PRINCIPAL'S MESSAGE

We are delighted to have you all as reader of our school Newsletter. Please give your feedback on the new name assigned to our Newsletter. We recall our activities and achievements for the month of October 2024, through this issue.

I would like to thank you for joining us in PTM 3. Your suggestions are being implemented to further strengthen holistic development of our students.

Additionally, as we enter the month of November, I want to remind you that Sports day practice has started in full swing. This is on top of rigorous academic activities, particularly for board going students.

Please feel free to connect with your child's teacher, gain insights into their progress, and discuss any questions you may have.

We truly appreciate your ongoing support and participation in school activities and events. Together, we can ensure that your child's educational journey is filled with positive experiences and growth.

Principal JHCS, Shamirpet

Dr. Swati Bhattacharyya

DUSSHERA AND BATHUKAMMA CELEBRATION

We at Jain Heritage A Cambridge school campus Shamirpet celebrated Dusshera and Bathukamma in an auspicious way to mark the triumph of good over evil the epic of Ramayan inspires us to conquer our inner demons.

In the program under the guidance of our respected Principal Madam Dr Swati Bhattacharyya and co-ordinator Thirupathi Reddy sir and all teachers participated. Students from all classes came in traditional dresses. All students and teachers joyfully participated in singing and dancing to the tunes of festive songs of Bathukamma. That was followed by burning of effigy of ten headed demon king Raavan, which symbolises and teaches us that no matter how powerful evil may seem, goodness always prevail.

MID TERM FACULTY PROGRAM

Celebrating the Spirit of Continuous Learning: The Mid Term FTP "AI @JGI" at JHCS Kondapur

The Mid Term Faculty Training Program (FTP), "AI @JGI" was held at JHCS Kondapur on October 3rd and 4th. It was a resounding success, embodying the spirit of continuous learning and growth. The event kicked off with the inauguration of the Herbal Zone, symbolizing the nurturing environment that JHCS fosters for both educators and students alike.

Ms. Lalitha Kosaraju, the esteemed Joint Secretary Academic Council, set the tone with her welcoming address, emphasizing the importance of embracing change and the integration of technology in education. Dr. Chandrashekhar DP, the respected CEO, inspired the educators with a powerful message, redefining JGI's ethos as 'Joyfully Gratefully Involved', encouraging a culture of self-improvement and fearlessness in the face of the unknown.

The first day was marked by insightful sessions, including invaluable mentoring tips from Ms. Vidya of Prepmyskills and practical guidance on exam cell document management by Ms. Sangeetha. The atmosphere was electric with shared ideas, robust discussions, and a sense of camaraderie that only a festival of learning could bring.

Day two saw the teachers from various branches come together for micro-teaching sessions, showcasing their teaching prowess and engaging in constructive feedback. The highlight was the session on POCSO by Shikha ma'am, which provided tremendous value to the attendees. The day culminated in a beautiful celebration of Bathukamma, reflecting the rich cultural tapestry of the community. The FTP concluded with the distribution of certificates to the dedicated teachers, acknowledging their commitment to professional development. This event was not just a training program but a testament to the power of community, collaboration, and the relentless pursuit of knowledge. As we reflect on the success of the FTP "AI @JGI", it's clear that such initiatives are pivotal in shaping the future of education. They serve as a beacon, guiding educators to innovate, inspire, and impact the lives of students in profound ways.

WORLD FOOD DAY

" Take only what you need and use completely what you take ."

Food is precious gift from nature and we should not waste food. Food is a source of life for every living beings on our planet. Without food there is no life, it is as simple as that !

Food also played a pivotal role in exchange of culture through out the world, by trading since ancient times. Food is obvious and essential. Healthy food provides us the nutrients and energy to develop and grow, be active and healthy to move, play, work, think and learn. The day is marked not only to celebrate the amazing food that we get to eat every day, but to also spread awareness about those who struggle to get even one meal a day. Grade 2 Children were made aware about the different food nutrition, and how they help in one's growth.

