Assembly presentation by  
Grade I-X Topic:  
"World Opportunities"

**"There are secret opportunities hidden  
inside every failure."**

Morning assembly makes students feel fresh, energetic and spiritual to start the day with positive vibrations. They help to nurture the important values the students take out with them into the world. A week assembly was conducted by classes I to X from 1st to 6<sup>th</sup> Feb, 2021 on the topic - "World of Opportunities". It's really important to allow ourselves to

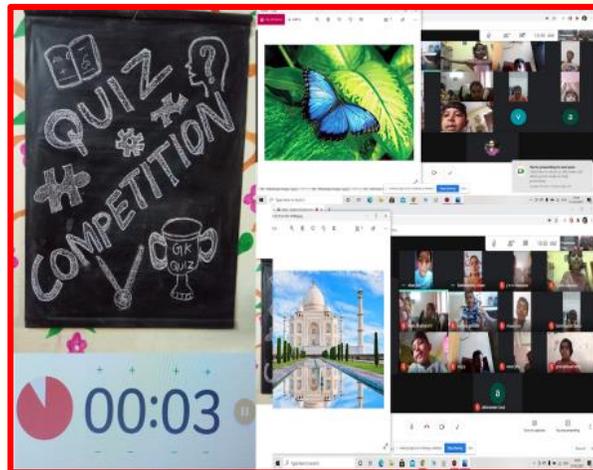

take opportunities! It builds up confidence and enables to achieve unexpected and impossible thing that is ignored. The students enthusiastically presented the thematic assembly with determination and grit. The assembly started with the prayer song followed by school song. Students took pledge thereafter and presented thought for the day on the topic for the whole week. They also presented a new word along with a sentence and articles related to the assembly on the topic. Few classes conducted quiz on importance of the day and read out articles. A part of the time was devoted to talk on general knowledge and current affairs. The Class teachers prepared noticeable assembly Powerpoint Presentations and presented during the assembly time. The star child of the week and CCA awardees were announced on Monday. The class teachers read out few circulars and instructions related to the class. The assembly concluded by singing the national anthem.

**Ms. Saraswathi**

## Quiz Competition (Toddlers)

Quizzes are interactive platform where students not only participate but gain knowledge and seek opportunities to excel. It enhances innovative learning at an early age. With this spirit, we conducted a virtual quiz for LKG and UKG on 1<sup>st</sup> February

2021. All the students were divided into different teams like (Ben 10, Chota Bheem, Little Krishna and Frozen). The rules of the virtual quiz competition were announced and conducted the quiz in a very interactive way and the teams participated with a great enthusiasm. They skillfully answered the questions asked. Though some of the questions were very tricky, the teams tried to answer them with confidence. The questions put forth to the teams were intriguing, exciting and made the parents go 'Aah!' and clap when the teams answered correctly. The quiz

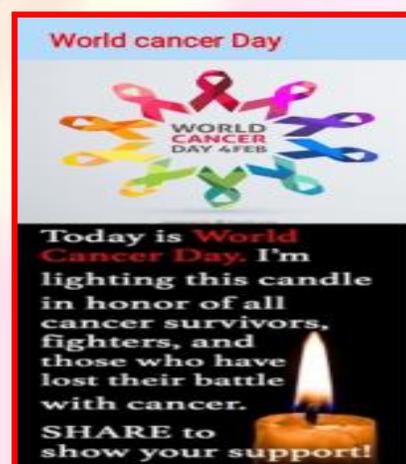

comprised of oral questions, riddles, audio and visual rounds. The knowledge of the participants was put to test in this quiz through various interesting as well as challenging rounds. The quiz was a great success and children enjoyed it a lot. The evolving curious minds that emerged as winners were students of teams Chota Bheem and Little Krishna. Everyone clapped and cheered the winning teams.

