

THE MONTH IT WAZ.... (July 2024)

Quotable quote: "Gratitude makes sense of our past,
brings peace for today, and creates a vision for tomorrow."
- Melody Beattie

Assembly Presentation by Grade IX Topic: National Doctor's Day

"Medicine can cure diseases but
only doctors can cure patients."
-Carl Jung

On July 1st, the students of Grade 9 organized a special assembly to commemorate National Doctors' Day, marking the birth anniversary of Dr. Bidhan Chandra Roy, a distinguished physician and the second Chief Minister of West Bengal. The event was a heartfelt tribute to the dedicated medical professionals who selflessly serve our community.

The assembly began with a solemn

prayer, followed by the school song. Anutara, the anchor, led the proceedings with confidence and poise. The students then took the National Pledge, led by Dhruv, reaffirming their commitment to the nation and its values. Pritam and Santosh shared thought-provoking thought and a word highlighting the significance of doctors in our lives. Sai Abhishek's inspiring article presentation threw light on the selfless work of doctors and their contributions to society. The assembly showcased the students' creativity, teamwork, and appreciation for the medical profession. Our school salutes the dedication and hard work of all doctors and medical professionals who make a difference in our lives.

Assembly Presentation by Grade X A, III B, VI B

Topic: The Attitude of Gratitude

"Gratitude turns what we have into enough, and more. It turns denial into acceptance, chaos into order, confusion into clarity... it makes sense of our past, brings peace for today, and creates a vision for tomorrow."

The Grade X A, III A, III B and VI B students at Jain Heritage, a Cambridge School in Kondapur, organized morning assemblies on the theme "The Attitude of Gratitude" from June 2nd July to 5th July, 2024 in three different languages- English, Telugu and Hindi. The assembly started with anchoring by Tarun from Grade

XA, Mahavarnika from Grade IIIA, Trishika and Haruhi from Grade III B, Amrutha from Grade VI B that encouraged everyone to reflect on what they are grateful for. The assembly began with prayer and the school song.

The students and teachers then followed the pledge, instilling a sense of unity and patriotism by Saharsh from Grade XA, Loukya from Grade IIIA, Shreyasi from Grade IIIB and Suhas from Grade VI B. Following the pledge,

thought for the day was shared by Krithika from Grade XA, Dhruvisha from Grade IIIA, Rishika from Grade IIIB and Sathvikh from Grade VI B. Rishank from Grade XA, Rishith from Grade III A, Kyra from Grade III B and Advait from Grade VI B introduced us to a new word each day, expanding our vocabulary and understanding. An article on the importance of expressing gratitude in daily life was presented by Gokshetra from Grade XA and by Saranya from Grade VI B highlighting how it can positively impact our mental and emotional well-being. A beautiful poem was sung by Havisha from Grade III A and Divyaanshi from Grade III B. In keeping with our tradition, the national anthem was sung and the assembly ended on a high note filling everyone with a sense of pride and respect for our nation.

Throughout the week, these assemblies effectively reinforced the value of gratitude, inspiring everyone to cultivate an attitude of gratitude in their lives.

Session on Road Safety by Yi

"The driver on the highway is safe not when he reads the signs, but when he obeys them." - Aiden Tozer

Road safety is of prime importance for each of us whenever we are walking or travelling by any vehicle on the road. It also refers to the methods that we adopt to prevent traffic accidents. They are essential to maintain everyone's well being .

In order to create awareness among young children and teenagers regarding road safety, Jain Heritage A Cambridge School at Kondapur branch organized a session on "Road Safety" in association with Young Indians (YI Team) on 3rd July 2024. Ms. Purnima and Mr. Ashwin from Young Indians (YI Team) conducted the session. Besides making the children aware of road safety and traffic rules, the session also aimed at motivating them to follow them diligently.

This session was conducted in two parts. The first part titled "Farishtey" or "angels" was meant for the students of Grade VIII to X . The second part titled "Chota Cop" was for the younger children of Grade III to VII . The two sessions helped to spread awareness about the Good Samaritan Act. The purpose of the Good Samaritan Law is to provide legal protection to bystanders who come to the aid and rescue of road accident victims. The statistics of various types of road accidents were explained along with the reasons that lead to these accidents. Examples were given of various types of traffic violations and the penalties associated with them. This

session also covered HNOP (Horn Not ok Please). HNOP aims to reduce noise pollution especially in cities, by giving the message to use vehicular honks only when necessary.

