

## THE MONTH IT WAZ.... (June 2024)

**Quotable quote:** The greatest glory in living lies not in never falling, but in rising every time we fall. -Nelson Mandela

### Faculty Training Programme 2024-2025

“Learning is the only thing the mind never exhausts, never fears, and never regrets.”- Leonardo da Vinci

A two day long faculty training programme titled : AI @ JGI - Enhancing Teaching and Learning Through Applied Intelligence was organised by JGI schools(Hyderabad cluster) for its faculty members on 28th and 29th of May at the splendidly warm ambience of District 150, Elixir Tower, Knowledge City Rd, Hyderabad.

It was an event impressively designed by the Academic Council composed of the President and CEO of JGI schools Dr. Chandrashekar DP, Secretary Academic Council Dr. Mona Mehdi and Joint Secretary Academic Council Ms. Lalitha Kosaraju. The event aimed at promoting academic excellence and innovation in teaching. Erudite thinkers and leaders in the field of education spoke on a wide gamut of relevant topics such as applied intelligence, stress management, public speaking skills and emotional intelligence among others.

Day1- started on an auspicious note with the lighting of the lamp followed by a meditation session and a gracious welcome address by Dr. Mona Mehdi on behalf of the JGI family.

Date	Event
28-05-2024 & 29-05-2024	Faculty Training Programme 2024-2025
05-06-2024	World Environment Day
07-06-2024	SAFAL Training Programme 2024
08-06-2024	Parent Orientation Programme 2024
13-06-2024	Assembly Presentation by Grade X A Topic: New Beginnings
14-06-2024	Assembly Presentation by Grade X B Topic: Time Management and Productivity
15-06-2024	Assembly Presentation by Grade V to X Topic: Eid Ul Adha
18-06-2024 to 20-06-2024 & 22-06-2024	Assembly Presentation by Grade VII B, V B, IV & III A Topic: Important duties of students
20-06-2024	CCA - Puppet Making Activity for Grade I to V
21-06-2024	Assembly Presentation by Grade III B Topic: International Yoga Day
24-06-2024 to 28-06-2024	Assembly Presentation by Grade II A&B, V A, X A&B Topic: Power of Reading
28-06-2024	CCA – Poster Making Activity for Grade VI to X
29-06-2024	Investiture Ceremony

Swami Bodhamayananda ji , Adhyaksha of Vivekananda Institute of Human Excellence, Ramakrishna Math delivered a powerful keynote address on the topic of applied intelligence. Swamiji passed on one invaluable wisdom to all: "You have to raise yourself by yourself." Next in the day's agenda was a lively panel discussion on "Building a culture of applied intelligence" which was moderated by Dr. Mona Mehdi. The eminent panelists were Mr. Murugan, Principal -Pearl Infinity International School, Mr. Venky Datla- Co-Founder and Director, CREYA Learning, Mr. Sujeeth Kanuganti- Founder and CEO - Aspecto Technologies. The panelists dived deep into the subject and explained applied intelligence in the context of education. Dr. Mona Mehdi and Ms. Lalitha Kosaraju conducted a highly informative session on SOP which reinforced the mission, vision and values of the JGI family and also elaborated on the various aspects of organizational policies.

Dr. Chandrashekar DP, CEO JGI schools and an accomplished public speaker as well as an author, conducted a Master Class on public speaking titled 'Stagecraft' which was spread across two days and four separate sessions. Through these sessions he explained how communication is the key to forge strong connections. Dr. Chandrashekar shared valuable tips on overcoming stage fright, utilizing the stage to create maximum impact, organizing the content of a speech and highlighted the greater importance of body language, gestures and emotional connect as compared to the words being spoken. Spontaneous demonstrations by participants and detailed feedback by Dr. Chandrashekar DP made for engaging sessions for all in attendance. The impactful sessions were deeply enriching as everyone took away some vital tips to improve their communication skills. Day-2 of the training programme commenced on a sublime note through the practice of mindfulness and meditation by Ms Jyoti Arora. It was the perfect prelude to the soul enriching and uplifting address by guest speaker Dr. Pragbha Viraat who spoke on stress management and self-regulation. Dr. Pragbha explained to eliminate stress one ought to face it, tag it, know it, accept it and then resolve it. The panel discussion that followed on Day-2 was on the important topic of emotional intelligence. The panelists were Ms. Alka Taparia, CM - ToddlersCambridge Early YearsCenter, Ms. Asha, clinical psychologist, Ms. Kausar Sayeed - Founder Director @learn2leadservices and Mr. Siddhartha Abhuri - Director at Avantel Limited. It was moderated by Ms. Lalitha Kosaraju. The eminent panelists spoke extensively on the importance of emotional intelligence for teachers and the need for them to be the biggest champions for each one of their students. The two day long event came to a close with a valedictory ceremony. The Academic Council members and all the participants were felicitated for the successful completion of this engaging and empowering training programme. Ms Saviola Lobo, director, Cambridge Early Years , Banjara Hills gracefully proposed the vote of thanks acknowledging the contributions of each and every stakeholder. This was a great initiative taken by the management of the JGI family before the commencement of the new academic session to enhance the teaching skills of the faculty members and empower them to formulate the most effective teaching strategies to cater to the learning and holistic development of the students.