**Ms. Deepika Rupa**

## Special Assembly on "World Cancer Day"

Morning assembly helps us to cultivate a sense of belonging towards our school. It trains us to behave well and learn to respect and appreciate what others have done for us. The students of grade V presented a special assembly on the

theme "World Cancer Day on 4<sup>th</sup> February 2021. World Cancer Day is an international day marked on February 4th to raise awareness of cancer and to encourage its prevention, detection and treatment. World Cancer Day is led by the Union for International Cancer Control (UICC) to support the goals of the World Cancer Declaration written in 2008. The primary goal of World Cancer Day is to significantly reduce illness and death caused by cancer and is an opportunity to rally the international community to end the injustice of preventable suffering from cancer. World Cancer Day targets misinformation, raises awareness and reduces stigma. Multiple initiatives are run on World Cancer Day to show support for those affected by cancer. All the students of grade V participated in this assembly in which an inspirational thought, a new word and importance of the day were presented. Every student seemed very interested in understanding about world cancer day. The assembly was very thought-provoking and informative.

**Mr. B. Srinivas**

## Soft Paper Origami (CCA)

Origami is one avenue that provides both mental and physical stimulus with exercise. Origami helps to develop hand-eye coordination, fine motor skills and mental concentration. Use of the hands directly stimulates areas of the brain. It develops hand-eye coordination and builds self-esteem of the students. Through trial and error, kids who practice origami learn that many mistakes can be overcome. If they mess up a step, they can go back and re-fold. This teaches them perseverance. The students of grade 1 to 5 exhibited their talents by making beautiful and admirable roses with soft paper on 5<sup>th</sup> February 2021. They all were fully engrossed in the activity. The students made charming, pleasing and pretty roses with coloured paper, newspaper, tissue paper, soft paper, etc. The parameters to judge the origami roses were: creativity, complexity, precision and neatness. All the students participated with zeal and determination in the competition.

Ms. Saraswathi

All the students participated with zeal and determination in the competition.

## Assembly presentation by

Grade I-X Topic:

“Being Different”

*“The one who follows the crowd will usually go no further than the crowd. Those who walk alone are likely to find themselves in places no one has ever been before.” Francis Phillip Wernig.*

All people are different in their own ways. Each person has gone through different life experiences that helped to shape his/her personality. Experience gives people different characters and different attitudes towards things. That’s why they say experience is the best school. However, a lot of people are not comfortable being different. They always try to follow the crowd to avoid being judged even though they might have different ideas and different beliefs. They find comfort in being same with the rest of people. The students of grade JHCS, Shamirpet were very fortunate to have a week-long assembly on the theme “Being Different” from 8<sup>th</sup> February 2021 to 12<sup>th</sup> February 2021. Each class has conducted assembly differently with a lot of creativity which included sharing motivational thoughts, new word of the day, importance of the day, poems on the theme, etc. Every class presented Powerpoint Presentations each day highlighting the theme of the week.

All people are different in their own ways. Each person has gone through different life experiences

Every class presented Powerpoint Presentations each day

Mr.P.Praveen

## Special Assembly on "Safer Internet Day"

Morning assembly is a powerful way to instil discipline and also to set a joyful and focused tone for the day.

The Internet has been an amazing invention that has undoubtedly change the world in more ways than we can think of. We can connect to people faster, find things easier and transfer information at the speed of light. So much of our private lives and information get transferred over the internet. The students of Grade IV presented a special assembly on Safer Internet Day on 8<sup>th</sup> February 2021. Safer Internet Day reminds us to protect ourselves from the dangers and make the internet a little safer for everyone. Safer Internet Day came to exist officially in 2012 by an initiative of US Department of Homeland Security and the European Commission. Now it is celebrated in approximately 170 countries worldwide. The assembly started up with prayer song by Grade IV students followed by Anchoring by Rahemathi, Thought for the day by Shalini, Word for the day by Divyanshi, Article by Lakshita.