Children were requested to bring different types of home made food items. This was to make our children aware that home made food is not only tasty but also healthy. Parents joyfully and enthusiastically sent food for their children. The food was arranged in the class as buffet, Children enjoyed eating variety of tasty food and every moment on this special day.

" Right to food for a better life and a better future. "

INTERNATIONAL POVERTY ERADICATION DAY

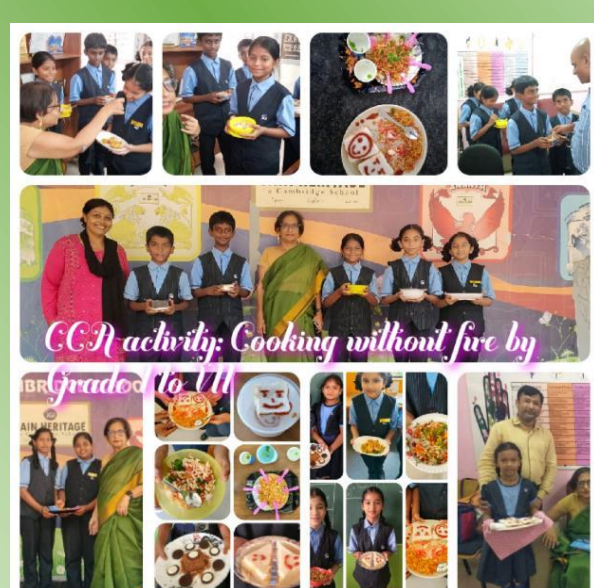

Every year on October 17th the world celebrates International Poverty Eradication Day. Day for the International Eradication of Poverty aims to promote understanding and dialogue between people living in poverty and society at large. It serves as a reminder that poverty is a complicated, multifaceted problem that affects factors such as access to health care, education and social inclusion, rather than simply a lack of income. While eradicating poverty is a difficult task, tackling the problem could go a long way towards promoting economic stability, diversification and sustainable growth in commodity-dependent regions. The day highlights the value of co-operation, human rights and social justice in the fight against poverty.

Grade 7 students has presented a special assembly, on this occasion, with an amazing speech, a good thought and a valuable new word, and its Importance.

CCA- COOKING WITHOUT FIRE

JHCS Shamirpet has been a beacon of innovative education, and their recent events is a testament to their commitment creativity and practical learning. On the 18th of October, 2024, the school hosted a unique 'Cooking without Fire' activity for students from Grade 1 to Grade VII. This event was not just about cooking; it was a holistic educational experience that combines nutrition, teamwork, and resourcefulness. The concept of 'Cooking without Fire' has gained popularity, especially in educational settings, as it encourages students to think beyond the conventional methods of cooking. It promotes an understanding of raw foods, their nutritional values, and the art of creating delicious dishes without the need of heat. This form of culinary art is particularly important in today's fast-paced world, where the appreciation for the natural taste and health benefits of food is often overlooked. At the Jain Heritage Cambridge School, the event was more than just a competition; it was a platform for students to showcase their creativity, learn about healthy eating habits, and understand the importance of safety in the kitchen. The activity also highlighted the school's focus on co-curricular activities, which are essential for the all-round development of students. The enthusiasm of the young chefs was palpable as they prepared a variety of dishes ranging from salads and sandwiches to smoothies and desserts. The event was a colourful display of fresh ingredients and innovative recipes, all created with the joy and innocence that only children can bring to the table. Such events are crucial in shaping the minds of young learners, teaching them valuable life skills, and instilling in them a sense of independence and confidence. The Jain Heritage Cambridge School's initiative is a shining example of how schools can integrate fun and education, and how cooking can be a delightful and educational experience, even without the flame.