## World Environment Day

"The greatest threat to our planet is the belief that someone else will save it." Every year on June 5th, people around the globe come together to celebrate World Environment Day. This day, established by the United Nations in 1974, is dedicated to raising awareness about environmental issues and encouraging action to protect our planet. As environmental challenges grow increasingly urgent, World Environment Day serves as a crucial reminder of the importance of sustainability and conservation. On June 5th, 2024, JHCS Kondapur celebrated World Environment Day with great enthusiasm. The Principal, Dr Mona Mehdi, along with the staff members, actively participated in the celebrations. Dr Mehdi emphasized the importance of spreading awareness about environmental conservation and

urged all teachers to take immediate action to protect our environment and Mother Earth. To mark the occasion, saplings were planted symbolizing the commitment to a cleaner and greener planet. This initiative served as a reminder of our collective responsibility to safeguard the environment. Furthermore, all teachers, along with the principal, pledged to continually remind themselves and others of their duties towards environmental safety and to spread awareness about the importance of protecting our natural world. The event was a rewarding experience, significantly impacting how we perceive and care for our environment.

## SAFAL Training Programme 2024

The Central Board of Secondary Education (CBSE) conducted training sessions on its new initiative, SAFAL (Student's Assessment for Analyzing Learning Levels) on 7th June, 2024 at Delhi Public School, Nacharam. SAFAL is a competency based assessment program which aims at students in classes V and VIII. Ms Shameem from JHCS, KP attended the session to evaluate their learning levels comprehensively and effectively. By identifying the areas of strength and weakness, SAFAL aims to facilitate targeted interventions to enhance learning outcomes. This initiative is aligned with CBSE's commitment in promoting holistic education and ensuring the overall development of students. During the training sessions, it was informed that a pilot phase was conducted for SAFAL in more than 1000 schools across the country. This extensive pilot phase aimed to gather valuable insights and feedback from a diverse range of educational institutions, allowing for refinement and improvement of the assessment framework. Mrs Sunitha, Principal – DPS Nacharam, introduced participants to the Key features of SAFAL assessment and Mr Suresh, IT incharge, briefed on the technical specifications of the SAFAL assessment

platform. Additionally, potential challenges and troubleshooting methods were discussed to ensure smooth conduct of the assessment process. Emphasis was placed on addressing technical issues promptly to minimize disruptions during the examination. The training sessions provided detailed insights into the examination process, including the steps involved and the roles of various stakeholders. Participants were acquainted with the logistics of conducting the examination, from registration to result declaration. Prior to the official SAFAL assessment in July, mock examinations will be conducted to familiarize students and educators with the examination format and procedures. Overall, this session provided valuable insights and guidance to schools participating in this initiative.

Computer Science Department

## Parent Orientation Programme 2024

**"A parent is a teacher at home and a teacher is a parent in school and the child is the centre of our universe."**

Under the able guidance of our Principal Dr. Mona Mehdi, an orientation programme was organized for the parents of new admissions at Jain Heritage A Cambridge School, Kondapur on Saturday, 8th June. The aim was to familiarize the parents, "as partners in progress", with the curriculum, teaching methodologies, co-scholastic activities, rules and regulations of the school.

The programme commenced with a warm welcome to the parents followed by the ceremonial lighting of the lamp. The

School Principal Dr Mona Mehdi addressed the gathering. In her address, she laid stress on effective communication between the teachers & the parents and also sought their support and suggestions so that the children could be provided with the best for their overall development. She also laid out the guidelines for effective parenting and suggested different measures to nurture a child with love and care to build a strong foundation for a glorious future. Parents were briefed on the detailed plans for the upcoming session 2024-25. They were informed about the activities that will be introduced to the students . Suggestions were also given to the parents to help children with the activities at home.

The orientation programme proved to be a sincere effort made by the school in educating the parents to look after and guide their children in a proper manner. It also helped in evolving a common teaching strategy and helped the parents in identifying suitable follow up methods to reinforce the learning process of their children. Overall it was a fruitful meeting and the parents were in high spirits after attending the orientation programme.

## Assembly Presentation by Grade X A

### Topic: New Beginnings

"Every day is a new beginning. Take a deep breath, smile, and start again."

The school assembly on the 13th of June, which was the first day after a good long vacation, was a memorable assembly that brought together students, teachers, and staff in a spirit of unity and inspiration. The assembly was conducted by the students of Grade 10A. A wonderful topic to motivate all the students on the very first day, 'New Beginnings' was taken.

It commenced with lively anchoring by Tarun M that not only guided the proceedings but also infused energy into the audience. The recital of the pledge by Rishank followed, reminding us of our collective commitment to uphold the values of our school community.