**Ms. Drishti Bhatia**

## Special Assembly on "World Radio Day"

Morning assembly is an influential way to instil discipline and also to set a joyful and focused tone for the day. The students of Grade II presented the special assembly on "World Radio Day". The World Radio Day is celebrated all over the world on February 13<sup>th</sup> every year. The day aims at promoting the medium and encouraging people to use it. The celebration also aims at encouraging the decision-makers to establish and provide access to information through radio, so that more public can engage with radio. The morning assembly was anchored by Ujwala, and started with the prayer song by Grade II students. The program continued with the "Thought for the day" by Himamshu, "Word for the day" by Yahiya, "Importance of the Day" by Aanya, and a beautiful poem by Karthik. The students participated with great zeal and had enriched themselves with the useful information on Radio.

**Ms. Chirajitha**

## Assembly Presentation By Grade I-X Topic: “Anything is Possible”

into so many things. There are huge educational benefits of origami for children and adults alike. In a nutshell, origami is a good for us as it develops eye and hand coordination, sequencing skills, maths reasoning, spatial skills, memory and also patience and attention skills. Origami always allows developing fine motor skills and mental concentration. CCA competition was held in our school for grades 6 to 8 on Hard Paper Origami on 12<sup>th</sup> February 2021. Children participated with a great enthusiasm and showed their skills and it was applauded. The competition was judged and the students were awarded with certificates.

We adore origami of children. We love the magic of turning a piece of paper into something useful. This is the most exciting activity with paper and scissors. Origami is very fascinating that one square of paper can be turned

**Ms. Madhuri Mishra**

## Hard Paper Origami (CCA)

**“Anything is possible when you believe in yourself.”**

We are all on a journey of discovery which will be made both more pleasurable and successful if we believe in ourselves. You are a work in progress on a never ending journey. What’s important is to keep moving forward, ensuring you’re heading in the right direction. Successful people do not see failures as failures. They see them as important learning lessons. The students from grade I to X are blessed to conduct assembly for one week on the theme “Anything is Possible” from 15<sup>th</sup> February 2021 to 20<sup>th</sup> February 2021. They all concentrated on achieving impossible things in life. Every class talked about great personalities who achieved great things. The assemblies were very informative. Motivational thoughts, new word of the day and importance of the day were shared with the help of PPTs during the assembly.

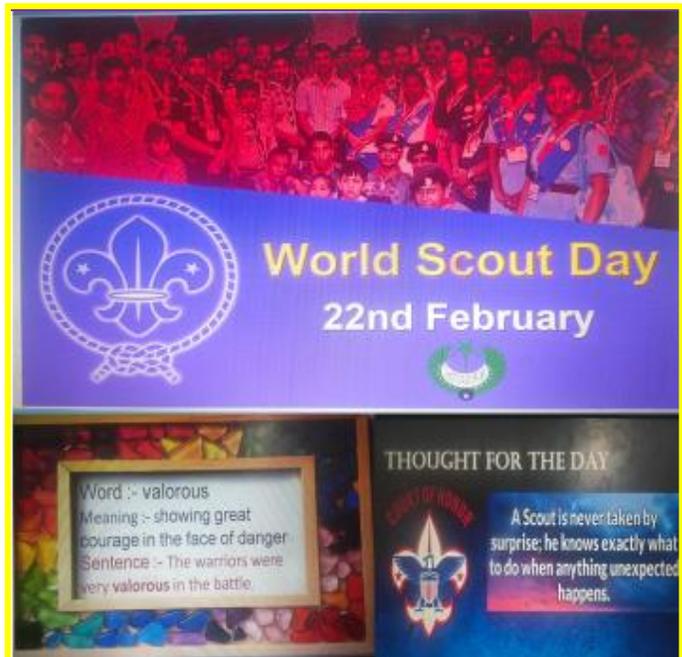

**Mr. P. Praveen**

## Special Assembly on “World Scout Day”

**“Life without adventure would be deadly dull”.**

Scouts' Day is a generic term for special days observed by members of the Scouting movement throughout the year. Some of these days have religious significance, while others may be a simple celebration of Scouting. Typically, it is a day when all members of Scouting will re-affirm the Scout Promise. World Scout Day is observed on February 22<sup>nd</sup> by all Scout associations worldwide as it was its Founder's (Robert Baden-Powell) Day. The students of grade 7 conducted a special assembly on the theme “World Scout's Day” on 19<sup>th</sup> February 2021. They presented a beautiful PPT and an inspiring video on Scout's Day. It was very informative and productive. All the students participated in the assembly with a lot of enthusiasm.