WORLD STATISTICS DAY

World Statistics Day is an international day to celebrate statistics. It is observed with a specific theme once in every 5 years on 20 October. It is celebrated to recognize the importance of reliable and timely data in making informed decisions at all levels of society. From governments to businesses and individuals, statistics help in understanding trends, planning for the future, and improving outcomes in areas like education, healthcare, and economics. This year's theme highlights the role of statistics in sustainability, aiming to ensure that decisions we make today benefit future generations.

SGF DISTRICT LEVEL VOLLEYBALL/KABBADI TOURNAMENT

The SGF District level volleyball competition has been a thrilling event for the young athletes of Kushaiguda. The under-14 team, led by the dynamic Skandhavi, and the under-17 team, with the formidable Vijayadurga, showcased their exceptional skills and teamwork. Securing second place in such a competitive environment is no small feat, and it speaks volumes about their dedication and sportsmanship. These young stars have not only honed their athletic abilities but also demonstrated the true spirit of sports by playing with integrity and passion. Their journey to the podium has been filled with powerful serves, strategic plays, and an unwavering will to succeed. The teams' performance has brought pride to their coaches, families, and the JHCS community.

Let's give a round of applause for these amazing athletes who have proven that with hard work and perseverance, the sky is the limit. Congratulations to the Skandhavi and Vijayadurga teams for their outstanding achievement! Keep soaring high, and continue to inspire with your incredible talent and zeal for volleyball.

JHCS- Shamirpet. In SGF games under 14 from Grade VIII Skandavi selected for State level kabaddi competition . Let's congratulate her in this proud moment.

ASSEMBLY PRESENTATION ON DETERMINATION

The JGI School buzzed with excitement as Grade 8 students took centre stage for an assembly dedicated to the powerful theme of "Determination." This event, held on 23rd October, 2024, was not just another routine gathering; it was a vibrant showcase of youthful enthusiasm and unwavering resolve. The assembly opened with anchoring by Roshini, pledge by Prem Sai and new word by Rehmati. A Small story by Akshitha that captured the essence of determination. The students performed a heartwarming portrayal of sportsman who had overcome significant challenges through sheer perseverance. The audience was visibly moved by the depiction of these inspiring journeys, reminding everyone that determination can indeed move mountains. Following the story , importance of the day by Lasya further delved into the concept of determination. An interactive segment followed, where students engaged in activities designed to test and build their determination. Thought of the day by Abhinay that determination is the key to unlocking potential and achieving goals. The assembly concluded with a pledge, led by the students, committing to apply the principle of determination in their daily lives. This collective promise resonated throughout the hall, leaving a lasting impression on all present. The Grade 8 assembly on determination was more than an event; it was a celebration of the indomitable spirit that resides within each student. It served as a reminder that with determination, there are no limits to what can be achieved. The JHCS-Shamirpet is proud of its Grade 8 students for organizing such an impactful assembly and looks forward to seeing these young minds apply the lessons learned to their future endeavors. As the students filed out of the , there was a sense of accomplishment in assembly area air. The assembly on determination had clearly left its mark, inspiring all to face challenges with courage and resolve. It was a day that would be remembered, not just for the lessons imparted but for the determination ignited in the hearts of everyone who attended.

GEARING UP FOR THE SPORTS MEET

"Countdown to Victory: Students Gear Up for Annual Sports Meet"

The anticipation is palpable as students, teachers, and parents eagerly await the Annual Sports Meet. Here's a sneak peek into the preparations: Training Sessions Intensify

- Students sweat it out on the tracks, fields, and courts, honing their skills.
- Coaches and physical education instructors provide expert guidance.
- Students bond over team-building activities, fostering camaraderie and strategy.
- Captains lead by example, motivating their teammates.

UNITED NATION DAY

We are very pleased to inform every one that we conducted UN DAY 2024 at Jain heritage Cambridge school campus shamirpet .