It was a great opportunity for the students of Jain Heritage A Cambridge School at Kondapur branch, to be a part of such a wonderful initiative aimed at bringing positive change in society. The team members from Young Indians inspired the students to be responsible as Farishtey as well as Chota Cop to educate their parents, relatives and friends and always do the right thing by following traffic rules. It was an engaging, informative and enlightening session for the students. After the sessions came to an end, respected Principal, Dr. Mona Mehdi presented a plant to the YI representatives Ms. Purnima and Mr. Ashwin as a token of our appreciation.

Founder's Day Celebration

"Great leaders don't set out to be leaders. They set out to make a difference. It's never about the role, it's always about the goal"

On the 6th of July, our school came alive with a spirit of celebration, unity, and inspiration as we commemorated Founders Day with a series of engaging and meaningful activities. It was a day filled with reflection on our school's rich history, gratitude for our founder, Dr. Chenraj Roychand's vision, and excitement for the future that lies ahead. Throughout the day, various events and activities took place to honor our founder Chenraj Roychand Sir's legacy and celebrate the achievements of our school community.

The day began with a special assembly where students, teachers, and staff gathered to pay tribute to the founder of our school. Through speeches, performances, and presentations, we were reminded of the values and principles that have guided us since the inception of our institution. Students of Grade III presented a dance performance which was a joyous spectacle of rhythm and smiles, showcasing their enthusiasm and teamwork beautifully. The choir group's song

performance for Founder's Day was a harmonious tribute, filling

hearts with gratitude. It was a poignant and heartfelt moment as we reflected on the dedication and hard work of those who laid the foundation for the exceptional education we receive today.

A magic show was also conducted for the students of Grade I to III. The enchanting magic show for kids was a whirlwind of wonder and laughter. Each trick sparked gleeful applause and wide-eyed fascination, captivating young hearts and sparking

amazement. It was a magical afternoon where fantasy came alive, leaving cherished memories etched in every child's mind.

It is said that "The best way to find yourself is to lose yourself in the service of others". Dr Roychand is well known for his charitable work for the society. Walking in his footsteps, the students of our school donated some useful items of daily use such as pulses, rice, oil, flour, biscuits and many other ingredients that are essential. The students of Grade VIII and IX went to an orphanage and an old-age home respectively to offer the thoughtful and generous donations made by our supportive parents to the needy. It was an initiative taken with the help of the Sankalp

Foundation which is renowned for its unwavering commitment to social causes. They have established numerous initiatives aimed at uplifting marginalized groups, providing them with essential resources and opportunities for personal and professional growth. Their dedication to creating a brighter future for disadvantaged individuals sets a commendable example for the society. The students of Grade IX took the blessings of the old-age citizens. Students of both grades captured some precious moments to cherish in the future.

It was a moment of unity and pride as we celebrated our shared heritage looking forward to a future filled with promise and possibility. Founders Day was truly a day to remember—a day of reflection, unity, and inspiration that reminded us of the importance of honoring our past while embracing the opportunities of the future. We are grateful to everyone who participated in the celebrations and helped make the day a resounding success. Together, we will continue to uphold the legacy of Dr Roychand and strive for excellence in all that we do.

Master Tarun
Grade X - Head Boy

Assembly Presentation by Grade II A & B, III A & V B

Topic: Van Mahotsav - Celebrating Greenery

"Each Tree is a step towards a Greener World". Van Mahotsav, or the "Festival of Trees," is an annual tree-planting festival celebrated in India during the first week of July. Initiated in 1950 by the Indian government, the festival aims to create awareness about the importance of trees, their role in maintaining ecological balance, and the urgent need to conserve forests.

Van Mahotsav is not just about planting trees; it's about nurturing them. Ensuring the survival and growth of these saplings requires long-term commitment and care. As we celebrate Van Mahotsav, let us remember the

words of Rabindranath Tagore: "Trees are the earth's endless effort to speak to the listening heaven." By planting and protecting trees, we can help preserve the planet for future generations.

The Grade IIA, IIB, IIIA and VB students at Jain Heritage, a Cambridge School in Kondapur, organized morning assemblies on the theme "Van Mahotsav-Tree festival " from July 8th to 13th, 2024 in two different languages- English and Hindi. Reyanish Panda from Grade IIA, Priyansh from Grade IIB, Ayaan Eapen mobin from Grade IIIA and Paarth from Grade VB took on the role of anchors, commencing the assembly by highlighting the day's significance. The session began each day with a prayer and the school song, followed by a heartfelt pledge to become responsible Indian citizens administered by Mohammed Mihran from Grade IIA, Bhavesh from Grade IIB, Rishith from Grade III A and Aarush from Grade VB. An insightful thought was shared by Deepika from Grade II A, Shriram from Grade IIB, Sri Sai naga Vaishnavi from Grade III A, Anshuman from VB.

