The Month It Waz (August 2022)

Family Day

As the name suggests, Family Day is an event that is intended to allow loved ones to take a respite from their daily lives and spend quality time together. It enabled the students to recognize that the family provides a sense of belonging and a unique identity to them. It also created a special emotional feeling in the students about their family. One of the best things about this occasion is

that there is no single “requirement” for the activities to be celebrated; Family Day is flexible as it is relaxing. This day was held @ JHCS Shamirpet with the same intention. The Toddlers along with their parents had a gala family time. Parents loved to see their tiny tots dance and also set the stage ablaze with a dance performance with the entire family. The first program of Toddlers was a successful one.

Ms. Shradha (Nursery Teacher)

Unity in Diversity

Unity in Diversity is defined as the concept of showing unity without uniformity and diversity without fragmentation. It is used to show the unity between a group of individuals despite them being from different religions or cultures.

By the below given photographs, we can see very clearly that people of different religions, creeds, castes, languages, cultures, lifestyle, dressing sense, faith in God, rituals of worship, etc. live together with harmony under one roof and that is our nation, a heaven for secularism, India.

Naseema Khanum (HOD English)

Friendship Day

Friendship is one of the greatest bonds anyone can ever wish for. Friends are those who helps you, enjoy with you and understands you. Friendship is a devoted relation between two individuals. Friendship is one of the most precious gifts of life. A friend is someone with whom you can share your joy and sorrows and who helps you in your need. Lucky are those who have friends they can trust. Friendship boosts your happiness and reduces your stress.

We grade 6 conducted a special assembly on FRIENDSHIPDAY on August 6th 2022, we performed a flash mob as a surprise for my fellow friends.

Shalini.I (Grade VI)

PTM 1

The very first parent teacher meeting (PTM) for the academic year 2022-23 was conducted on 6th August 2022. It was beneficial and fruitful for the parents and teachers both. It was a nice forum to reflect upon the child's progress and areas to be developed further. Parents were very happy with the staff members and teachers and thanked the teachers for helping their children to improve learning and developing the confidence within. The

parents admitted that patience and commitment of the teachers towards the improvement of their ward was really commendable. All the parents acknowledged the teachers for being supportive and cooperative in taking care of their wards. The attendance of the parents was really appreciable and motivating for the teachers for every classes. The PTM came to an end with the conclusion that the joint effort, mutual understanding and co-operation of parents and teachers are very important for the proper nourishment and progress of students.

Chirajita Bagchi (EYP Coordinator)

Quit India Movement

Quit India Movement is also known as the India August Movement or August Kranti.

It was officially launched by the Indian National Congress (INC) led by Mahatma Gandhiji on 8th August 1942.

The movement gave the slogans 'Quit India' or 'Bharat Chodo'. Gandhi gave the slogan to the people – 'Do or die'.

In line with the Congress ideology, it was supposed to be a peaceful non-violent movement aimed at urging the British to grant India independence.

The students of Grade IX, presented a Special Assembly to explain the importance of Quit India Movement.

World Bio Fuel Day

World Biofuel Day is celebrated on August 10 to raise awareness about the unconventional sources of fuels that could work as a substitute for conventional fossil fuels. The day is also observed to highlight the various efforts of the government in the biofuel sector.

Biofuels not only help in ensuring a cleaner environment but also generate additional income and employment

in rural areas. Realising its importance, the Union government and private organisations undertake programmes to raise awareness about the significance of non-fossil fuels. One such initiative conducted by the Food Safety and Standard Authority of India in association with the health ministry in 2019 was called 'Repurpose of Used Cooking Oil'. The initiative collected used oil from hotels and restaurants and sent it to the biodiesel plants for blending. Students of grade 10 , through their Special Assembly explained about the significance about biofuels and also conservation of biofuels V. Adya hosted the special assembly , Rasool directed the assembly by pledge , following the trail, Nivyana shared the new word and thought for the day was read by Siri Chandana . Sai Snehitha shared the importance of the day.