A profound Thought Of The Day segment by Gurudatta followed, where a thought-provoking message encouraged us to reflect on the importance of kindness and perseverance in our daily lives. In today's assembly, Harshith K eloquently shared

'Predestined' as the word of the day, inspiring peers with his personal anecdotes. This was complemented by a touching poem recital by Ananya Nair, which captivated everyone with its depth and emotion.

Principal Ma'am Dr Mona Mehdi then took the stage, delivering a stirring address that underscored the significance of resilience and mutual support within our school community. Her words resonated deeply as she spoke about overcoming challenges and striving for excellence together.

The assembly reached its pinnacle with the singing of the national anthem, a moment that united us all in pride and patriotism. The solemnity of the anthem echoed through the auditorium, reinforcing our sense of belonging and pride in our school.

Each segment of the assembly contributed to a morning filled with inspiration, reflection, and a reaffirmation of our shared values. It reminded us of the strength and unity that comes from coming together as a community, supporting one another, and celebrating our achievements. As we left the assembly area, the messages of resilience, kindness, and unity stayed with us, guiding our actions and interactions throughout the day and beyond.

Overall, the assembly was a testament to the vibrancy and cohesion of our school community, leaving a lasting impact on students and staff alike. It served as a powerful reminder of the values we hold dear and the strength we derive from coming together as one school family.

Master Tarun  
Grade X (Head Boy)

## Assembly Presentation by Grade X B

### Topic: Time Management and Productivity

“Until you value yourself, you will not value your time. Until you value your time, you will not do anything with it.” -M. Scott Peck

On June 14, 2024, our school gathered for the assembly on the topic time management and productivity Shrinika anchored the assembly emphasizing the importance of managing time effectively for success. Sudarshan led the assembly with the pledge to be responsible citizens of our country. Aneesh shared a thought-provoking insight about the significance of time management in achieving our goals and aspirations. Utkarsh improved our vocabulary by saying the word of the day. Bhavna provided practical tips on time management and productivity , including setting goals, prioritizing tasks, eliminating distractions, and taking breaks. Adrith concluded with a global news update on the current situation in climate change. The assembly was both informative and motivating, equipping students with strategies to enhance their productivity and make better use of their time.

Ms K. Sai Aasritha - Grade X

## Assembly Presentation by Grade V to X

### Topic: Eid Ul Adha

A special assembly on Eid Ul Adha was conducted on 15th June 2024, filled with enthusiasm and a spirit of togetherness. The assembly, a blend of various performances, was meticulously organized, showcasing the talents and efforts of our students. The event commenced with Ananya Nair as the anchor. Her confident and engaging manner set a positive tone for the assembly, ensuring that each segment transitioned smoothly. The assembly began with the pledge led by Gokshetra, who delivered it with conviction and enthusiasm, instilling a sense of pride and unity among the students. This was followed by Ayesha's thought for the day, which provided a meaningful and reflective message, perfectly capturing the essence of Bakrid and its significance. Reyansh introduced the word of the day, enriching the students' vocabulary and adding an educational element to the assembly. His presentation was both informative and engaging. An insightful article by Shreyasi added depth to the assembly. Her well-articulated piece offered a thoughtful perspective on Bakrid, highlighting its cultural and spiritual importance. The students of Grade 7 graced the assembly with a melodious song. Their performance was a testament to

their vocal talent and dedication, creating a harmonious atmosphere that resonated with everyone present. The highlight of the assembly was the vibrant dance performance by the students of Grades 4 and 5. Their energetic and well-coordinated performance added a lively touch to the event, captivating the audience and showcasing the young dancers' enthusiasm and skill. This assembly was a memorable one, reflecting the hard work and dedication of all participants. It was a beautiful blend of education, culture, and entertainment, making it a significant event in our school calendar. The assembly not only celebrated Bakrid but also fostered a sense of unity and shared joy among the students and staff. We look forward to more such vibrant and enriching assemblies in the future, celebrating the diverse festivals and cultures that make our school community so special.

Ms Ananya Nair  
Grade X

## Assembly Presentation by Grade VII B, V B, IV & III A

### Topic: Important duties of students

'The beautiful thing about learning is that no one can take it away from you.' — Brian Herbert

Students have important duties to succeed. They should listen to their teachers, do homework on time, and pay attention in class. Being kind and respectful to classmates helps create a good environment. Staying organized and managing time well is important for balancing schoolwork and other activities. Lastly, taking care of their health by eating well, sleeping enough, and exercising is crucial.