Shrita from Grade II A, Sathvik from Grade IIB, Havisha from Grade III A, Rishinandan from VB enriched students' vocabulary with the word of the day. An article was presented by Mahreen, Prabhav, Khushi, Aditi, Urvash, Riyansh, Likhita, Saarvi from Grade IIB. Vanmahostav slogans were presented by Pragati, Vihan, Nirvan Smruthi, Naira, Aarush and Ashvith from Grade IIA. Adal, Dhriti, Achyuta, Anish from Grade VB recited a beautiful Hindi poem and Divyaangshi from Grade IIIA recited a beautiful English poem that brightened up the moment. The assembly concluded on each day with the singing of the national anthem, reflecting on upholding the pride of our country.

Ms Shireesha
Science Department

Assembly Presentation by Grade V A

Topic: World Population Day

Sustainable development begins with sustainable population growth.

Students of grade V A conducted a special assembly on the occasion of "World Population Day" on 11th July 2024.

The special assembly was anchored by Sahasra. The pledge to be responsible citizens of India was administered by Kushi. Gayathri shared the thought of the day whereas Vivaan helped enhance the students' vocabulary by presenting the word of the day. A beautiful poem was recited by Hamsika. On World Population Day, we take a moment to reflect on the billions whom we share our planet with. Our global population is constantly growing and it does come with its challenges and opportunities. We have to work to face the challenges that come with the increasing population and find the solution to it.

We are also aware that the strain on resources like food, water and energy is undeniable. We should work together to ensure access to quality education, especially for young women and empower them to make wise decisions when planning for their families. When individuals get access to reproductive healthcare and education, they can make a bright future for themselves.

World Population Day is a call to action. By working together, we can build a world where everyone thrives and our precious planet can co-exist in harmony. The assembly was concluded by signing the national anthem with pride.

"Our planet has limits. Let's respect them by controlling population growth."

CCA – Origami for Grade I to V

An activity on Origami was conducted for the students of classes I to V on 11.7.2024 at JHCS, KP. Children participated in this creative venture with great zeal and high spirits. Origami is an art of paper folding. It is a complex activity steeped in history and tradition. It also has multiple physical and cognitive benefits for children. This form of art helps children to think creatively, improvise their concentration, fine motor skills and brain development and teaches problem-solving skills.

The children were amazed to see the transformation of a flat square sheet of paper into a finished sculpture through folding and sculpting. Budding stars created unique and exclusive shapes and structures to showcase their finesse in paper craft. They made house, fan, fish, flower, boat, butterfly, dog, bird etc. and displayed them with great pleasure and gratification. The Origami activity was not only a fun filled experience, but it also proved to be a valuable means to develop artistic skills in the young ones.

Van Mahotsav – Plantation Drive by JHCS KP

On July 12th, Jain Heritage a Cambridge School organized a successful Plantation Drive at Gautami Enclave Sports Ground, promoting environmental sustainability and social responsibility among its students. The event saw enthusiastic participation from students, teachers, and staff members, who collectively planted numerous saplings and pledged to contribute to a greener future.

The program was inaugurated by Principal Dr. Mona Mehdi, Mr. N Krishna Mohana Reddy, President of the community, Ms Shuchita Malhotra, Coordinator and Ms. Kavitha R, senior incharge. The primary objective was to sensitize students about environmental conservation, encouraging them to take

an active role in protecting the planet. The event also aimed at promoting environmental awareness, sustainable practices, and community involvement.

Students and staff members planted saplings in designated areas and conducted a "Save Trees, Save Environment" campaign. The event was a resounding success, with a renewed sense of environmental awareness among the students. Dr. Mona Mehdi, Principal, Jain Heritage A Cambridge School, expressed pride in the students'

ownership of their environmental

responsibilities, stating that such initiatives contribute to a greener future and shape the minds of future generations.

The Plantation Drive served as a valuable learning experience, inspiring students to become environmentally conscious citizens.

The event was a collaborative effort involving students and teachers all united by the common goal of making our environment greener and healthier.

Assembly Presentation by Grade III B & V A

Topic: Cultural Heritage & Traditions

"If we are to preserve culture, we must continue to create it"

Culture and tradition are the threads that weave together to form the intricate tapestry of human society. Culture refers to the shared values, customs, and practices of a particular group or community, while tradition refers to the passing down of these cultural elements from one generation to the next.

The Grade III B and V A students at Jain Heritage, a Cambridge School in Kondapur, organized morning assemblies on the theme "Cultural heritage and traditions" on July 15th and 19th, 2024.

Ridaya Shree from Grade III B and Reyansh from Grade V A took on the role of anchors,

commencing the assembly by highlighting the day's significance. The session began with a prayer and the school song, followed by a heartfelt pledge to become responsible Indian citizens administered by Jaideep from Grade III B and Goutam Kiran from Grade V A. An insightful thought was shared by Yanvi Sharma and Mythili Priya from Grade V A which encouraged children to ponder how culture shapes

our identities, influences our beliefs, and guides our behaviours.