D . Snehitha (Grade X)

International Youth Day

We, the students of Grade-9 conducted the special assembly on the International Youth Day. The international Youth Day is celebrated on August 12 each year to recognize efforts of the world's youth in enhancing global society. It also aims to promote ways to engage them in becoming more actively involved in making positive contributions to their communities.

Youth is the joy. It is a time of development.

It is the time for growth and change. It plays an important role in the development of our society. It has the capabilities to bring social reforms and improvement in society. The youth generation has to be very responsible and say no to drugs. Youth empowerment can eradicate poverty from the country. Lastly, we can say that youth play a very important role in our society.

Vaali Keerthan (Grade IX)

Har Ghar Tiranga

'Har Ghar Tiranga' is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag. JHCS Shamirpet students had actively participated in this initiative and had shown their patriotism towards our Nation. Here are few glimpses of this event.

Rajkumar. P

Flag Making Activity

Every citizen of a nation or a country has the utmost respect and patriotic feeling towards our country. This innate feeling arises considering the sacrifices and battles that the nation has gone through and to respect all the lost lives for the nation.

To inculcate the feelings of patriotism, Flag Making Activity was conducted for Toddlers section on 12th August 2022(Friday). The young ones made the flag with tri colours (saffron, white, green) using colours, papers, and ice-cream sticks. The children showed their earnest efforts.

Ms. Smruti

JAM (CCA)

MY FAVOURITE SPORT AND HOLIDAY SPOT

'Travel makes one modest. You see what a tiny place you occupy in the world.'

- Gustave Flaubert

CCA competition was conducted on the topics my favourite toys/cartoons, my favourite game and holiday spot. My Favourite Game is a moderately challenging topic for children.

They need to recall certain facts about the game of their choice and express why it is their favourite. Games will make everyone physically and mentally fit Healthy life. Games will play major role in student's life. Which will bring out the student's inner talent.

The students of Grades 1 to 10 have shared their memories about their favourite toys/cartoons, favourite sport and Holiday Spot. Holidays are the most incredible time of the year because they allow us to explore new things and relax. We can get together with our friends and family during the holidays. Holidays are best to give our mind and body some rest from everyday life.

When writing about a game, start by talking about the game's popularity. Write about the different aspects of that game that makes it your personal favourite.

The CCA activity helps the children learn about thought process and also used for problem solving in day to day life situations.

Winners (Grades 1-10)

Tarutra

Independence Day

Independence Day is significant as it celebrates the valour and spirit of the freedom fighters who fought for the independence of the nation from British rule. We as Indians pay respect to all the leaders who fought bravely for our nation's freedom in the past. On Independence Day 2022, the Prime Minister of India will hoist our tricolour flag at the Red Fort, Old Delhi. On this auspicious day, at JHCS-SP celebrated Diamond Jubilee of FREEDOM. We started the program with March past, then hosted our Indian flag with lots of respect, after that cultural programs and sports activities were performed by students.

Rajkumar. P

World Photography Day

I love photography.

It helps us to store the past.

I came to know the importance and meaning of the photography i.e “drawing with light”.

Kanishka (Grade IV)

World Humanitarian Day

18th August is celebrated as World Humanitarian Day. I enjoyed the assembly. My friends said that we should be kind to others. Our assembly included new word and thought of the day. It was joyful. Board was decorated with a thought and some pictures.

K. Aryan Murthy (Grade III)

Janmashtami Celebration

Janmashtami is celebrated as the birthday of Lord Krishna, one of the most powerful and famous reincarnations of Lord Vishnu. According to the Hindu calendar, this festival is celebrated on the Ashtami of Krishna Paksh or the 8th day of the dark fortnight in the month of Bhadon. This day indicated the beginning of hope in the older times; hope, that the malicious rule of Kansa would soon end.

To seek the blessings of Lord Krishna, the special assembly of Janmashtami was conducted by the pre-primary section at Jain Heritage - A Cambridge School, Shamirpet. Dressed as Radha and Krishna, the cute little ones added a traditional touch to the entire celebrations, when they danced to the beats of Janmashtami song.