Today's program began in morning assembly grade 9 students took part to show case their skills Santhoshini did anchoring Pledge by Nagadevi, thought of the day by Lalitha, new word by Hema Chandan and importance of the day was presented by Akshara. Additional presentors were - news by Maheshwari and quiz by Abhigna. Assembly concluded with National anthemm. Through the program students enriched their vocabulary and presentation skills, which are very important for their growth. By conducting event like UN day they were able to understand the global issues and form an opinion on them.

CCA - DIYA MAKING

CCA Competition: Diya Making by Grade 1 to VII

JHCS Shamirpet hosted a vibrant and creative Diya making competition, celebrating the traditional art that lights up homes during festive times. Students from Grade 1 to Grade VII showcased their talents, infusing life into clay with their tiny, dexterous hands.

The competition was judged on four critical criteria, ensuring a holistic assessment of each participant's work. Relevance and neatness were given the highest weightage, with three points each, emphasizing the importance of the Diya's significance and the meticulous effort put into crafting each piece. Creativity and overall presentation followed closely, with two points each, allowing the students to express their individuality and artistic flair.

The enthusiasm and excitement were palpable as students engaged in this cultural expression, learning not only about the art of Diya making but also about the values of patience, precision, and originality. Such events are a testament to the school's commitment to nurturing the creative spirits and cultural awareness of its students. Kudos to all the participants for lighting up the event with their bright and beautiful creations!

PARENT TEACHER MEETING, CAREER COUNCELLING AND ART GALLERY

The JHCS- Shamirpet today held its third Parent-Teacher Meeting (PTM-3) following the inauguration of art gallery, marking a day of celebration and forward-looking discussions. The event commenced with a badge distribution ceremony at 11 am, honoring students with 100% attendance and class toppers, alongside the presentation of faculty appreciation awards. This gesture not only recognized the hard work and dedication of the students and teachers but also set a tone of excellence for the school community.

The PTM-3 continued with a comprehensive career counselling session, divided into four distinct tracks to cater to the varied educational stages of the students. For the younger attendees along parents in PP-G2, the focus was on 'Early Childhood Education Programs' by Ms. Supriya. Parents along with students in grades G3-G5 delved into 'Active Learning' by Ms. Meenakshi while grades G6-8 explored 'Experiential Learning' by Ms. Sarandha Singh, underscoring the value of learning through doing.

The senior-most groups, grades G9-12, participated in career counseling by Ms. Swati Bhattacharya, Principal of JSCH a crucial step in preparing them for their future academic and professional journeys. The sessions were expertly managed by the team of dedicated in-charges and each bringing their expertise to ensure a tailored and impactful experience for the students.

Parents expressed their satisfaction with the opportunity to discuss their wards' progress and the school's initiatives to support their growth. The PTM-3 at JHCS School was not just a meeting but a testament to the institution's commitment to nurturing well-rounded individuals ready to face the challenges of tomorrow. The school community looks forward to building on this momentum and continuing to provide an environment where every student can thrive.

HALLOWEN DAY

Every year on October 31st the world celebrated each year on October 31, and Halloween 2024 will occur on Thursday, October 31. The tradition originated with the ancient Celtic festival of Samhain, when people would light bonfires and wear costumes to ward off ghosts. In the eighth century, Pope Gregory III designated November 1 as a time to honor all saints. Soon, All Saints Day incorporated some of the traditions of Samhain. The evening before was known as All Hallows Eve, and later Halloween. Over time, Halloween evolved into a day of activities like trick-or-treating, carving jack-o-lanterns, festive gatherings, donning costumes and eating treats.

Today class 4 students has presented a special assembly with an amazing speech, a good thought and a valuable new word, along with a beautiful Dance.

EKTA DIWAS

JHCS in Shamirpet held a special assembly to commemorate Ekta Divas, also known as National Unity Day, which is observed on October 31st to honor the birth anniversary of Sardar Vallabhbhai Patel, a key figure in India's struggle for independence and subsequent unification.