Poorvansh from Grade III B and Siddharth S Kilari from Grade V A enriched students' vocabulary with the word of the day. A thoughtful article was presented by Ch.Rishika and Jaivant sai from Grade VA . Both the articles focused on highlighting how culture and tradition provide individuals with a sense of belonging and identity as well as help preserve cultural heritage and historical significance. The assembly concluded with the singing of the national anthem, reflecting on upholding the pride of our country.

Through this assembly students had an opportunity to learn how shared cultural practices and values foster unity and social cohesion. They also learned that cultural and traditional practices help in shaping our personal values and morals.

Ms Jyothi. G
Mathematics Department

Assembly Presentation by Grade VII A

Topic: Nelson Mandela Day

Education is the most powerful weapon which you can use to change the world.

On July 18th, the students of Jain Heritage Kondapur Class VII A gathered to celebrate a morning assembly on Nelson Mandela Day, acknowledging the service done by Mandela for the rights of black race. His birth anniversary, July 18, is celebrated all over the world as Nelson Mandela Day.

Reyansh Shetty and Jeevana Sruthi were our enthusiastic anchors who skillfully guided the proceedings, setting the tone for the assembly.

Venkat led the pledge to become model citizens of our nation, instilling a sense of responsibility among the students to treat every human being equally.

Yaswini then came up with an enriching 'thought of the day' which spoke volumes about the importance

of equality among human beings. Following this, Virat presented a word, providing meaning, antonyms, synonyms, usage of the word in a sentence which served to enhance the vocabulary of the students. A beautiful article that emphasized Nelson Mandela's contribution towards the black race and its community upliftment was presented by Veenadhari. A quiz on Nelson Mandela life and work was conducted by Amogh where the children enthusiastically participated.

In conclusion, the assembly reminded everyone that Nelson Mandela is a universal symbol of social justice. He was the first black President of South Africa and a civil rights hero. Every year on this day, people around the world honour his legacy by helping their communities and making the world a better place.

Session on Healthy Snacks by 'Cornitos'

Cornito is a brand synonymous with crunchy delights. With Cornito it's an exciting flavour journey in every bite! In a world which is replete with various snacking options, Cornitos stands out. Each crispy chip bursts with bold flavours. From spicy Jalapeno to tangy Sizzling Salsa, Cornito chips have something to satisfy every taste bud. They offer a variety of options which are healthy & made from natural vegetable extracts blended with flavours that make it healthylicious

On July 19, 2024, representatives from Cornito led a session on healthy snacks featuring Cornitos at Jain Heritage, a Cambridge school in Kondapur, celebrating their hugely popular products. They introduced multiple varieties of their new product: Cornitos Crusties. These crunchy delights are made from corn, nuts and pulses and they are baked, not fried, for a healthier option.

The representatives shared valuable insights about the importance of healthy eating. They even organized a fun game involving some of the students which everyone enjoyed. As a treat, they distributed sample packs of Cornitos to all attendees, spreading joy and flavour in every pack.

Ms Suchandra

Parent Teacher Meeting - I

The first Parent-Teacher Meeting (PTM) at school typically marks an essential milestone in the academic year, providing an opportunity for parents and teachers to come together to discuss a student's progress, strengths and areas for improvement. These meetings are crucial for fostering a collaborative environment between home and school, aiming to support the holistic development of the child. On 20th July, the first Parent Teacher Meeting of this academic session was conducted at JHCSKP. The progress reports were shown to the parents and their suggestions were noted. PTMs encourage parental involvement in their child's education, reinforcing the importance of home-school partnerships.

In conclusion, a school PTM is a collaborative effort aimed at nurturing a student's holistic development. By fostering open communication and mutual understanding, PTMs play a vital role in ensuring each student receives the support they need to thrive academically and socially.

Ms Jyoti Arora
Primary Incharge

Assembly Presentation by Grade VI A, B & VIII

Topic: Heroes Among us: Recognizing Everyday acts of courage

“A Hero is someone who always bails you out of your troubles in a smiling fashion.”

Heroes come in all shapes and sizes, and often the most inspiring ones are those who go unnoticed. These are the unsung heroes – the everyday people, who perform acts of courage and selflessness without expecting any recognition or reward. They may not have superpowers or wear capes, but their actions make a significant impact on the lives of people around them. The small acts of courage that happen every day make a big difference. It can be seen in the acts of a nurse who goes above and beyond to comfort a patient, a teacher who inspires and motivates her students, or a person who stands up to a bully. These small acts of courage may not seem like much, but they can have a profound impact on the lives of those around them.