A lot of fun-filled activities like dancing, bal gopal pooja, storytelling, peacock feather making and the main attraction of the event was 'Hunt Of Chocolates From The Magic Pot'. The purpose of the flamboyant celebration was to inculcate value of sharing and respect in the students. Our respected Principal ma'am, co-ordinator ma'am and all the pre-primary teachers encouraged the students and enjoyed the function thoroughly.

Ms. Arpita (UKG Teacher)

Women Equality Day

“Empowering women isn't just the right thing to do, it's a smart thing to do” -Barack Obama

August 26th is celebrated as women's equality day all over the world. It was because the united congress adopted the 19th Amendment to the Constitution, also known as the 'Susan B. Anthony Amendment,' in 1920, which gave women the right to vote. As per the legislation, it was illegal to deny any citizen of the US the right to vote based on their gender.

In 1971 a congress representative named Susan B. Anthony held a strike for a whole day seeking for equality for women in the society. This included three goals: free abortion, equal opportunity for working and free child care.

And the students of Grade IX held an assembly stating the importance of why do we celebrated women's equality day. Students got awareness that women play an important role in the society. The assembly started with prayer followed by the school song. An inspirational thought regarding women's equality day was shared by Samyuktha and a new word by Srija to improve the vocabulary. It was followed by the importance of women's equality day which was given by Harshil which included the introduction of Susan B. Anthony. A daily news report was shared by Sakshith and the assembly was concluded by the National Anthem.

B.N.V.K Srija (Grade IX)

Ganesh Idol Making (CCA)

Anyone would pleasantly shocked to see the many eco-Friendly Ganesh idols that adorned our school campus on 26/08/2022. The response from our JHCS shamirpet students from grades I-X was awesome and overwhelming. Children realized how and why the things that we borrowed from nature should be returned to the nature. Careful attention was given to the minute details by the teachers to the students. They learnt the correct way of cutting, holding and rolling the clay, they got totally engrossed. Our children came out with a great creativity.

Children and Teachers enjoyed every part of the activity and some students decided to worship their own idols on coming ganesh festival. Some students have worked before with clay and it was a new experience for many. There were many takeaways form students, enjoying the clay, learning a new art form, enjoyment of participating in activity with friends, love for nature, importance of recycling etc. We are extremely happy with our children enjoying and learnings from a fun based eco-friendly activity.

All in all, students had a great time, greater learnings and greatest fun in this activity.

National Sports Day

“I always felt that my greatest asset was not my physical ability, it was my mental ability.”- Bruce Jenner

The National sports day in India is celebrated every year on 29th August on the birth anniversary of hockey legend Major Dhyan Chand. Major Dhyan Chand is a famous hockey player and the proud winner of Rio Olympic gold medals. On this auspicious occasion, the students of Grade VIII conducted a special assembly on the National sports day on 29th August 2022. The Assembly aimed at installing the spirit of sportsmanship among the students in this fast growing globalised world. The students of Grade VIII insisted upon playing outdoor games which helps us to be fit, physically. On this Occasion Akshara of Grade VII conducted Quiz on the Sports Achievements. This was very informative and motivating. An Article was read by Akshaya about Importance of Sports for a Healthy life. Sports not only develop a sense of friendliness and team spirit but also helps develop physical toughness and mental health. It shapes the body, makes it strong and active. Sports bring everyone together and through sports, we can create a healthy society and when we have a healthy society, we will surely have a healthy state or a healthy nation.

Small Industry Day

"A small business is an amazing way to serve and leave an impact on the world you live in." -Nicole Snow

Students of Grade VII presented a Special Assembly on this topic to bring in awareness and importance of small industries of this day amongst the students.

The National Small Industry Day is celebrated on **30th August**. This day is especially dedicated to motivate and promote small industrial business.

I am Greeshmanth Reddy of Grade VII and I hosted the special assembly on Small Industry Day. The program was continued with the "Thought for the day" by Sree Anjali, "New Word for the day" by Jhansi Rani, and "Importance of the Day" by Syed Abdul Aahil. It was a well-planned special assembly which was also well executed. The assembly concluded by singing our proud National Anthem.