The Grade VII B, V B, IV, and III A students at Jain Heritage, a Cambridge School in Kondapur, organized morning assemblies on the theme " Important duties of students" from June 18th to 22nd, 2024 in three different languages- English, Telugu and Hindi. Chaitrika and Mayra from Grade VII B, Varun tej from Grade VB, Ishitha from Grade IV and Sri Hamsini from Grade III A took on the role of anchors, commencing the assembly each day by highlighting the day's significance. The session began with a prayer and the school song, followed by a heartfelt pledge to become responsible Indian citizens administered by Kusmitha from Grade VII B, Swara from Grade V B, Virat from Grade IV and Soham from Grade III A. An insightful thought was shared by Meeha from Grade VII B, Dhriti from Grade V B, Sanshitha from IV and Kratika from Grade III A. Jeshta from

Grade VII B, Havish from Grade V B, Avani from Grade IV and Yuvika from Grade III A enriched students' vocabulary with the word of the day. An article was presented by Sai Pranav from Grade VII B, Hamsika from grade V B, and Loukya from Grade III A. Shresta from Grade IV shared a beautiful poem that brightened up the moment. These assembly presentations helped to inculcate a sense of responsibility and inspired all the students to make a conscious effort to fulfill their duties as students. The assembly concluded each day with the singing of the national anthem which always inspires us to uphold the pride of our country.

Ms Chaitrika  
Grade VII B

## CCA - Puppet Making Activity for Grade I to V

Puppetry is a very ancient form of theatre which was first recorded in the 5th century BC in Greece. Puppetry may take any form but it is about the process of animating inanimate performing objects to tell a story.

Students of JHCS- Kondapur from Grade I –V participated in a puppet making activity that helped the students lay their hands on such an ancient art form . This fun activity aimed at introducing the art of puppetry to the students which involves the manipulation of inanimate objects .

This interesting activity helped the students develop their visual-spatial and kinaesthetic intelligence. It encouraged the creativity, craftsmanship and originality of the students and enabled them to learn about puppet design and puppetry technique. The students presented their immaculate work by making colourful and meaningful puppets by using interesting materials like colour paper, ice cream sticks, cloth, paper cups , recycled medium etc. to create stick puppets.

Playing with puppets is one of the most educational activities that children can be exposed to. There are great developmental benefits that are embraced when children are encouraged to play with puppets. These handheld puppets have the potential to improve language skills, creativity,

social awareness ,building self confidence ,emotional development, listening skills and more.

The puppet Making Activity proved to be a very effective learning experience for all the participants. Each child proudly displayed and then took home their unique creations. Activities like this go a longway in keeping the ancient art forms alive.

Ms Roja  
CCA Incharge

# International Yoga Day Celebration

Yoga, an ancient practice originating from India, transcends borders and cultures, offering countless benefits to body, mind, and spirit.

Yoga is not merely a physical exercise; it is a holistic approach to well-being. Through postures (asanas), breathing exercises (pranayama), and meditation, yoga promotes flexibility, strength, and inner peace. It teaches us to be mindful, to connect with our breath, and to find balance in our lives.

International Yoga Day was celebrated at JHCS Kondapur on 21-6-2024. Students from Grade-III B actively participated

in this special assembly. Anchoring was led by Yuvan Lakkam, Pledge by Nairiti Mandal, Thought by Divyanshi Adwitiyaa, Word for the Day by Haruhi and Article by Trishika.M.

The day began with an enlightening session on the significance of yoga in our lives. Teachers highlighted how yoga helps in maintaining mental clarity, enhancing concentration, and promoting overall wellness. Students eagerly absorbed these insights, understanding the holistic benefits of yoga beyond its physical aspects. The atmosphere was charged with positivity and excitement. Led by experienced yoga instructors, participants engaged in various yoga asanas, from simple stretches to more advanced poses. Each posture was accompanied by mindful breathing exercises, teaching us the importance of connecting our breath with movement. Throughout the sessions, the serenity and calm brought about by yoga was palpable.

The celebration of International Yoga Day was not just about physical exercise; it was a celebration of cultural diversity and the universal pursuit of wellness. Many yoga sessions were organized. The children practiced meditation organized by Sehaj Yoga and Yi. They picked up some valuable tips to increase concentration and learned the benefits of practising yoga during the yoga session organized by Young Indian Innovation (Yi). The children enjoyed the yoga session thoroughly conducted by them.

As we celebrate International Yoga Day, let us embrace the spirit of togetherness and mindfulness that yoga embodies. Let us commit to integrating yoga into our routines, promoting harmony within ourselves and with others. Together, we can create a healthier, more peaceful world through the practice of yoga.