To mark the significance and importance on the topic “Heroes Among us: Recognizing Everyday Acts of Courage”, the students of grade VI-A, VI-B & VIII conducted the assembly on 22nd, 23rd & 24th July, 2024. Taanya Batra from Grade VIA, Hamraj & Mokshita from Grade VIB and Ananya

Shukla from Grade VIII took on the role of anchors, commencing the assembly on each day by highlighting the day’s significance. The session began with a prayer and the school song, followed by a heartfelt pledge to become responsible Indian citizens administered by Nityasree from Grade VIA, Mohana Priya from Grade VIB and Ayesha from Grade VIII. An insightful thought was shared by Sai Akaanksha from Grade VIA, Amrutha from Grade VIB and Dev Rishi from Grade VIII. Rachit from Grade VIA, Sloka from Grade VIB and Vallabha from Grade VIII enriched students' vocabulary with the word of the day. An article was presented by Kyra from Grade VIB. The assembly was truly informative and thought provoking. The assembly came to an end with the singing of the national anthem.

Ms Swetha
English Department

CCA - Retro-themed Ramp Walk Competition for Grade I to X

"Style is when the inside is as beautiful as the outside you"

Imagine a blast from the past, where bell-bottom jeans, platform shoes, and neon colors reign supreme. Smashing smiles, vibrant attires and stellar performances enthralled the audience of JHCS Kondapur on 25th & 26th July 2024. Students of Grade I to X from JHCS Kondapur participated in the Retro-Themed CCA Ramp Walk competition. Our retro themed ramp walk was a fun and exciting competition where children were dressed in their favourite retro outfit, showcasing their personality and style. "Fashion has always been a repetition of ideas but what makes it new is the way you put it together." The audience got a glimpse of the fabulous energy that the kids showed on the ramp that was even better than some professional models. The children were given this platform to showcase their skills and nurture their interest in fashion and build confidence. Children are often extroverts in their own homes, but introvert outside. Activities like these change this. The aim of the ramp walk was to build confidence in the children and to make them feel special and keep them focused. Ramp walk is an amazing opportunity for the children to step out of their comfort zone and build confidence.

Ms Roja
CCA Incharge

Assembly Presentation by Grade VIII

Topic: Kargil Vijay Diwas

Kargil Vijay Diwas is observed every year on 26 July to commemorate the brave Indian soldiers who fought for more than two months against Pakistan's forces and regained control of the high outposts that were surreptitiously occupied by them earlier. This year we complete 22 years of this momentous victory.

Students of JGI celebrated 'Kargil Vijay Diwas' to remember India's victory and to pay tribute to the martyrs who are the symbol of courage and sacrifice. With heartfelt appreciation, a special assembly by Grade VIII Students was conducted on 25th July, 2024 to

commemorate and celebrate the sincere and unmatched efforts of the Indian Army in the form of Kargil Vijay Diwas.

Based on the theme, the assembly began with an invocation prayer to god, followed by thought, word, poem recitation, article and dance which conveyed the message. It was indeed a proud and historical moment for all of us as we paid tribute to our heroes and remembered their sacrifices. Our students dressed as Indian soldiers presented a group dance with great patriotic enthusiasm. Each performance acknowledged the efforts and gallantry of our Armed Forces. The assembly also consisted of an anecdote stating the significance of the crucial day, a small yet powerful article which charged up the entire audience with a feeling of pride and nationalism. The young students were awestruck to go into the depths of history associated with the commemoration.

Overall, the assembly was conducted smoothly and the students were enthralled to be a part of it. It was thoroughly enjoyed by the students. The assembly culminated with the National anthem.

Ms Mary
Social Science Department (HOD)

Assembly Presentation by Grade IV to X

Topic: Bonalu Celebrations

“Bonalu is a festival which symbolizes the blend of gaiety and culture.”

The vibrant and unique folk festival ‘Bonalu’, reflecting the Telangana culture was celebrated by the students of grade IX, in the morning assembly on 26th July 2024. The program began with a prayer followed by the school song, thought for the day, word, and article.

Anchoring was done by Rohitha, pledge was administered by Vaishanvi, Geethika shared a beautiful thought related to the festival while Mahitha enhanced the vocabulary of the students by presenting the word for the day. A wonderful article about the Bonalu festival was articulated by Tarun in Telugu and in English by Sahasresh. Children wore beautiful traditional attires. Grade 4 and 5 students sang a beautiful song which captured the essence of this unique festival.

