JAM SESSION

Just A Minute (JAM) competition is a short time delivery speech with a given topic. JAM in Jain Heritage a Cambridge School was held on 2nd March 2020 for

Grades 1 to 5. The topics for the competition were Community helpers, Festivals, Seasons, My Role Model, My Dream Goal. The participants were confident, enthusiastic and presented their topics with utmost clarity and fluency. Few students even displayed pictures related to the topic. The judgment parameters for the competition were Content, Fluency,

Presentation, Confidence and Time. JAM competition allows to be more precise, prompt, topic oriented and time-bound.

Mrs.Saraswathi

Summer is an opportunity to hone certain life skills while having fun. It provides a platform for the tiny tots to explore and express their creativity. Keeping this in view we at JHCS organized 'A Day In Summer ' activity

on 6th March '2020 Friday. Children flaunted themselves in summer attire wearing cotton clothes and included accessories like sunglasses, hats and umbrellas. They brought seasonal fruits available during summer like oranges, watermelons, grapes and a variety of home made juices to beat the heat.

On this summer special day tiny tots enjoyed making lemonade under their teacher's guidance and supervision by using ingredients like lemon,

water, sugar, salt and ice. Students not only learnt how to make a lemonade but also set up a stall and sold the juice to students of higher classes and teachers as well. Through this activity students will also develop their math skills, creativity, logical thinking, teamwork, and communication skills.

Mrs.T.R.Deepika

Screening on Covid-19

Jain Heritage a Cambridge School conducted an Orientation program on the Pandemic situation of Coronavirus Covid-19 on 4th March 2020 in the school premises. The presentation comprised of explanation using audio visuals

and a PPT presentation about the virus and its effects on human health, followed by the precautions to be taken to avoid the same. The students of all classes from Pre- Primary to Senior Secondary participated in the awareness program. Proper Hand washing techniques with soap for 20 seconds and use of hand sanitizer

was demonstrated by the teachers. An exclusive session was conducted for the support staff by our Principal Ms.Saikumari Shankar. Posters designed exclusively for awareness on COVID-19 were

posted in the school premises and shared with parents to follow the safety precautions.

Mrs.Saraswathi

Holi is one of the major festivals celebrated in India. It is a festival of colours that signifies victory of good over evil. Students at JHCS Shamirpet celebrated the festival with great fun and frolic. Students came clad in traditional attire and sprinkled colours on their friends and teachers and enjoyed the celebration having a variety of sweets brought from home.

A special assembly was presented by the students to explain the significance of the festival and the mythological story behind the

celebration. Principal Ms.Saikumari Shankar addressed the gathering and emphasized on using natural colours and avoid colours containing harmful chemicals which can be hazardous to health. The students of Pre Primary smeared colours on their friends faces and wished a happy holi to all.

Mrs.Sandhya Rani

Achievement

"Success depends upon previous preparation, and without such preparation there is sure to be failure."

JHCS, Shamirpet received a "Certificate of Appreciation" from Shri Ram Chandra Mission for the outstanding contribution to the success of Heartfulness Essay Event supported by Brighter Minds-Enriching Younger Minds.

April

Zoom Classes

Learning has no boundaries...

As the Covid-19 virus sweeps across the planet, leading to quarantined cities and shut-down schools. In lieu of the reduction in the number of working days in Term I, and keeping in view the amount of syllabus to be completed during the 1st term, various schools have adopted remedial strategies to cope up with the loss. JHCS – Shamirpet, on its part went a step ahead and took an innovative step. They went to conduct online Zoom Classes for the 9th and 10th Graders in an effort to make up with the loss. The step stood to be out and out success with the students and the parents showing a keen interest in adopting to this innovative approach. The parents were found to be more than pleased. They were found to do the necessary arrangements to enable their ward to attend the zoom classes every day.