Ms Jyoti Arora  
Primary Incharge

## Apex Body Election 2024-25

**"Rising Stars: Unveiling the future leaders of our school"**

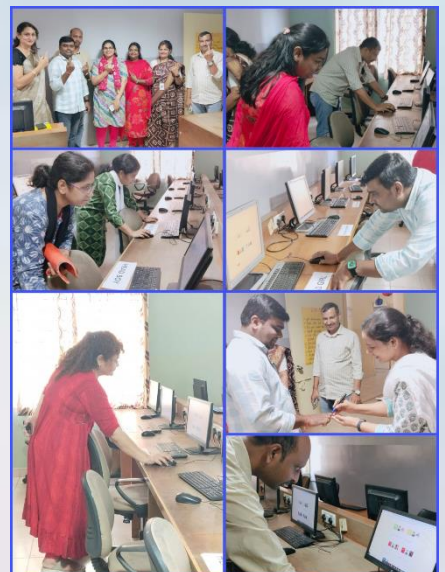

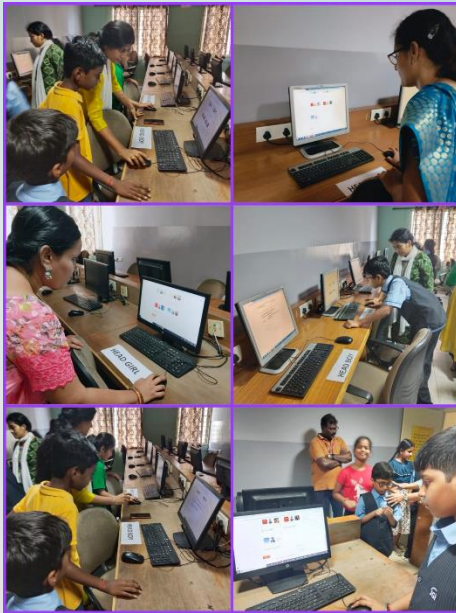

The School Apex Body elections are a pivotal event in JHCS Kondapur school calendar. This democratic process allows students to select their representatives who will act as the voice of the student body. These elections not only foster leadership skills but also instill a sense of responsibility and community among students. Student elections in school are a great way for students to get involved in decision-making processes and develop leadership skills.

17th June was an eventful day for our school as a new generation of aspiring leaders emerged- individuals who were determined, self-assured, and bold in their aspirations. Chosen through a democratic process by the students of the esteemed houses - Ashoka, Aaditya, Ananth, and Abhay – these exceptional individuals have been nominated for the highly regarded and vital positions of Head Girl, Head Boy, Cultural Secretary and Sports Captain. Since the moment when the election procedures and guidelines were laid out, every nominated student carefully selected their symbols, emblematic of the unique characteristics and qualities they embody. With unwavering determination, grace, and fearless courage, they passionately delivered their election manifestos in the assemblies, which was followed by concerted and spirited campaigning by the contenders. As future members of the Apex body, they hold the power to shape the school's trajectory, carrying the responsibility of its progress and development. These positions offer

students the chance to develop leadership, organizational, and communication skills while contributing to the overall growth and spirit of the school.

The students, brimming with anticipation, eagerly awaited the opportunity to select their leaders, while witnessing the intense competition among the candidates vying for their respective roles. On 24th of June online apex body election was conducted in JHCS Kondapur. The election process has not only showcased the democratic values of our school but has also highlighted the potential and talent within our student community. Let us rally behind our newly elected leaders as they embark on a journey to inspire, lead, and make a difference in our school. Together, let's write a new chapter of our school's future.

**Ms Roja**  
**CCA Incharge**

## Assembly Presentation by Grade II A & B, V A, X & B

### Topic: Power of Reading

"A reader lives a thousand lives before he dies"

Books have the power to challenge our preconceived notions and expand our understanding of the world. Reading also enhances our cognitive abilities. It improves our vocabulary, comprehension, and critical thinking skills. Reading is not just about intellectual growth. It has a profound impact on our emotional well-being as well. Whether it's losing ourselves in a fictional world or finding solace in a self-help book, reading provides an escape from the pressures of everyday life. It allows us to

explore our own emotions and connect with the experiences of others, fostering empathy and compassion.

The Grade II A, II B, X A & B, V A students at Jain Heritage, a Cambridge School in Kondapur, organized morning assemblies on the theme "Power of reading" on June 24<sup>th</sup> to 28<sup>th</sup>, 2024 in two different languages- English and Telugu. Ashvith from Grade II A, Keerat arora from Grade II B, Tarun from Grade XA and Aarohi Risbud from Grade V A took on the role of anchors, commencing the assembly by highlighting the day's significance. Each session began with a prayer and the school song, followed by a heartfelt pledge to become responsible Indian citizens administered by Smruthi Kale from Grade II A, Sanshritha from Grade II B, Sri nithya from Grade X A and Sahasra D from Grade V A on the respective days. Insightful thoughts were shared by Naira Rachel Mathew from Grade II A, Riya sagar from Grade IIB, Madhur from X, Sai prachet from Grade V A. Naadhya from

Grade II A, Jacinth Phoebe from Grade II B, Krithika from Grade X A and Saharsh M from Grade V A enriched students' vocabulary with the word of the day. An article was presented by Reyansh Kumar Panda from Grade II A, Sahasresh from grade X A, and Tejas varma from Grade VA which highlighted the importance and benefits of reading.

Priyansh, Saarvi, Likhita, Prabhav, Sathvik and Aditi from Grade II B sang a beautiful song that brightened up the moment. On each day the assembly concluded with the singing of the national anthem, reflecting on upholding the pride of our country.