Grade VII students performed a dance on this occasion which was a beautiful blend of energy and grace. The word Bonam is a contraction of the word Bhojanam which means a meal or a feast in Telugu, and it is an offering to Mother Goddess. Women prepare rice cooked with milk and jaggery in a new brass or earthen pot adorned with neem leaves, turmeric, vermillion, and a lit lamp on the top of the pot. At this time the people are

encouraged to take bath with turmeric and neem leaves, and plant neem trees on the outskirts as neem plants have medicinal properties. Neem leaves help avoid the plagues or epidemics which normally spread in the rainy season. The students at JHCS Kondapur participated in the Bonalu celebrations with unbridled enthusiasm. They also made beautiful posters depicting the importance of Bonalu. The efforts of the students were highly appreciable.

DISCONNECT TO CONNECT

As part of our ongoing effort to promote a healthy balance between technology use and real-life connections, Jain Heritage a Cambridge School recently conducted a unique activity for students of grades 8, 9, and 10. The "Disconnect to Connect" initiative aimed to raise awareness about the impact of excessive screen time on our lives and relationships.

Students were asked to record their weekly schedule, documenting their screen time utilization. This exercise helped them become more mindful of their screen usage habits, identifying areas where they could cut back.

Students were then given a week to express their thoughts and reflections on screen time usage through various mediums:

- English, Hindi, and Telugu: Students wrote a paragraph about their screen time usage, exploring its effects on their physical and

mental well-being, relationships, and productivity.

- Science: Students created a pictorial depiction of the topic, accompanied by a paragraph explaining the scientific aspects of excessive screen time.

- SST (Social Science): Students designed posters highlighting the social implications of excessive screen time, encouraging responsible usage and promoting a balanced lifestyle.

In the final week, students presented Nukkad Natak (street plays) in Hindi and Telugu, taking their message to the community. Through these interactive performances, they highlighted the importance of balancing screen time with real-life connections, promoting a healthier lifestyle and stronger relationships. Students took "Disconnect to Connect" pledge in their community, wearing stickers as a symbol of their commitment.

The "Disconnect to Connect" activity was a resounding success, with students demonstrating a newfound awareness of their screen time habits and a willingness to make positive

changes. By actively engaging with the issue, students developed essential skills in self-reflection, critical thinking, creativity, and community engagement.

Jain Heritage a Cambridge School is proud to have initiated this thought-provoking activity, empowering students to take control of their screen time and cultivate more meaningful connections. We believe that by working together, we can create a healthier, more balanced community.

Alumni Speaks

It feels like just yesterday that I walked through the doors of JHCS KP, filled with a mix of excitement and nervousness. Today, I stand as an alumna, brimming with gratitude and nostalgia for the incredible four years I spent at this institution. My journey at JHCS KP began in 2014, and from the very start, I was met with a warm and welcoming community. The first day, I remember meeting my teachers and peers, all of whom would soon become an integral part of my life. What I didn't know then was how these relationships would shape me, both academically and personally.

My academic journey was nothing short of transformative. JGI's commitment to excellence in education was evident in every lecture, seminar, and assignment. My teachers, mentors, and advisors played a pivotal role in guiding me through my studies, challenging me to think critically, and nurturing my passion for Humanities. The knowledge and skills I gained during my time at JHCS have been instrumental in shaping my career and have set a solid foundation for my future endeavours.

Beyond the classroom, my experiences at JHCS were equally enriching. I engaged in extracurricular activities, joined clubs, and participated in volunteer programs, all of which allowed me to develop essential life skills, build lasting friendships.

To the current students of JHCS KP, I want to share this piece of advice: make the most of every moment. Embrace the challenges, seize the opportunities, and cherish the relationships you build during your time here. You are part of a community that fosters growth and empowers its members to reach their full potential.

I am deeply thankful for the transformative experience JGI has provided me, and I look forward to staying connected with my alma mater and contributing to its legacy. My four years at JHCS KP were just the beginning of a lifelong journey of learning and personal growth.

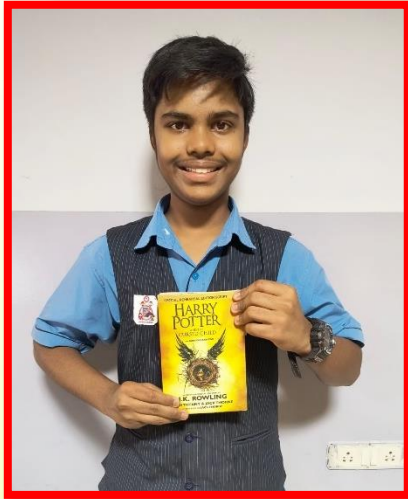

Thank you, JHCS KP, for shaping me into the person I am today and for the many more lives you will undoubtedly impact in the future.