Miss.Shivaranjani

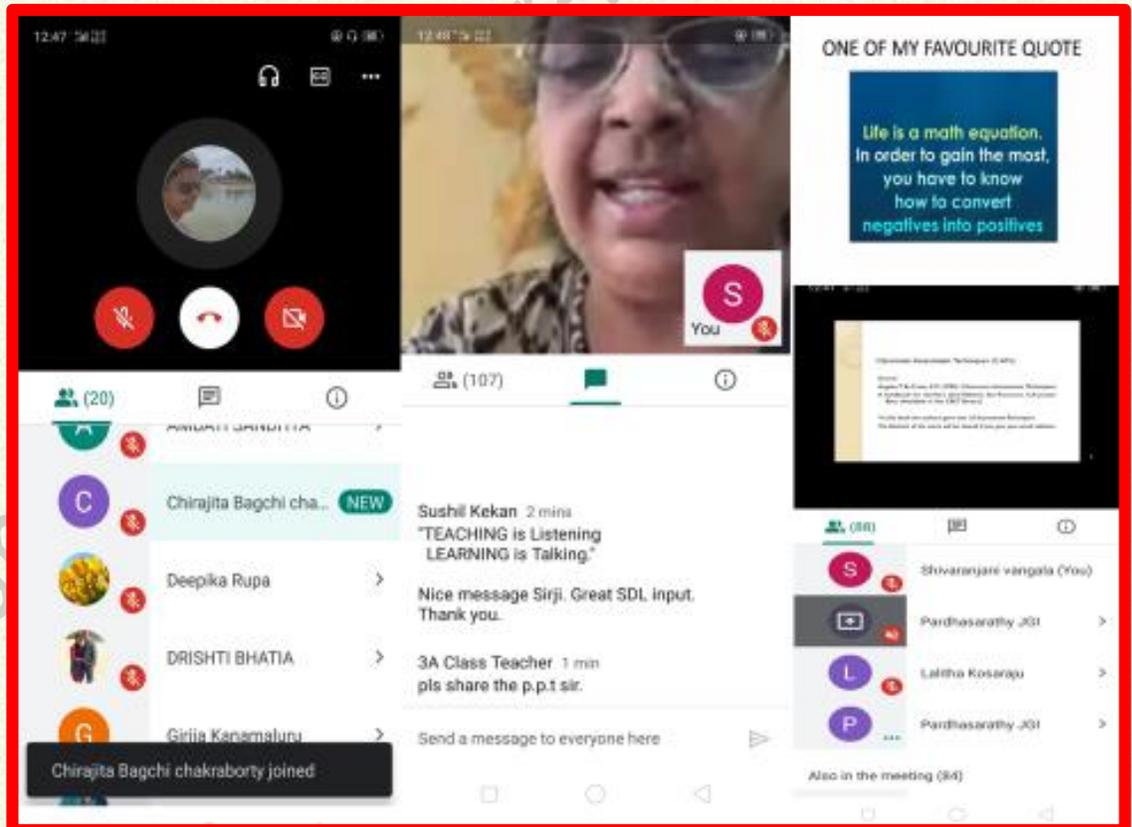

Heraclitus, a great philosopher, believed, “There is nothing permanent in the world except change”.

It is true that we are literally experiencing this change in our day-to-day life. And it is very essential to change ourselves with changing times. We know that JGI will be always forefront in adapting new changes in the world. And we all witnessed the Coronavirus pandemic which paved a way for JGI to host virtual conferences for training the teachers of different branches in India from March 30, 2020 to April 30, 2020 under the able

guidance of Dr. Laxmi Rao, Academic Director of JGI, Hyderabad on different topics which are need of the hour. JGI has provided an opportunity to teachers to be resource persons.

All the presentations by JGI resource persons were very informative, productive, marvelous and mind-blowing. All the teachers participated in the virtual conferences very actively and responded to the questions enthusiastically. The virtual conferences have helped all the teachers to equip themselves for the forth-coming digital academic session 2020 - 2021.
