic through educational articles, speeches and skits.

The impact of rabies on the world and success stories of its eradication were highlighted in an engrossing "Nukad Natak" pres-

entation on the subject.

The children from classes I-V participated in a variety of activities, including a quiz and a poster-making contest, which promoted creativity and information sharing. The experience created a lasting impression and inspired students to take responsibility for public health and animal welfare.