With heartfelt gratitude,

Homee Bhatt

Batch of (2017-2018)

Book Review

"Harry Potter and the Cursed Child" continues J.K. Rowling's magical world, but as a play script, not a novel. Set nineteen years after the events of the original series, it follows Harry Potter, now a Ministry of Magic employee, and his son Albus Severus Potter. The story explores themes of friendship, family, and the consequences of choices made.

The story begins with Albus starting at Hogwarts School of Witchcraft and Wizardry. He befriends Scorpius Malfoy, son of Draco Malfoy, which creates tension due to their family histories. Albus feels overshadowed by his father's legacy and struggles to find his place. Meanwhile, Harry grapples with his past traumas and the responsibilities of parenthood.

Time travel plays a significant role as Albus and Scorpius attempt to change the past, leading to alternate realities where Voldemort rules.

The play's format limits character development compared to Rowling's novels. While Harry, Hermione, and Ron make appearances, their roles are secondary. Albus and Scorpius take main stage, showcasing their growth and friendship amidst adversity. Draco Malfoy also receives depth as a concerned father, contrasting his earlier antagonistic character.

Critics praised the play's spectacle, with an inventive screenplay bringing Hogwarts and magical tales to life. Dialogue-heavy scenes convey emotions, but lack Rowling's descriptive style.

The story's themes resonate with fans of all ages, exploring love, sacrifice, and redemption. Albus and Scorpius' bond mirrors Harry and Ron's, showcasing how friendship shapes destiny. Harry's struggles with fatherhood provide realism amidst fantastical elements, humanizing his iconic role.

Despite mixed reviews, "Cursed Child" attracted audiences worldwide, becoming a cultural phenomenon. Its exploration of legacy and identity resonated with Potterheads eager for new adventures. While some fans criticized its departure from Rowling's narrative style, others embraced its theatrical innovation.

In conclusion, "Harry Potter and the Cursed Child" continues Rowling's magical universe with new characters and dilemmas. It remains a testament to the enduring power of the wizarding world.

The winners of "Assembly presentation – July'24" were appreciated by Principal Dr Mona Mehdi with moral books.

Principal Dr Mona Mehdi felicitated the teachers with 100% attendance badges for the month of July '2024.

Students embark on tree planting initiative

Jain Heritage A Cambridge School organized a Plantation Drive at Gautami Enclave Sports Ground, promoting environmental sustainability and social responsibility among its students. The event saw enthusiastic participation from students, teachers, and staff members, who collectively planted numerous saplings and pledged to contribute to a greener future.

The program was inaugurated by Principal Dr. Mona Mehdi, N. Krishna Mohana Reddy, President of the community, Shuchita Malhotra, Coordinator and Kavitha R., senior in-charge. The primary objective

Sirisha R, Jain Heritage A Cambridge School

was to sensitize students about environmental conservation, encouraging them to take an active role in protecting the planet. The event also aimed at promoting environmental awareness, sustainable practices, and community involvement.

Students and staff members planted saplings in designated areas and conducted a "Save Trees, Save Environment" campaign. The event was a resounding success, with a renewed sense of environmental awareness among the students. Dr. Mona Mehdi expressed pride in the students' ownership of their environmental responsibilities, stating that such initiatives contribute to a greener future and shape the minds of future generations.

The Plantation Drive served as a valuable learning experience, inspiring students to become environmentally conscious citizens. The event was a collaborative effort involving students and teachers, all united by the common goal of making our environment greener and healthier.

ROAD SAFETY SESSION EDUCATES CHILDREN ON RESPONSIBLE ACTIONS

"The driver on the highway is safe not when he reads the signs, but when he obeys them." - Alden Tazer

Road safety is of prime importance for each of us whenever we are walking or travelling by any vehicle. To create awareness among young children and teenagers regarding road safety, Jain Heritage A Cambridge School at Kondapur branch organized a session in association with Young Indians (YI Team).

Purnima and Ashwin from Young Indians (YI Team) conducted the session. Besides making the children aware of road safety and traffic rules, the session also aimed at motivating them to follow them diligently.

This session was conducted in two parts. The first part titled 'Parishay' or 'Angels' was meant for the students of classes VIII to X. The second part titled 'Chota Cop' was for the younger children of class III to VII. The two sessions helped to spread awareness about the Good Samaritan law. The purpose of this is to provide legal protection to bystanders who come to the aid and rescue of road accident victims. The statistics of various types of road accidents were explained along with the reasons that lead to these accidents. Examples were given of various types of traffic violations and the penalties associated with them. This session also covered HNOP (Horn Not ok Please). HNOP aims to reduce noise pollution especially in cities, by giving the message to use vehicular honks only when necessary.

