## PRINCIPAL MESSAGE

As we bid goodbye to 2024, I look back to what we achieved through out the year and particularly in the month of December. In a world torn between conflicts and disasters, our school has shown remarkable enthusiasm, dedication, and teamwork in all our activities. Focus of the month was Annual Sports Meet held on 14th December 2024. Thank you all for being there to witness and appreciate the talent and hard work of the students.

We celebrated memorable events like National Mathematics Day , Christmas carnival etc. Each occasion brought out moments which are unique and contributed to our growth and success. I am proud of what we've achieved together and look forward to even greater accomplishments ahead in 2025.

By Dr.Swathi Bhattacharya  
Principal JHCS Shamirpet

## INDIAN NAVY DAY

Many years ago, in 1971, the Indian Navy did something very brave. They fought against Pakistan in a war and won! This was called Operation Trident. To remember this brave act, we celebrate Indian Navy Day on December 4th. We thank the Navy personnel for keeping us safe. The theme for 2024 is "Strength and Power through Innovation and Indigenisation."

This theme has underlined the Navy's interest in self-reliance, particularly through technological upgradation.

One small dance performance of grade-4 was filled with warmth, joy, and laughter, making the day truly unforgettable for the young audience.

Let's salute our brave Navy!

# WORLD SOIL DAY

World Soil Day is observed annually on December 5 to highlight the importance of soil health and sustainable soil management. The day was established by the International Union of Soil Sciences (IUSS) in 2002 and later adopted by the United Nations General Assembly in 2013.

## Importance

Soil is a vital component of our ecosystem, providing:

1. Food security through agriculture
2. Water filtration and storage
3. Carbon sequestration and climate regulation
4. Habitat for diverse plant and animal species
5. Medicinal resources and natural remedies

## CCA- COMPETITION: KABADDI/ RACES

The Annual Sports Meet is a spectacular showcase of talent and teamwork. To keep the spirit of sportsmanship the students from Grade 1 to 7 showcased their athletic talents in the spirited CCA competition! The roaring cheers of classmates filled the air, creating a vibrant atmosphere as teams battled it out on the kabaddi field, displaying not just strength but incredible teamwork and strategy. Meanwhile, the races brought a flurry of color and speed, with our young athletes sprinting with gleaming determination, their faces beaming with joy and competitiveness! As parents and teachers cheered loudly from the sidelines, the camaraderie and sheer enthusiasm reminded us all why these events are so cherished. It was an unforgettable day filled with laughter, cheers, and the delightful spirit of sportsmanship!

## ANNUAL SPORTS DAY

Annual Sports Meet at JHCS- Shamirpet is a much-anticipated event that celebrates the spirit of sportsmanship, camaraderie, and holistic development among students. This year's meet was held on 14th December, 2024, featuring an engaging and diverse program that brought together students, parents, and staff alike. The event commenced with a warm welcome extended to our distinguished guests Brigadier Inder Sethi and Guest of Honour Dr. Srikanth Pulluri including esteemed dignitaries and parents, whose presence added to the event's significance. The official flag hoisting ceremony followed, symbolizing unity and pride within the school community. The school flag fluttered high, signaling the beginning of the festivities. A unique aspect of this year's event was the presentation of saplings to our guests, representing our commitment to environmental sustainability and nurturing growth both in nature and in our students. In keeping with tradition, we paid homage by garlanding the idol of Ganapati, followed by a lamp lighting ceremony, which was accompanied by the chanting of a shloka, invoking blessings for a successful event. A vibrant welcome dance performed by students set the tone for the day, showcasing their talents and energy. The march past followed, with students proudly parading in their respective houses, exemplifying discipline and teamwork. The torch lighting ceremony marked the spirit of competition and sportsmanship, igniting excitement among participants. Students took the Sports Oath, promising to adhere to the principles of fair play and respect during the events.