**Mr. P.Praveen**

## Healthy Food & Junk Food Activity

Healthy Food and Junk Food activity was conducted on 17<sup>th</sup> February 2021 with an objective to create and educate children about the importance and consumption of Good Food and Junk Food. Teaching young ones the concept, importance, differences, colour, taste of Healthy food and Junk food was so thrilling. It is so exciting for children to know which is good and harmful for health. Students were taught about food groups and importance of a balanced diet and how to grow healthy food in daily life.

All the children were able to identify and tell the difference between Healthy food and Junk food.

**Ms. Deepika Rupa**

## Assembly Presentation

By Grade I-X Topic:

“Beyond All Limits”

*“Take care of your minutes and the hours will take care of themselves.”*

Just a Minute is a competition which tests student’s creativity, presence of mind and command over language within a span of one minute. It invites the student speaker to speak on a given topic without hesitation, repetition or deviation.

Just a minute competition was conducted on the theme “Scientist” on 19<sup>th</sup> February 2021 for the students of grade 1 to 5. This JAM session provided a platform for the students to showcase their talent and expertise in an impromptu speech. The class teachers judged the students. Everyone appreciated and were delighted to see distinct talents of the students.

**Ms. Drishti Bhatia**

## Just A Minute (CCA)

BEYOND LIMITS matters because we all have those times in our lives where we think that we can’t do something. We make ourselves think that it’s going to be too hard, so we don’t bother trying. BEYOND LIMITS teaches people that no matter what may be in our way, whether it is a

disability or us just telling ourselves that we can’t, that we can do it. “Can’t” is just a word we use when we’re scared. JHCS, Shamirpet was all set to make the students to go beyond all limits, so that they achieve success in their lives. The students from grade I to X were given opportunities to conduct assembly for a week from 22<sup>nd</sup> February 2021 to 26<sup>th</sup> February 2021. They shared inspirational thoughts, new words and importance of the day each day. They spoke about people who have gone beyond all limits and achieved success in their lives. All the assemblies were very meaningful and motivational.

**Mr. P.Praveen**

## Special Assembly on “World Thinking Day”

*“The world as we have created it is a process of thinking. It cannot be changed without changing our thinking.” – Albert Einstein*

World Thinking Day is celebrated each year by the Girl Guides and Girl Scouts across the world on the 22<sup>nd</sup> February. Thinking Day originated from a desire by the Girl Guides and Girl Scouts to dedicate a day to thinking about and appreciating the global spread of these movements. The observance of Thinking Day has been celebrated every year since 1926, and began over 90 years ago. The special assembly was conducted by grade 1 students on the theme “World Thinking Day” on 22<sup>nd</sup> February 2021. The assembly was a thought provoking one for all the students of the class as the agenda included prayer, pledge, word of the day and thought for the day by delivering speech. All the students participated in the assembly very enthusiastically. **Ms.Supriya**

## Debate Competition (CCA)

Debate competition was conducted on 26<sup>th</sup> February 2021 for the classes 6 and 7 on the theme: “Is Technology a Curse or a Boon?” This competition not only developed the students speaking skills but also the sensitivity towards the environment and the uses of technology in a correct way. During the debate competition, the students argued on many critical points which are the major concerns of the nature and the people. The debate competition brought various viewpoints of the participants to the audience, a major thought being, that technology is a good servant, but it not a good master. All the participants aired out their views and debated well. The best team was appreciated and awarded. **Ms. Madhuri Mishra**

# ACHIEVEMENTS

**JAIN HERITAGE a CAMBRIDGE SCHOOL, SHAMIRPET has been awarded as Green School Initiative by Smartail's, Education Excellence Summit & Awards 2021 at Chennai.**