Ms Jyothi G  
Mathematics Department

## CCA – Poster Making Activity for Grade VI to X

**"Social media is both a curse and a blessing."**

This sentiment was explored in a recent poster-making activity by the students of Grades VI to X. The CCA activity was held on 28<sup>th</sup> June, 2024 where students delved into the multifaceted impact of social media. Through researching and creatively presenting their findings, students highlighted the benefits of social media, such as enhanced connectivity, rapid information sharing, educational resources, networking opportunities, and supportive online communities. The activity aimed to foster critical thinking, research skills, creativity, and effective communication among students.

Conversely, students also addressed the drawbacks of social media, including privacy concerns, addiction, cyberbullying, misinformation, and its negative impact on mental health. By balancing both the pros and cons, the poster-making activity succeeded in promoting thoughtful discussions and providing a nuanced understanding of social media. This holistic approach not only enriched students' perspectives but also equipped them with valuable skills for their academic and personal growth.

**Ms Vatsala**  
**Science Department**

## Investiture Ceremony

Jain Heritage a Cambridge School celebrated its 16th Investiture Ceremony on 29th June, 2024, marking a significant milestone in the academic year by entrusting the newly elected student leaders with their responsibilities. This event was a testament to the dedication and hard work of the students who earned the opportunity to lead.

The ceremony commenced with the traditional lighting of the lamp, symbolizing the dispelling of ignorance and the welcoming of wisdom. This was followed by a soulful prayer and the rendition of the school song which filled the hall with a sense of unity and purpose. An elegant invocation dance performed by the students further elevated the spiritual ambience of the event. The school choir

then took to the stage, delivering a melodious group song that resonated with the audience. Following this, Principal Dr. Mona Mehdi addressed the gathering, extending a warm welcome and sharing insights on the significance of leadership and responsibility.

The highlight of the event was the investiture ceremony itself. CCA Incharge, Roja Mam, introduced the House Masters, who in turn presented the House Captains. The moment of pride arrived as the apex body received their badges, sashes, and flags from Principal Dr. Mona Mehdi and Chief Guest Dr. Chandrashekar DP. Under the direction of Dr. Chandrashekar, the newly chosen leaders then took oath, promising to preserve the school's principles and culture. The ceremony continued with a march past, a display of discipline and coordination, led by Head Boy Tarun M. and Head Girl Gokshetra A. Alongside them were Sports Captain Durva T. and Cultural Secretary Mahitha, leading their respective houses: Abhay, captained by Sabiha; Aaditya, led by Mahesh; Ananth, under the leadership of Unnathi; and Ashoka, headed by Kushi. The march past showcased teamwork and unity within the school community.

Dr. Chandrashekar DP in his inspiring speech, encouraged the young leaders to embrace their roles with integrity and dedication. He urged the young leaders to practice the art of personal networking within the school community so that they can understand and be more effective in their roles and also be better prepared for the road ahead. He also motivated the students to say NO to screen time and shared some valuable tips for achieving the same. Dr. Chandrashekar's parting note for the students was a challenge to stay away from screens for a month and notice the changes that it will bring about. He was presented with a memento by the Principal, Dr. Mona Mehdi as a token of our gratitude. The head boy delivered a heartfelt vote of thanks acknowledging the role of each and every stakeholder. Finally, the national anthem was sung as the event came to a close leaving a lasting impact on everyone present.

The 16th Investiture Ceremony at Jain Heritage a Cambridge School was not just an event but a celebration of leadership, responsibility, and the spirit of togetherness, setting the stage for yet another year of excellence and achievement.

Ms Gokshetra  
Grade X (Head Girl)

## Learning Resource @ JHCS Kondapur

**“Tell me and I forget. Teach me and I remember. Involve me and I learn.” -Benjamin Franklin**

Learning resources are materials employed by teachers to enhance instructional methods and captivate students' interest. We, the educators of JHCS Kondapur under the guidance of Principal Dr. Mona Mehdi successfully implemented our creativity to motivate young minds. Our Principal Dr. Mona Mehdi invoked the innovative attention-grabbing idea of learning resources in the school as a welcome gift. The teachers had a productive week at the beginning of June 2024, collaboratively generating, ideating and compiling a creative educational design by utilizing the unutilized School corridor spaces.

Implementing corridor interactive learning resources focused on the mesmerizing themes of water, earth, air, and space on the second, third, fourth and fifth floors respectively. The corridor learning resources include Interactive displays, educational posters, interactive activities, Geography and History Displays, Hot Air Balloon displays: infographics, solar system models, timelines, inter-disciplinary links, general knowledge, knowledge hub, and regular updates. Our motive was to offer a dynamic and enchanting way to enrich the educational experience. As it creates a holistic learning atmosphere that inspires students to explore and cherish the complexities of the world around them. We believe that The themes of air, water, earth, and space are essential to comprehending our planet and the universe. Each theme encapsulates key scientific principles and real-world issues, making them ideal focal points for educational displays. Thoughtfully integrating these themed corridors have metamorphosed JHCS Kondapur into a vibrant learning environment through mobile classrooms fostering continuous engagement, curiosity, and a profound appreciation for the natural world.