Grade VIII students took the lead in organizing the event, showcasing the rich tapestry of India's cultural heritage and the spirit of unity that binds the nation together. The assembly was anchored by Rehemathi, who guided the proceedings with poise, while Prem Sai led the pledge, reminding everyone of the shared values that form the foundation of the country's unity. B. Ruthvik provided the

'Thought of the Day,' inspiring his peers with words of wisdom, and G. Saiesh Reddy elucidated the significance of Ekta Divas, emphasizing the importance of maintaining the integrity and sovereignty of the nation. The speeches delivered in English by Roshini and in Telugu by Skandhavi highlighted the linguistic diversity and the inclusive ethos of the school, while Akshitha presented the news, keeping everyone abreast of current events. The highlight of the assembly was the recitation of the poem "Aao fir se Diya jalayen" by Purvika, originally penned by the former Prime Minister of India, Atal Bihari Vajpayee. The poem, which calls for unity and the lighting of lamps together, resonated deeply with the audience, leaving a lasting impression of communal harmony and collective purpose.

The students' attire reflected the theme of the day, with a vibrant array of colorful dresses representing the various festivals of India, creating an atmosphere of a festive celebration. The event was not just a display of cultural pride but also an educational experience that reinforced the values of unity in diversity, a cornerstone of the Indian ethos. The assembly at JHCS-Shamirpet was a microcosm of India itself, a country where myriad cultures, languages, and traditions coexist and flourish together. It was a reminder that unity in diversity is not just a concept but a lived reality that strengthens the fabric of the nation. As India continues to navigate the challenges of the 21st century, the lessons imparted by the students of JHCS-Shamirpet will undoubtedly contribute to fostering a sense of national solidarity and pride.

WORKSHOP ON VEDIC MATH

Vedic Maths: Unlocking the Power of Ancient Mathematics for Modern Learning

The JHCS- Shamirpet has hosted an enlightening Vedic Maths session on 30th October, 2024 for students of grades 6, 7, and 8, sparking a renewed interest in this ancient Indian mathematical system. Vedic Maths, derived from the Vedas, is known for its sophisticated and speedy calculation methods, which can significantly enhance mental agility and mathematical understanding.

The session at JHCS was not just another academic exercise; it was a journey into the past, uncovering the mathematical wisdom that has been a part of India's heritage for centuries. The

students were introduced to Vedic Maths, which can be applied to a wide range of mathematical problems, from basic arithmetic to complex algebraic equations.

One of the key benefits of Vedic Maths is its ability to simplify calculations, making them faster and more efficient than traditional methods. This is particularly beneficial for students who face competitive exams where time is of the essence. Moreover, the techniques taught in Vedic Maths encourage students to use their intuition and logic, fostering a deeper understanding of the subject.

The enthusiasm of the students at JHCS was palpable as they learned tricks for addition, subtraction, multiplication, and division that made calculations seem like a fun activity rather than a tedious task. The session also highlighted how Vedic Maths can reduce the stress associated with complex calculations, as students can solve problems more quickly and with greater accuracy.

The Vedic Maths session at JHCS is a testament to the timeless relevance of this ancient system. It empowers students to tackle mathematical challenges with confidence and ease, proving that the wisdom of the Vedas continues to illuminate the path of learning in the modern world.

DIWALI CELEBRATION / HALLOWEN DAY

At JHCS Shamirpet, the festive spirit was in full swing as students and teachers came together to celebrate both Halloween and Diwali in a post-lunch extravaganza. The eighth graders took the lead, organizing a mask stall and a Mehdi (Henna) stall, adding a traditional touch to the festivities. The highlight of the day was undoubtedly the spooky room, a testament to the creativity of the students, which sent delightful shivers down everyone's spine. The celebrations were inclusive, with students from pre-primary to grade 12, along with their teachers, reveling in the day's activities. In the spirit of Diwali, which emphasizes the victory of light over darkness and good over evil, the school community also embraced the value of kindness.