With great enthusiasm, the Chief Guest officially declared the Annual Sports Meet open, inspiring students to give their best. Principal Ma'am delivered an inspiring welcome address, emphasizing the importance of sports and physical education in overall development. Chief guest and Guest of honour shared their valuable thoughts. They Distributed Prize for different categories games for Secondary and Sr. Secondary students. The program continued with mass drills performed by BIT's toddlers, showcasing their coordinated movements and enthusiasm. The first and second mass drills exemplified teamwork, followed by a delightful display by the toddlers from Shamirpet.

The excitement heightened as Ms. Subbulakshmi Ma'am presented awards for the toddlers' races, recognizing our youngest athletes' efforts. Ms. Lalitha Ma'am followed with prize distribution for pre-primary races in Shamirpet, encouraging the spirit of competition among our young learners.

The primary races commenced, filled with cheers and support from the audience, as participants demonstrated their athletic abilities. In a unique twist, a Vedic math session highlighted the integration of academics into the sports meet, showcasing students' cognitive skills. The event got a lively boost from a Zumba session led by students, promoting health and fitness in a fun way. Dr. Mona Mehdi awarded the prizes for primary races, celebrating the students' hard work and determination. The day continued with exhilarating races for students under 14, showcasing their competitive spirit. Our CEO Sir Dr. Chandrashekhar D P delivered an encouraging address, highlighting the significance of sports in shaping character and leadership skills. A thrilling Taekwondo demonstration captivated the audience, demonstrating discipline, focus, and skill.

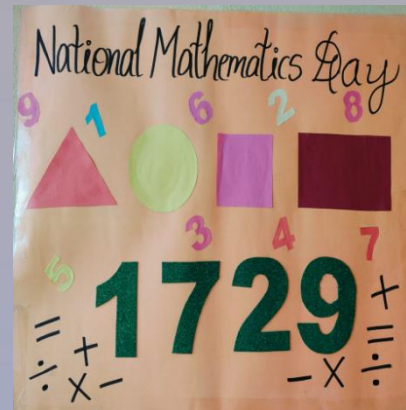

## NATIONAL MATHEMATICS DAY

JHCS SHAMIRPET celebrated National Mathematics Day on 20th December through a competition on how fast one can calculate numericals. Children of 3-7 grades participated, on addition and subtraction of 13 digit numbers. First, second and third all prizes went to G7. Winner took 30 seconds to solve the winning problem.

## FAVOURITE VEHICAL TALK SHOW(TODDLERS)

# KISAN DAY

Kisan Diwas, also known as National Farmers' Day, is celebrated on December 23rd every year in India. Here are some reasons why Kisan Diwas is important:

Kisan Diwas, also known as National Farmers' Day, is celebrated on December 23rd every year in India. Here are some reasons why Kisan Diwas is important:

1. Birth Anniversary of Chaudhary Charan Singh: Kisan

Diwas is celebrated on the birth anniversary of Chaudhary Charan Singh, the 5th Prime Minister of India. He was a strong advocate for farmers' rights and implemented several policies to improve their lives.

2. Tribute to Farmers: Kisan Diwas is a tribute to the hard work and dedication of farmers who are the backbone of India's economy.

conomic Importance

1. Agriculture's Contribution to GDP: Agriculture is a significant contributor to India's GDP, accounting for around 18% of the country's total GDP.

2. Employment Opportunities: Agriculture provides employment opportunities to millions of people in rural India, making it a vital sector for the country's economy. Environmental Importance

1. Conservation of Natural Resources: Farmers play a vital role in conserving natural resources like water, soil, and biodiversity.

2. Sustainable Agriculture: The adoption of sustainable agricultural practices helps reduce the environmental impact of farming, ensuring a healthier planet for future generations.

In summary, Kisan Diwas is important because it recognizes the contributions of farmers to India's economy, food security, and environmental sustainability. It also highlights the need to support and empower farmers to ensure a brighter future for rural India.