**Ms Sangeetha**  
**Science Department (HOD)**

## Parent's Testimony

While I was asked to write a feedback, I didn't really know where to start from, when I was on a look out for a good school for my child, I had listed out many things like every parent, but only to throw away later. As I recollect the moment, I walked through the campus of (JGI) (with Ridaya sree of class 3b now), we were assisted warmly to the lobby full of students DIY, creative arts and crafts, wall of frame. While I sat down, Ridaya sree was already exploring the school walls with a smile and excitement. By now we felt the schools positive and purposeful learning environment. My first conversation was with Anupama Konda ma'am. Unlike other schools (HR/In charge) who just boast about their school's achievements and success stories, she let me as a parent, talk about my expectations and concerns.

By then I knew the voices are valued here. I was already made to feel comfortable to shoot all my educational queries, With persistence and patience she politely briefed me about the curriculum, concept and culture of the school, In our conversation I have learned that this school is not just about education and sports, but teachers' primary task is to build confidence and capacity to face challenges, guiding students take ownership of individuality.

This stimulates the students to grow, emotionally, intellectually, physically and socially, I felt cared and confident by now and shook my hand and walked back through noticeably clean and neat corridors. On our way back even before I could ask Ridaya if she liked the school, she prompted, I want to go to JGI mama I enquired why? She said she wants to learn everything not just study, so here she decided for her own self, (This is for every Parents, let's not force our kids into something which they are not interested in. It can be anything) from then to now, I am happy to have made the right decision, As a good school is not all about flashy or fancy ambience, flaunting their expensive frames.

But a good school is where your child never wants to skip the school. Here I want to acknowledge respected Mona Mehdi Principal ma'am, Class teacher Roja ma'am for her exceptional methods of teaching, for students to overcome their fears and failures and guiding them to achieve their goals, and the staff, and the entire TEAM OF JGI.

I wish all the best and more success to every member of the JGI FAMILY.

**Ms Rupa Sree**

**Mother of Ridaya Sree – Grade III B**

## View the Review!

"The Last Bear" is a touching and adventurous novel written by the talented Hannah Gold. The story primarily revolves around a young girl named April and her extraordinary bond with a polar bear.

While most kids spend their summers in typical ways, April's summer is unique. She travels to Bear Island with her scientist father, who is there for research. Feeling lonely and disconnected from her busy father, April explores the island and discovers a starving, injured polar bear, which should not be there due to climate change. She names him Bear.

April, driven by compassion and determination, decides to help Bear.

She secretly feeds him and tends to his wounds, forming a deep bond with the majestic creature. As the story progresses, April realizes she must find a way to return Bear to his natural habitat in the Arctic. She receives help from her friend, Tör, who lives on the mainland and understands the urgency of their mission. April successfully helps Bear, showing that one person's actions can make a difference, but she also has to say goodbye to her beloved friend. As Bear returns to his natural home, April's heart is heavy with sadness but also filled with hope and a sense of accomplishment.

Hannah Gold skilfully weaves the narrative with beautiful descriptions and emotional moments, capturing the urgency of environmental issues and the power of friendship. In the end, the narrator delivers a bittersweet conclusion. This book is heartfelt, adventurous, and, of course, deeply moving.

## Interview with Dr Mona Mehdi: The Pursuit of Academic Excellence

**Principal:** Good morning, Dr Mona. Thank you for joining us today to discuss the importance of academic excellence and the meticulous implementation of our academic plans. Could you start by sharing your thoughts on why academic excellence is crucial for our institution?

**Dr Mona:** Good morning. Thank you for having me. Academic excellence is fundamental to our mission because it lays the groundwork for our students' future success. It equips them with the knowledge, skills, and critical thinking abilities they need to navigate an increasingly complex world. Moreover, it fosters a culture of high expectations and continuous improvement, which benefits not just the students but also the entire educational community.

**Principal:** That makes a lot of sense. How do you ensure that this pursuit of academic excellence is translated into actionable plans within our institution?

**Dr Mona:** The key is meticulous planning and implementation. We begin by setting clear, measurable goals aligned with our vision of academic excellence. These goals inform our curriculum design, teaching methodologies, and assessment strategies. It's essential to involve all stakeholders—teachers, students, and parents—in this process to ensure everyone is committed to the same objectives.

**Principal:** Can you elaborate on the role of Standard Operating Procedures (SOPs) in maintaining the consistency and quality of our academic programs?

**Dr Mona:** SOPs are vital because they provide a structured approach to executing our academic plans. They outline the specific steps and best practices that teachers and administrators must follow, ensuring consistency and quality across all levels of the institution. By adhering to SOPs, we can maintain high standards, minimize errors, and create a predictable and effective learning environment.