A donation drive for an orphanage was set up, reflecting the true essence of the festival. Adding color to the celebration, students performed dances, their movements echoing the joy of the season. Dressed in vibrant attire, they embodied the festive mood, showcasing the cultural diversity and unity of the school. As the day came to a close, the students dispersed, carrying with them the warm wishes of and the joy of a day well spent, where tradition met fun, and giving back was as important as celebrating. It was a day that highlighted the school's commitment to not only education but also to fostering a sense of community and celebration among its students.

Adding color to the festivities, students performed dances that were as diverse as they were delightful, dressed in an array of colorful costumes that reflected the dual spirit of Diwali and Halloween. The day ended on a high note with warm wishes from Dr Swati Bhattacharyya, Principal of JHCS-Shamirpet, leaving the students feeling cherished and valued. The sweetness of the day was not just metaphorical; it was literal too, with the distribution of sweets that symbolized the joy and togetherness of the occasion. As the students dispersed, the air was filled with a sense of happiness and the warmth of a community that had come together to celebrate the beauty of two cultures in one harmonious event.

GRAND PARENTS DAY (TODDLERS)

Nobody can do for little children what grandparents do. Grandparents sort of sprinkle stardust over the lives of little children.

A salute to our Roots Grandparents are a family's greatest treasure, the founders of a loving legacy, the greatest storytellers, the keepers of traditions. Grandparents are a family's strong foundation. Their special love and care, holds the family together.

To honour their unconditional love, JHCS Shamirpet (Toddlers) celebrated Grandparents Day.

TALK SHOW (TODDLERS)

Advantage of telling about their favourite animals It encourages kids to research and learn about their favorite animals and unique characteristics. Show and Tell provides a platform for kids to practice public speaking and communication skills. They can learn to express themselves clearly and confidently while sharing information about their chosen animal. Show and Tell can help kids appreciate and respect the diversity of interests among their peers.

FRUITS AND VEGETABLE ACTIVITY (TODDLERS)

Children of preprimary of JHCS Shamirpet learned about fruits and vegetables. Children enjoyed a lot by seeing the vegetables in the farm. Children understood the importance of fruits and vegetables which have lots of fiber to help our digestive system work properly for our good health. Children acquire a variety of knowledge through painting activities. Painting is a way for children to do many important things: convey ideas, express emotion, use their senses of colour. On that note, children did a vegetable printing activity where they dipped the vegetables like lady's finger in water colour and printed on vegetables, coloring and thumb printing on grapes.

FIELD TRIP TO A VEGETABLE FARM (TODDLERS)

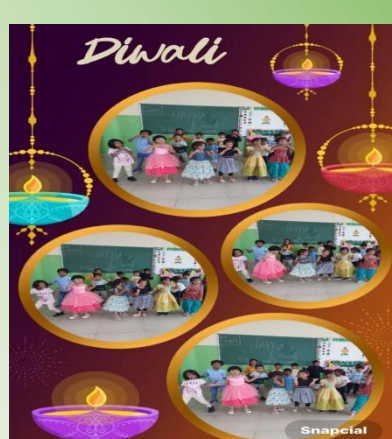

DIWALI CELEBRATIONS (TODDLERS)

The festival of lights, known as Deepavali is the biggest and the brightest of all festivals. It often signifies the return of Lord Rama to Ayodhya, after his 14 years of exile and victory over Ravana.

It's a festival that illuminates the earth as well as skies and brings joy around this world. It is a festival when the whole of India transcends in to a land of myriad lamps with all the charm, grandeur and splendour that can even illuminate our minds and hearts while also promoting the much needed peace, harmony and brotherhood in the society, it is a festival that unifies every religion, every home and every heart.

Children of pre primary JHCS Shamirpet had a wonderful time as joyful painted diyas with different colours as part of the Diwali. Making them is very beautiful.