Garima, Jain Heritage A Cambridge School, Kondapur

It was a great opportunity for the students to be a part of such an initiative aimed at bringing positive change in society. The team members from Young Indians inspired the students to be responsible as Parishay as well as Chota Cop, to educate their parents, relatives and friends and always do the right thing by following traffic rules. It was an engaging, informative and enlightening session for the students. After the session came to an end, Principal Dr. Mona Mehdi presented a plant to the YI representatives as a token of appreciation.

Celebrations pay tribute to founder's vision

"Great leaders don't set out to be leaders. They set out to make a difference. It's never about the role, it's always about the goal"

On July 6, our school came alive with a spirit of celebration, unity, and inspiration as we commemorated Founder's Day with a series of engaging and meaningful activities. It was a day filled with reflection on our school's rich history, gratitude for our founder, Dr. Chenraj Roychand's vision, and excitement for the future that lay ahead.

The day began with a special assembly where students, teachers, and staff gathered to pay tribute to the founder of our school. Through speeches, performances, and presentations, we were reminded of the values and principles that have guided us since the inception of our institution.

Tarun M, class X, Jain Heritage A Cambridge School, Kondapur

Students of class III presented a dance performance which was a joyous spectacle of rhythm and smiles, showcasing their enthusiasm and teamwork. The choir group's song performance was a harmonious tribute, filling hearts with gratitude. It was a poignant and heartfelt moment as we reflected on the dedication and hard work of those who laid the foundation for the exceptional education we receive today.

A magic show was conducted for students of classes

I to III. It was a whirlwind of wonder and laughter. Each trick sparked gleeful applause and wide-eyed fascination, captivating young hearts and sparking amazement.

Walking in the footsteps of the founder, the students donated essential items of daily use such as pulses, rice, oil, flour, biscuits, etc. The students of classes VIII and IX visited an orphanage and an old-age home respectively

to hand over these generous donations, an initiative taken with the help of the Sankalp Foundation. The students took the blessings of the senior citizens and both grades captured some precious moments to cherish in the future. It was a moment of unity and pride as we celebrated our shared heritage looking forward to a future filled with promise and possibility.

SOHAM, class III A, Jain Heritage A Cambridge School, Kondapur

EMBRACING LEADERSHIP ROLES WITH PRIDE

Gokshetra, class X, Jain Heritage A Cambridge School, Hyderabad

Jain Heritage A Cambridge School celebrated its 16th Inauguration Ceremony marking a significant milestone in the academic year by entrusting the newly elected student leaders with their responsibilities. This event was a testament to the dedication and hard work of the students who earned the opportunity to lead.

The ceremony commenced with the traditional lighting of the lamp followed by a prayer and the rendition of the school song which filled the hall with a sense of unity and purpose. An elegant invocation dance performed by the students further elevated the spiritual ambience of the event.

The school choir then took to the stage, delivering a melodious group song that resonated with the audience. Following

this, Principal Dr. Mona Mehdi addressed the gathering, sharing insights on the significance of leadership and responsibility.

CCA in-charge Roja introduced the House Masters, who in turn presented the House Captains. The moment of pride arrived as the apex body revealed their badges, sashes, and flags from the principal and Chief Guest Dr. Chandrashekar DP. Under the direction of Dr. Chandrashekar, the newly chosen leaders took oath, promising to preserve the school's principles and culture.

The ceremony continued with a march past led by Head Boy Tarun M and Head Girl Gokshetra A. Alongside them were Sports Captain

Durga T and Cultural Secretary Mahitha, leading their respective houses: Abhay, captained by Sahitha; Aaditya, led by Mohak; Anant, under the leadership of Umashik and Ashoka, headed by Ruhi. The march past showcased teamwork and unity within the school community.

Dr. Chandrashekar in his inspiring speech, encouraged the young leaders to embrace their roles with integrity and dedication. He also motivated the students to say no to screen time, beginning with staying away from screens for a month and notice the changes it brings about.

The Head Boy delivered a heartfelt vote of thanks acknowledging the role of each and every stakeholder.

A magical celebration

Shireesha, Jain Heritage A Cambridge School, Kondapur

Jain Heritage A Cambridge School, Kondapur, celebrated the birthday of its founder, Chenraj Roychand, organising a delightful magic show to mark the occasion.

Renowned magician Rahul Krishnan, a Guinness Book record holder, captivated the young audience with his astounding magic tricks. The students, from classes I to III, were stunned to watch the tricks with cards and ropes. He enchanted the children by creating beautiful flowers through magic, engaging the kids in a truly magical experience. The students were thoroughly entertained and enjoyed every moment of the show, laughing and cheering with excitement. They were left with a sense of wonder and curiosity, making it a memorable and inspiring day for all.