**Principal:** How do you address the challenges that come with implementing these SOPs?

**Dr Mona:** Challenges are inevitable, but they can be managed effectively through continuous professional development and open communication. We regularly train our staff on the latest educational practices and updates to our SOPs. Additionally, we foster a culture of feedback where teachers and staff can share their experiences and suggest improvements. This collaborative approach helps us adapt and refine our procedures to meet evolving needs.

**Principal:** That sounds comprehensive. In your experience, what impact does meticulous implementation of the academic plan have on student outcomes?

**Dr Mona:** When we meticulously implement our academic plan, we see significant improvements in student outcomes. Students are more engaged, perform better academically, and develop a deeper understanding of the subject matter. Consistent and high-quality teaching practices, guided by our SOPs, create an environment where students feel supported and motivated to excel.

**Principal:** Finally, what advice would you give to other educational leaders striving to achieve academic excellence in their institutions?

**Dr Mona:** My advice would be to stay committed to your vision of excellence and involve your entire team in this pursuit. Set clear goals, establish robust SOPs, and ensure meticulous implementation through continuous training and feedback. Remember, academic excellence is a journey, not a destination. It requires persistence, adaptability, and a collaborative spirit.

**Principal:** Thank you, Dr. Mona, for sharing your insights and strategies with us today. Your expertise and dedication to academic excellence are truly inspiring.

**Dr Mona:** Thank you. It's been a pleasure discussing these important topics with you.

## Awards & Accolades

# HONOURING LEGENDS OF EDUCATION

## Parents, the school's partners in progress

Jain Heritage  
A Cambridge  
School  
Kondapur

*"A parent is a teacher at home and a teacher is a parent in school and the child is the centre of our universe."*

An orientation programme was organised for the parents of students who took admission this academic year at Jain Heritage A Cambridge School, Kondapur. The aim was to familiarize the parents "as partners in progress" with the curriculum, rules and regulations of the school, teaching methodologies and the co-scholastic activities.

The programme commenced with a warm welcome to the parents followed by the ceremonial lighting of the lamp. Principal Dr Mona Mehdi addressed the gathering, and laid stress on effective communication between the teachers and the parents, seeking their support

and suggestions so that the children could be provided the best for their overall development.

She also shared guidelines about effective parenting and measures to nurture a child with love and care to build a strong foundation for a glorious future.

The parents were briefed about the rules and regulations of the school, the detailed plans for the upcoming session 2024-25, the activities that will be introduced to the students and what the parents can do to help their children with it.

Later, Kavitha R, Senior In-charge, briefed about the assessment process and explained how the assessment system works. The orientation programme proved to be a sincere effort made by the school in educating the parents to look after and guide their children in a proper manner. It also helped in evolving a common teaching strategy and helped the parents in identifying suitable follow up methods to reinforce the learning process of their children.

The International Yoga Day was celebrated at Jain Heritage A Cambridge School, Kondapur, to promote a holistic approach to well-being among students.

The day began with an enlightening session on the significance of yoga in our lives. Teachers highlighted how yoga helps in maintaining mental clarity, enhancing concentration, and promoting overall wellness. Students eagerly absorbed these insights, understanding the holistic benefits of yoga beyond its physical aspects. The atmosphere was charged with positivity and excitement.

Led by experienced yoga instructors,

participants engaged in various yoga asanas, from simple stretches to more advanced poses. Each posture was accompanied by mindful breathing exercises, teaching us the importance of connecting our breath with movement. Throughout the sessions, the serenity and calm brought about by yoga was palpable.

Several yoga sessions were organised. The children practiced meditation organized by Sehaj Yoga. They picked up some valuable tips to increase concentration and learned the benefits of practising yoga during the yoga session organized by Young India Orator.

## RIISING STARS: UNVEILING THE FUTURE LEADERS OF SCHOOL

The apex body elections are a pivotal event in JHCS Kondapur school calendar. This democratic process allows students to select their representatives who will act as the voice of the student fraternity.

Roja, CCA in-charge, Jain  
Heritage A Cambridge School

These elections not only foster leadership skills but also instill a sense of responsibility and community among students. Student elections in school are a great way for students to get involved in decision-making processes and develop leadership skills.

Chosen through a democratic process by the students of the houses - Ashoka, Aaditya, Ananth, and Abhay - individuals were nominated for the vital positions of Head Girl, Head Boy, Cultural Secretary and Sports Captain.

Once the election procedures and guidelines were laid out, every nominated student selected their symbols,

reflecting the unique characteristics and qualities they embody. They passionately delivered their election manifestos in the assemblies, which was followed by spirited campaigning. These student body positions offer students the chance to develop leadership, organizational, and communication skills while contributing to the overall growth and spirit of the school.

The students, brimming with anticipation,

eagerly awaited the opportunity to select their leaders, while witnessing the intense competition among the candidates vying for their respective roles. On 24th of June, the online apex body election was conducted in JHCS Kondapur. The election process not only showcased the democratic values of the school but also highlighted the potential and talent within the student community.
